Humour Translation in the Age of Multimedia Margherita Dore, 2020-11-02 This volume seeks to investigate how humour translation has developed since the beginning of the 21st century focusing in particular on new ways of communication The authors drawn from a range of countries cultures and academic traditions address and debate how today's globalised communication media and new technologies are influencing and shaping the translation of humour Examining both how humour translation exploits new means of communication and how the processes of humour translation may be challenged and enhanced by technologies the chapters cover theoretical foundations and implications and methodological practices and challenges They include a description of current research or practice and comments on possible future developments The contributions interconnect around the issue of humour creation and translation in the 21st century which can truly be labelled as the age of multimedia Accessible and engaging this is essential reading for advanced students and researchers in Translation Studies and Humour Studies *Chicano Nations* Marissa K. López, 2011-10 This book argues that the transnationalism that is central to Chicano identity originated in the global postcolonial moment at the turn of the nineteenth century rather than as an effect of contemporary economic conditions which began in the mid nineteenth century and primarily affected the laboring classes The Spanish empire then began to implode and colonists in the new world debated the national contours of the viceroyalties This is where the author locates the origins of Chicano literature which is now and always has been postnational encompassing the wealthy the poor the white and the mestizo **The Terán Expedition Into Texas and Louisiana** Florence Edith Barth, 1914 *How the United States Racializes Latinos* José A. Cobas, Jorge Duany, Joe R. Feagin, 2015-12-03 Mexican and Central American undocumented immigrants as well as U S citizens such as

Puerto Ricans and Mexican Americans have become a significant portion of the U S population Yet the U S government mainstream society and radical activists characterize this rich diversity of peoples and cultures as one group alternatively called Hispanics Latinos or even the pejorative Illegals How has this racializing of populations engendered governmental policies police profiling economic exploitation and even violence that afflict these groups From a variety of settings New York New Jersey Los Angeles Central America Cuba this book explores this question in considering both the national and international implications of U S policy Its coverage ranges from legal definitions and practices to popular stereotyping by the public and the media covering such diverse topics as racial profiling workplace discrimination mob violence treatment at border crossings barriers to success in schools and many more It shows how government and social processes of racializing are too seldom understood by mainstream society and the implication of attendant policies are sorely neglected Animal Sight / La vista en los animales Kirsten Hall, 2005-12-15 Covers general information about the sense of sight and the diverse ways in which different animals see Monthly Catalogue, United States Public Documents United States.
