Joint Ventures Business Strategies For Accountants:

Joint Ventures Joseph Morris, Richard P. Graff, 1998-02-13 A joint venture is the joining of two or more business entities or persons in order to undertake a specific business venture. Although a joint venture is not a continuing relationship like a partnership, it may be treated as a partnership for income tax purposes. This book explains everything financial management must know and provide when their corporation is entering a joint venture. **CIMA Official Learning System**
