

A romantic couple is shown in a close embrace in a field of tall, golden grass. The woman, on the left, has long dark hair and is wearing a white dress with a vibrant floral pattern of red and pink roses. The man, on the right, has short dark hair and a beard, and is wearing a white short-sleeved shirt and tan shorts. They are both looking at each other with affection. The background is a soft-focus landscape with more grass and a large tree trunk on the right. The lighting is warm and golden, suggesting the time is either sunrise or sunset. Overlaid on the image is the title 'LA PROMESA DEL CORAZON' in a large, red, serif font, and the author's name 'Benjamin J. Cross' in a smaller, white, serif font at the bottom.

Pure Space (Spanish Edition) Elisa Silva, 2020-11-24

This book may seem a simple accumulation of twenty one public space projects in eight Latin American cities On closer inspection the presentation of project descriptions photographs and annotated drawings reflects a concern to analytically explain the operative aspects at work The publication is not intended to serve only as a catalogue guide or manual on how to produce public space in spontaneous settlements Rather it goes beyond the aims of an index of best practices It is intended instead as an empirical base for a critical and theoretical engagement with the problematic of development social inclusion public investment in formal settlement civil society and the public sphere The publication achieves its final function at this third level by providing a compelling argument to expand the agency of architects and urban designers and creatively find ways of justifying financing and building public spaces in communities spaces that have a catalytic effectiveness in achieving significant urban and social transformation This book was awarded by a Graham Foundation Grant and CAF Development Bank of Latin America
