Jonathan Edwards A Life:

Jonathan Edwards George M. Marsden, 2004-07-01 Superb and engrossing The Washington Post Book World the definitive biography of Jonathan Edwards America's most important religious figure draws on newly available sources to reveal how he was shaped by the cultural and religious battles of his time 30 illustrations **Jonathan Edwards** George M. Marsden, 2003 **A Short Life of Jonathan Edwards** George M. Marsden, 2008-09-05 Jonathan Edwards is one of the most extraordinary figures in American history Arguably the most brilliant theologian ever born on American soil Edwards 1703 1758 was also a pastor a renowned preacher a missionary to the Native Americans a biographer a college president a philosopher a loving husband and the father of eleven children George M Marsden widely acclaimed for his magisterial large study of Edwards has now written a new shorter biography of this many sided remarkable man A Short Life of Jonathan Edwards is not an abridgment of Marsden's earlier award winning study but is instead a completely new narrative based on his extensive research The result is a concise fresh retelling of the Edwards story rich in scholarship yet compelling and readable for a much wider audience including students Known best for his famous sermon Sinners in the Hands of an Angry God Jonathan Edwards is often viewed as a proponent of fire brimstone and the wrath of God As Marsden shows however the focus of Edwards's preaching was not God's wrath but rather his overwhelming and all encompassing love Marsden also rescues Edwards from the high realms of intellectual history revealing him more comprehensively through the lens of his everyday life and interactions Further Marsden shows how Edwards provides a window on the fascinating and often dangerous world of the American colonies in the decades before the American Revolution Marsden here gives us an Edwards who illumines both American history and Christian theology an Edwards that will appeal to readers with little or no training in either field This short life will contribute significantly to the widespread and growing interest in Jonathan Edwards [Life of the Rev. Jonathan Edwards: Allan G. Hedberg, PhD, 2016-03-16 I have been wishing aloud for years that professional psychologists would take a look at Edwards helping us think about his life and what can be learned about it today from a mental health perspective Dr Hedberg has done just that Of course Edwards is now in heaven so conjectures about his psyche ought to be made with great care Still cautious humble hypothesis about his inner life and the lessons it affords for people seeking better health can lead to useful conversations that bring healing to the soul Whether or not you feel like Edwards who was an ordinary man with extraordinary gifts for sensing the work of the Spirit of God I pray that God will use this book to make you whole Douglas A Sweeney PhD Jonathan Edwards Center Trinity Evangelical Divinity School I enjoyed learning about the biblical principles that Jonathan Edwards lived by I also believe these principles are still relevant today A thought provoking book DelAnn Miller a seventh generation Edwards Burr descendant Dr Hedberg has shared from his passion for Jonathan Edwards some unique experiences as a psychologist which are a delight to read Rev Dr Arlynn C Turnquist BSN Augustana
