Holy Men of Mount Athos Richard P. H. Greenfield, Alice-Mary Talbot, 2016-04-30 Mount Athos was the most famous center of Byzantine monasticism and remains the spiritual heart of the Orthodox Church today Holy Men of Mount Athos presents the Lives of five holy men who lived there at different times from the ninth century to the last decades of the Byzantine period in the early fifteenth century **Medieval Mount Athos between Wealth and Poverty**, 2024-11-18 These collected studies dedicated to the Orthodox monastic center of Mount Athos during the Middle Ages paint a compelling picture of the Holy Mountain's monastic communities as economic actors Mount Athos rich archival holdings allow both for the minute scrutiny of economic activity and the tracing of long term trends Not only were Hagiorite monasteries major players on a local level but they were also embedded within trans Mediterranean networks of patronage The unique status of Mount Athos as a semi autonomous monastic polity also influenced attitudes towards landholding as well as wealth and poverty more generally Contributors are Tinatin Chronz Zachary Chitwood Stefan Eichert Martina Filosa Mihai D Grigore Michel Kaplan Vladimer Kekelia Kirill A Maksimovi Zisis Melissakis Nicholas Melvani Vanessa R de Obald a Daniel Oltean Nina Richards Kostis Smyrlis Apolon Tabuashvili and Alexander Watzinger **The Oxford Handbook of Christian Monasticism** Bernice M. Kaczynski, 2020-09-29 The Handbook takes as its subject the complex phenomenon of Christian monasticism It addresses for the first time in one volume the multiple strands of Christian monastic practice Forty four essays consider historical and thematic aspects of the Catholic Eastern Orthodox Oriental Orthodox Protestant and Anglican traditions as well as contemporary new monasticism The essays in the book span a period of nearly two thousand years from late ancient times through the medieval and early modern eras on to the present day Taken together they offer not a narrative survey but rather a map of the vast terrain The intention of the Handbook is to provide a balance of some essential historical coverage with a representative sample of current thinking on monasticism It presents the work of both academic and monastic authors and the essays are best understood as a series of loosely linked episodes forming a long chain of enquiry and allowing for various points of view The authors are a diverse and international group who bring a wide range of critical perspectives to bear on pertinent themes and issues They indicate developing trends in their areas of specialisation The individual contributions and the volume as a whole set out an agenda for the future direction of monastic studies In today's world where there is increasing interest in all world monasticisms where scholars are adopting more capacious global approaches to their investigations and where monks and nuns are casting a fresh eye on their ancient traditions this publication is especially timely **The Juggler of Notre Dame and the Medievalizing of Modernity** Jan M. Ziolkowski, 2018-06-11 This ambitious and vivid study in six volumes explores the journey of a single electrifying story from its first incarnation in a medieval French poem through its prolific rebirth in the nineteenth and twentieth centuries The Juggler of Notre Dame tells how an entertainer abandons the world to join a monastery but is suspected of blasphemy after

dancing his devotion before a statue of the Madonna in the crypt he is saved when the statue delighted by his skill miraculously comes to life Jan Ziolkowski tracks the poem from its medieval roots to its rediscovery in late nineteenth century Paris before its translation into English in Britain and the United States The visual influence of the tale on Gothic revivalism and vice versa in America is carefully documented with lavish and inventive illustrations and Ziolkowski concludes with an examination of the explosion of interest in *The Juggler of Notre Dame* in the twentieth century and its place in mass culture today *The Juggler of Notre Dame and the Medievalizing of Modernity* is a rich case study for the reception of the Middle Ages in modernity Spanning centuries and continents the medieval period is understood through the lens of its post modern reception in Europe and America Profound connections between the verbal and the visual are illustrated by a rich trove of images including book illustrations stained glass postage stamps architecture and Christmas cards Presented with great clarity and simplicity Ziolkowski's work is accessible to the general reader while its many new discoveries will be valuable to academics in such fields and disciplines as medieval studies medievalism philology literary history art history folklore performance studies and reception studies

