Epistemic Stance in Dialogue Andrzej Zuczkowski, Ramona Bongelli, Ilaria Riccioni, 2017-04-11 This volume presents a theoretical and practical model for analysing epistemic stance in dialogues i e the positions both epistemic commitment and evidential source of information which speakers take in the here and now of communication with regard to the information they are conveying and which they express through lexical and morphosyntactic means According to the results of our studies of different types of corpora these positions can be reduced to three basic ones Knowing Unknowing Believing KUB In the first part of the book we present the KUB model and its psychological and linguistic backgrounds In the second part we provide an exemplary application of the model by presenting the qualitative and quantitative analysis of dialogues belonging to different genres and contexts The volume is addressed to scholars concerned with the topical issues from a theoretical and analytical perspective *La testimonianza tecnica nel processo penale* Concetta Miucci, 2011 [La persona in relazione.
