

Jeffrey Weeks

Raphael Samuel

Jeffrey Weeks:

Homosexual Desire Guy Hocquenghem, 1993 This essay focuses on the possibility of social and personal transformation which was opened up by the gay liberation movement in France which the author terms a revolution of desire *What is Sexual History?* Jeffrey Weeks, 2016-06-10 Until the 1970s the history of sexuality was a marginalized practice Today it is a flourishing field increasingly integrated into the mainstream and producing innovative insights into the ways in which societies shape and are shaped by sexual values norms identities and desires In this book Jeffrey Weeks one of the leading international scholars in the subject sets out clearly and concisely how sexual history has developed and its implications for our understanding of the ways we live today The emergence of a new wave of feminism and lesbian and gay activism in the 1970s transformed the subject heavily influenced by new trends in social and cultural history radical sociological insights and the impact of Michel Foucault's work The result was an increasing emphasis on the historical shaping of sexuality and on the existence of many different sexual meanings and cultures on a global scale With chapters on amongst others lesbian gay and queer history feminist sexual history the mainstreaming of sexual history and the globalization of sexual history *What is Sexual History* is an indispensable guide to these developments **The Gender/sexuality Reader** Roger N.

Lancaster, Micaela Di Leonardo, 1997 Textbook on gender *Culture, Society and Sexuality* Richard Guy Parker, Peter Aggleton, 1999 This work offers an introduction to the central debates in sexuality research Among the issues examined are the social and cultural dimensions of sex human sexuality and sex research *Sexualities: Some elements for an account of the social organisation of sexualities* Kenneth Plummer, 2002 Volume 3 Difference and Diversity of Sexualities This section examines the politics power and critique of sexual categories including bisexuality sex addiction prostitution and sadomasochism *The World We Have Won* Jeffrey Weeks, 2007-06-21 This book explores the life changes since 1945 from welfarism to the pill and from globalization to individualization Rejecting the cultural pessimism it argues that this is a world we are increasingly making for ourselves a world we have won **Troubling Sex** Elaine Craig, 2012-07-01 When legal scholars or judges approach the subject of sexuality they are often constrained by existing theoretical frameworks For instance queer theorists typically focus on sexual liberty but tend not to consider issues such as sexual violence Feminist theories focus on violence but often don't give recognition to the joy of sexuality To assess the possibility of devising a legal theory of sexuality that can ensure equality without assimilation diversity without exclusion and liberty without suffering Elaine Craig examines the Supreme Court of Canada's approach to sexuality in cases that range from sexual violence to discrimination based on orientation Although the Court continues to hold an essentialist understanding of sexuality that renders certain harms invisible its feminist inspired approach to sexual violence recognizes the socially constructed nature of sexuality and produces legal reasoning that promotes sexual integrity as a common interest Blending feminist theory with the inclusiveness of queer theory Craig advances an iconoclastic approach to law and sexuality that has the power to transform

both theory and practice The Cultural Construction of Sexuality Patricia Caplan, 1987 First Published in 1987 Routledge is an imprint of Taylor Francis an informa company Sex, Politics and Society Jeffrey Weeks, 2017-07-31 A pioneering study which has become an established classic in its field Sex Politics and Society provides a lucid and comprehensive analysis of the transformations of British sexual life from 1800 to the present These changes are firmly located in the wider context of British social political and cultural life from industrialization urbanisation and the impact of Empire and colonisation through the experience of economic disruption World Wars the establishment of the welfare state changing patterns of gender and the emergence of new sexual identities This book also charts the rise of both progressive and conservative social movements including feminism LGBT activism and fundamentalist movements It is a history where the past continues to live in the present and where the present provides ever more complex and often controversial patterns of sexual life with sexual and gender issues at the heart of contemporary politics Now fully revised and updated this edition examines key new developments including the impact of globalisation and the digital revolution gender nonconformity and the rise of transgender consciousness shifting family and relational patterns and new forms of intimacy changes in reproductive technology including the debates on IVF and surrogacy new discourses of equality and sexual rights for LGBT people the irresistible rise of same sex marriage the weakening of the heterosexual homosexual binary divide and the development of new lines of concern and divisions in the politics of sexuality Combining rich empirical detail with innovative theoretical insights Sex Politics and Society remains at the cutting edge of the subject and this fourth edition will inspire and provoke a whole new generation of readers in history sociology social policy and critical sexuality studies **Sex, Politics and Society** , 2014-05-22 A pioneering study which has become an established classic in its field Sex Politics and Society provides a lucid and comprehensive analysis of the transformations of British sexual life from 1800 to the present These changes are firmly located in the wider context of social change from industrialization and the experience of Empire through the establishment of the welfare state to the rise of new social movements such as feminism and gay liberation and new forms of social conservatism Now fully revised and updated and with a new chapter bringing the story right up to date this new edition considers the transformation of the sexual world through globalization and the internet the changing impact of the AIDS pandemic over the last thirty years the influence of new currents in social and cultural theory on the study of sexuality the gradual depoliticization and mainstreaming of sexuality within historical study Combining rich empirical detail with innovative theoretical insights Sex Politics and Society remains at the cutting edge of the subject and this third edition will inspire and provoke a whole new generation of readers in history sociology social policy and the study of sexuality