Byzantine Childhood Oana-Maria Cojocaru, 2021-08-26 *Byzantine Childhood* examines the intricacies of growing up in medieval Byzantium children's everyday experiences and their agency By piecing together a wide range of sources and utilising several methodological approaches inspired by intersectionality history from below and microhistory it analyses the life course of Byzantine boys and girls and how medieval Byzantine society perceived and treated them according to societal and cultural expectations surrounding age gender and status Ultimately it seeks to reconstruct a more plausible picture of the everyday life of children one of the most vulnerable social groups throughout history and often a neglected subject in scholarship Written in a lively and engaging manner this book is necessary reading for scholars and students of Byzantine history as well as those interested in the history of childhood and the family

Spatialities of Byzantine Culture from the Human Body to the Universe, 2022-11-14 Space Matters claimed Doreen Massey and John Allen at the heart of the Spatial Turn developments 1984 Compensating a four decades shortfall this collective volume is the first reader in Byzantine spatial studies It contextualizes the spatial turn in historical studies by means of interdisciplinary dialogue An introduction offers an up to date state of the art Twenty nine case studies provide a wide range of different conceptualizations of space in Byzantine culture articulated in a single collection through a variety of topics and approaches An afterword frames the future challenges of Byzantine spatial studies in a changing world where space is a claim and a precarious social value Contributors are Ilias Anagnostakis Alexander Beihammer Helena Bodin Darlene L Brooks Hedstrom B atrice Caseau Chevallier Paolo Cesaretti Michael J Decker Veronica della Dora Rico Franses Sauro Gelichi Adam J Goldwyn Basema Hamarneh Richard Hodges Brad Hostetler Adam Izdebski Liz James P Nick Kardulias Isabel Kimmelfield Tonia Kiousopoulou Johannes Koder Derek Krueger Tomasz Labuk Maria Leontsini Yulia Mantova Charis Messis Konstantinos Moustakas Margaret Mullett Ingela Nilsson Robert G Ousterhout Georgios Pallis Myrto Veikou Joanita

Vroom David Westberg and Enrico Zanini **The Akathistos Hymnos and Intermedial Compositional Processes in Later Byzantium** Jon C. Cubas Díaz, 2025-03-28 This book explores intermedial compositional processes in later Byzantium building on the Akathistos Hymnos The relationship between the hymn's text music and illustrations has yet to be explored in detail The contributions here argue that these painted cycles should be studied as a result of interaction between hymnography psalmody and visual art not just as mere illustration of text Highlighting illuminated and notated manuscript copies of the hymn as evidence for varied liturgical and devotional practices they examine how icons and murals based on the Akathistos functioned as constituent elements of sacred space Focusing on intermediality this book helps bridge methodological gaps between scholarly approaches to medieval culture

Marie-Hélène Blanchet, Raúl Estangüi Gómez, 2025-04-09 Often described as a period of decline and decadence the history of the Byzantine Empire under the emperors of the Palaiologan dynasty 1261 1453 has undergone a considerable historiographical revival that has allowed this deeply negative image to be nuanced State and Society in the Palaiologan Era brings together articles by some of the best specialists in the field and addresses various aspects of the functioning of the Byzantine state and society in the Palaiologan period These contributions reflect not only the dynamism of the Byzantine society but also the divisions and challenges created by the deep transformations in the socioeconomic conditions of the time and by the Ottoman conquest of the Byzantine territory They show the capacity of the Byzantine state and institutions to adapt to a new political context one of territorial shrinkage and instability as well as the consequences of this instability for the society of the time for its economic and charitable activities for its spirituality and beliefs and for the splits and conflicts opposing different categories of social actors This book aims to provide researchers with a series of studies whose methodology and results offer new insights into the complex often contradictory phenomena that ran through the Byzantine world during the Palaiologan period This collection of chapters will thus prove useful to all those interested in the Byzantine Empire at the end of the Middle Ages

Drugs in the Medieval Mediterranean Petros Bouras-Vallianatos, Dionysios Sthakopoulos, 2023-11-02 In this volume a distinguished international team of scholars examines the history of drugs within all the major medical traditions of the medieval Mediterranean namely Byzantine Islamicate Jewish and Latin and in so doing analyses a considerable number of previously unedited or barely explored texts A Mediterranean wide perspective permits a deeper understanding of broader phenomena such as the transfer of scientific knowledge and cultural exchange by looking beyond single linguistic traditions or political boundaries It also highlights the diversity and vitality of the medieval Mediterranean pharmacological tradition which through its close links with cookery alchemy magic religion and philosophy had to be able to adapt to multiple contexts not least to changing social and political realities as in the case of drugs as diplomatic gifts
