Home Builder Workbook Home Builder Workbook:

Home Builder Workbook William Songy, 2008-02-01 All successful builders employ a system to build their projects They know how to formulate and maintain a budget how to track and organize their bids how to avoid overpaying sub contractors and vendors and how to schedule and minimize down time Each successful builder has a system The Home Builder Workbook is this system on paper for you Use the workbook to walk you through the building process Most books contain a lot of useless information that leaves the prospective builder overwhelmed We wanted to make building as simple as it can be so we designed the Home Builder Workbook to guide even the most inexperienced builders through the actual building process You will save tens of thousands of dollars as you invest in yourself and your family by Owner Building *The Home Builder Workbook* William Songy, Darnell Songy, 2014-02-24 Many books have been published that over complicate the building process This is not one of those books While there s a lot of tips and trade secrets in The Home Builder Workbook we simplify building by providing the tools needed in order for you to assume the role of the General Contractor Simply fill in the blanks and work along in the book during each phase of construction It is that simple **So... You Want To Build a House** Jeanne Gore, William Null, 2010-06-27 Shows homeowners how to stay within one percent of their budget Delivers the perfect balance of information covers everything homeowners need to know without overwhelming details Ready to use worksheets save time and money Tells homeowners who to meet with when to meet and how to track progress and control costs **The Home Book** David E. MacLellan, George E. Wolfson, Douglas Hansen, 2014 Every homeowner wants to protect the investment they ve made in their home As maintenance issues occur The Home Book will become a homeowner s main reference for determining how to proceed with every condition of home ownership With more than 380 residential workmanship guidelines in a single reference The Home Book accomplishes what no other homeowner book has done establish and define workmanship guidelines applicable in all 50 states The conditions addressed have historically been issues that result in litigation between builders and homeowners The Home Book helps to avoid litigation by assigning responsibility for each condition discussed The Home Book is intentionally written for the layperson and clearly outlines the building guidelines that should be met during the construction or remodeling of a home The Home Book is an extremely valuable reference for every homeowner builder contractor inspector real estate agent and property management company *The Owner-Builder Book* Mark A. Smith, Elaine M. Smith, 2007 This easy to understand step by step guide is clear enough for even a novice to understand Even if you hire a contractor to build you home this book will greatly help you understand the process From shopping for a piece of land to getting a loan to dealing with a contractor the Smiths advice covers everything about building a home The authors advise on getting organized and tackling the hardest parts of the process step by step Included are valuable lists charts ideas and questionnaires Also how to shop around for bargains and minimize costs room by room