Masculinity and the Other Heather Ellis, Jessica Meyer, 2009-01-14 Histories of masculinity have generally examined both social ideologies of masculinity and subjective male identities within frameworks that define them against the feminine Yet historians and sociologists have increasingly argued that men have been and continue to be defined both socially and

subjectively as much by their relations to other men as in relation to women This collection brings together the work of scholars of masculinities working in a variety of fields including literature history and art history to examine some of the forms of otherness against which ideas of masculinity have been defined throughout history The collection reflects the current breadth of scholarship relating to the study of masculine alterity While the subjects addressed are largely historical the time span covered is broad and the disciplinary approaches to the subject matter are equally wide ranging A huge variety of men masculine behaviours and definitions of masculinity are considered in an exciting and invigorating collection that showcases both established academics and emerging scholars in the field **Sexual Inversion** H. Ellis,J.

Symonds,2007-12-04 Sexual Inversion was the first English medical textbook about homosexuality It had a chequered publishing history going through five editions between 1896 and 1915 This edition with a long critical introduction places the book in its intellectual and social contexts and considers the historiography surrounding this important work Sex and

Class in Women's History Judith L. Newton,Mary P. Ryan,Judith R. Walkowitz,2013-01-03 The essays collected in this volume reflect the upsurge of interest in the research and writing of feminist history in the 1970s 80s and illustrate the developments which have taken place in the types of questions asked the methodologies employed and the scope and sophistication of the analytical approaches which have been adopted Focusing on women in nineteenth century Britain and America this book includes work by scholars in both countries and takes its place in a long history of Anglo American debate The collection adopts the doubled vision of feminist theory the view that it is the simultaneous operation of relations of class and of sex gender that perpetuate both patriarchy and capitalism This view informs a wide variety of contributions from Class and Gender in Victorian England to Servants Sexual Relations and the Risks of Illegitimacy Free Black Women The Power of Women s Networks and Socialism Feminism and Sexual Antagonism in the London Tailoring Trade Both the vigour and the urgency of scholarship infused with social aims can be clearly felt in the essays collected here **On the Fringe** David M.

Rayside,2018-09-05 Does the idea of equality for sexual minorities have as strong an influence as the media suggest How often do politicians come out forthrightly in support of gay rights Drawing on more than three hundred interviews with activists politicians officials legislative aides and journalists David Rayside shows that gays lesbians and their political issues are still on the fringe of the political mainstream His landmark study of political access demonstrates that despite the overall tempering of anti gay rhetoric in the 1990s opponents of equality are formidable and standing up for sexual minorities is still widely thought to be politically risky Rayside documents a high profile controversy in each of three countries gays and lesbians in the military in the United States sexual orientation and human rights legislation in Canada and the age of consent battle in the United Kingdom In addition in depth interviews of openly gay elected officials from three countries U S Congressman Barney Frank Canadian Member of Parliament Svend Robinson and British M P Chris Smith provide an inside look at the political process the negotiation of gay and lesbian policy issues on a daily basis the attitudes of colleagues in

