Journey to the Higher Realm Zuriel Ann Murphy, 2012-08-08 With deep revelations intense exegesis relieving anecdotes inspirational quotes and illustrations through the use of suspense and climax the Author explores vast areas to reveal Gods Realm of Life Its a realm too high for the ordinary mind hidden from the ignorant parable to the multitude yet a mystery unveiled With this book ignorance is ruined our identity revealed the challenge to greatness explored and a right mindset imparted Its a book that uniquely answers long heart hidden questions and ushers you into the Higher Realm A realm that places you above natural rules and worldly

principles The Author observes Overcoming adverse circumstances depends on the nature of the realm you dwell in That same bread that gives satisfaction to the habitants of the Higher Realm chokes the habitants of the earthly realm **Caught Between the Lines** Carlos Riobó,2019-04 Caught between the Lines examines how the figure of the captive and the notion of borders have been used in Argentine literature and painting to reflect competing notions of national identity from the nineteenth to the twenty first centuries Challenging the conventional approach to the nineteenth century trope of civilization versus barbarity which was intended to criticize the social and ethnic divisions within Argentina in order to create a homogenous society Carlos Riob traces the various versions of colonial captivity legends He argues convincingly that the historical conditions of the colonial period created an ethnic hybridity a mestizo or culturally mixed identity that went against the state compulsion for a racially pure identity This mestizaje was signified not only in Argentina s literature but also in its art and Riob thus analyzes colonial paintings as well as texts Caught between the Lines focuses on borders and mestizaje both biological and cultural as they relate to captives specifically how captives have been used to create a national image of Argentina that relies on a logic of separation to justify concepts of national purity and to deny transculturation **Stolen Child - The Beginning** Adele DeGirolamo,2015-09-08 The Fey worlds are very much alive among us even though we may have forgotten their existence and know very little about them This is the journey of one of those distant homeworlds which the fey have inhabited since the dawn of time and begins to tell the tale one thousand years after King Balor tried to eliminate the offspring of his daughter Eithne simply because it was scribed he would die at the hands of one of them It tells the tale through their Shadow Scrolls starting with the Shapeshifter Sibrey as she flees from the Dragonlord sent to retrieve her and comes in contact with the Goddesses Witches Selkies Elementals Dark Sidhe and one determined Wood Sprite that simply annoys everyone as she flees for her life and they rush to save her from her destiny and the Sling that hunts her The epic saga is the first of many novels about the Tuatha De Danann s army of Aelves while the Author weaves a tale of fantasy and mythology that will draw you in making you remember the tale of the evil King and the repercussions that have been left on this planet in the wake of his demise This is book one of the three novels that belong to Stolen Child s original manuscript and will be joined by two more to complete the tale in its entirety www.adeledegirolamo.com *Baba Yaga* Sibelan Elizabeth S.
