La Direccion De Proyectos Una Nueva Vision:

La dirección de proyectos Alfonso Bucero Torres, 2013-06-15 Esta obra es una guía fácil de dirección de proyectos para el ejecutivo de hoy que sigue en detalle los pasos que han de darse para ser capaz de dirigir un proyecto. Creyente y practicante de la Dirección de Proyectos, el autor consultor, profesor y ponente frecuente en congresos nacionales e internacionales, explica paso a paso la interesante aventura de la dirección de proyectos. Su problemática las figuras involucradas, las directrices a seguir. Los conceptos y sugerencias que ofrece este libro son fruto de la experiencia del trabajo del autor de los errores y aciertos cometidos dirigiendo proyectos y de su relación con otros profesionales del arte y disciplina de la Dirección de Proyectos.

The Complete Project Manager Randall Englund, Alfonso Bucero, 2019-08-13 This is an important book; it is a necessary book. It comprehensively addresses the rapidly expanding role of the project manager, a role that is striving to keep up with the corresponding expansion in the definition of project success. From the Foreword by Michael O Brochta, This new edition of a classic bestselling guide addresses the soft project management skills that are so essential to successful project, program, and portfolio management. Mastering leadership, negotiation, conflict resolution, change management, and organizational politics has always been key to project manager success. This book demonstrates the why and how of creatively applying soft project management skills in these areas and shows how to develop, adjust, and hone these skills given the forces and trends in today's business world. Using real world stories and case studies to model how to implement these skills, Englund and Bucero illustrate how the right mix of soft and hard professional skills can help create an environment that supports greater project success. This second edition features new sections on agile project management, ethics, business analysis, management across generations, and between cultures, and more. It maps well to recent topic updates in the sixth edition of the Project Management Body of Knowledge. This book is a valuable manual for all the complex interpersonal skills necessary for project managers' success and will help them develop a more complete portfolio of skills, knowledge, and attitudes to serve as road maps to greater project success.

Today is a Great Day! Alfonso Bucero, 2024-11-19 Today is a Great Day: New Attitudes for Attaining Project Success is a beacon of positivity and inspiration to project managers who in their day-to-day work are beset with challenges and uncertainty. Through a blend of personal anecdotes, insightful reflections, and practical wisdom, the book shows project managers how to embrace each day with a sense of optimism and purpose. At the book's core is the message that attitude shapes outcomes. This powerful message helps readers to cultivate a mindset of gratitude and resilience regardless of the circumstances they may face. Drawing from personal experience navigating the ups and downs of delivering projects, Bucero explains how adopting a positive outlook can transform obstacles into opportunities and setbacks into steppingstones. This call to action encourages readers to apply the insights gained from the book to their own projects. It guides project managers through the steps towards a positive attitude that fosters a project team culture focused on growth and project success. The book gives some examples of positive attitude.

project success for project and organizational success Helps project managers and executives create a positive atmosphere to manage projects successfully Shows how to understand and empathize with all project stakeholders to work efficiently together This book is an attitude implementation guide filled with tools real world examples and global case studies that address an international audience Based on the author s award winning background as a project and program manager as well as a project management trainer and consultant the book shares case studies best practices and mindsets as well as exercises and checklists to help project managers and executives adopt winning attitudes that can promote project success

académicos a este nivel y en el interior de cada unidad docente programa e institución y grupos de estas. El libro está organizado en dos secciones. La primera se centra en temas estructurales por ejemplo el desarrollo de cultura y competencia digital entre los miembros de cada comunidad educativa la alineación entre las competencias digitales de los egresados con los requerimientos del sector donde se espera que se desempeñen como las oportunidades de racionalizar los esfuerzos institucionales cuando se participa en la creación y el aprovechamiento de objetos y recursos educativos digitales. La segunda sección se centra en temas sustantivos y en esta se aprende sobre lo educativo operativo y organizacional de experiencias de educación superior en las modalidades virtual y combinada con enfoque transformador. En todas las experiencias se va más allá de mezclar actividades presenciales y virtuales toda vez que se propicia el uso de estrategias pedagógicas que favorecen la participación activa de los estudiantes en la construcción del debate y la socialización de conocimientos con facilitación de los docentes y en el interior de comunidades de aprendizaje apoyadas con tecnología digital. El libro cierra invitando a la reflexión acerca de los retos que tienen las instituciones de educación superior de cara al compromiso mundial para sacar adelante la Agenda 2030 de Naciones Unidas en particular lo que tiene que ver con el cuarto de los objetivos de desarrollo sostenible relacionado con educación de calidad para todos.