various political parties and the tensions created when grassroots and mainstream activism intersect with each other The only major book to look at gay and lesbian politics in three culturally similar but politically disparate countries On the Fringe explores the political workings and impact of a modern social movement *A Concise Companion to Contemporary British Fiction* James F. English,2008-04-15 A Concise Companion to Contemporary British Fiction offers an authoritative overview of contemporary British fiction in its social political and economic contexts Focuses on the fiction that has emerged since the late 1970s roughly since the start of the Thatcher era Comprises original essays from major scholars Topics range from the rise and fall of the postcolonial novel to controversies over the celebrity author The emphasis is on the whole fiction scene from bookstores and prizes to the changing economics of film adaptation Enables students to read contemporary works of British fiction with a much clearer sense of where they fit within British cultural life Routledge Revivals: Patriotism: The Making and Unmaking of British National Identity (1989) Raphael Samuel,2016-10-04 First published in 1989 this is the second of three volumes exploring the changing notions of patriotism in British life from the thirteenth century to the late twentieth century and constitutes an attempt to come to terms with the power of the national idea through a historically informed critique This volume examines how national identity has competed with alternative more personal forms of belonging such as Roman Catholicism Judaism and Nonconformism as well looking at femininity in relation to the state Contemporary British society's capacity to create outsiders is discussed and the introductory essay shows how this may shape our misunderstanding of earlier phases of national development **Research Handbook on Gender, Sexuality and the Law** Chris Ashford,Alexander Maine,2020-03-28 This innovative and thought provoking Research Handbook explores not only current debates in the area of gender sexuality and the law but also points the way for future socio legal research and scholarship It presents wide ranging insights and debates from across the globe including Africa Asia Eastern Europe and Australia with contributions from leading scholars and activists alongside exciting emergent voices *The Intimate State* Teri Chettiar,2023 Featuring new archival research The Intimate State traces the modern importance of intimate relationships alongside social reform in post war Britain and the resultant political culture that continues to inform identity politics to this day Sociology and Human Rights: New Engagements Patricia Hynes,Michele Lamb,Damien Short,Matthew Waites,2014-02-25 Sociology and Human Rights New Engagements is the first collection to focus on the contribution sociological approaches can make to analysis of human rights Taking forward the sociology of human rights which emerged from the 1990s it presents innovative analyses of global human rights struggles by new and established authors The collection includes a range of new work addressing issues such as genocide in relation to indigenous peoples rights based approaches in development work trafficking of children and children's rights in relation to political struggles for the decriminalisation of same sex sexual activity in India It examines contexts ranging from Rwanda and South Korea to Northern Ireland and the city of Barcelona The collection as a whole will be of interest to students and academics working in

various disciplines such as politics law and social policy and to practitioners working on human rights for various governmental and non governmental organisations as well as to sociologists seeking to develop understanding of the sociology of human rights This book was published as a special issue of the International Journal of Human Rights **Sexual Politics of Desire and Belonging** ,2007-01-01 Designed for students academics and the general reader alike Sexual Politics of Desire and Belonging provides theoretical and empirical insights into the linkages between sexualities and forms of desire and ways of belonging and relating to others in specific contexts and moments in time Opening with a substantial introduction by one of the editors this collection of thirteen essays is organised into three parts each section making important contributions to contemporary debates regarding the sexual politics of citizenship marriage friendship pornography intimacies eroticism and desire As such the essays introduce fresh perspectives for thinking about how individuals construct senses of belonging and modes of relating to others in their everyday lives within the disciplinary frameworks of sociology organisational analysis and cultural studies As well the volume analyses representations of desire and eroticism in British Pop Art trauma and feminist fiction polyamory self help literature Hollywood films and sociological and psychoanalytic theory Analytical insights offered within these essays will do much to stimulate debate about aspects of the socially and historically constituted relationship between desire and sexuality Because of the diverse approaches and conclusions it contains the volume will be essential reading for anyone interested in engaging with inter and multidisciplinary perspectives in order to understand the dynamics between constructions of desire and belonging and discourses of gender sex and sexuality

As recognized, adventure as well as experience virtually lesson, amusement, as capably as conformity can be gotten by just checking out a ebook **Jeffrey Weeks** also it is not directly done, you could receive even more vis--vis this life, on the world.

We meet the expense of you this proper as competently as simple exaggeration to get those all. We find the money for Jeffrey Weeks and numerous books collections from fictions to scientific research in any way. along with them is this Jeffrey Weeks that can be your partner.
