Lawson Younger,2019-06-18 This extract from the Eerdmans Commentary on the Bible provides Youonger Jr s introduction to and concise commentary on Joshua The Eerdmans Commentary on the Bible presents in nontechnical language the best of modern scholarship on each book of the Bible including the Apocrypha Reader friendly commentary complements succinct summaries of each section of the text and will be valuable to scholars students and general readers Rather than attempt a verse by verse analysis these volumes work from larger sense units highlighting the place of each passage within the overarching biblical story Commentators focus on the genre of each text parable prophetic oracle legal code and so on interpreting within the historical and literary context The volumes also address major issues within each biblical book including the range of possible interpretations and refer readers to the best resources for further discussions [Joshua](#) Robert L. Hubbard, Jr.,2009-08-30 The NIV Application Commentary helps you communicate and apply biblical text effectively in today s context The book of Joshua recounts major transitions in the lives of God s chosen people and speaks of subjects that are difficult to comprehend such as war and ethnic cleansing Robert Hubbard navigates through these chapters probing beneath the surface of the biblical text to apply the timeless themes of the book of Joshua to our lives in the twenty first century To bring the ancient messages of the Bible into today s context each passage is treated in three sections Original Meaning Concise exegesis to help the reader understand the original meaning of the biblical text in its historical literary and cultural context Bridging Contexts A bridge between the world of the Bible and the world of today between the original context and the contemporary context built by discerning what is timeless in the timely pages of the Bible

Contemporary Significance This section identifies situations that are comparable to those faced by the original audience and explores personal cultural and societal applications of the passage to those situations The author also alerts the reader to problems they may encounter when seeking to apply the passage and helps them think through the issues involved This unique award winning commentary is the ideal resource for today s preachers teachers and serious students of the Bible giving them the tools ideas and insights they need to communicate God s Word with the same powerful impact it had when it was first written *The Chronicle of Joshua the Stylite, Composed in Syriac A.D. 507* William Wright,1882 **Unbelief** Theresa Ann Reyna,2012-05 God is calling the Church out of the wilderness of unbelief and into His promised land of faith and abundance Unbelief The Deadly Sin speaks of how this sin has robbed many of their destiny and inheritance in Christ This book will inspire you to take hold of what Satan has stolen from you In every area of your life it will teach you how to apply biblical principles that will set you free from your past and from the strongholds of Satan God s desire is to fully restore us to deepest intimacy with Him through repentance and a total surrender of our wills to Him He is calling His Church to rise up into a greater power and authority through the power of the cross and to walk in mighty signs wonders and miracles Jesus is calling forth a Joshua generation a holy remnant in this hour that will walk in power The sacrifice will be great but the rewards of surrendering everything to Jesus will far outweigh the losses God s inspired prophetic words in this book will awaken a new passion and desire in your heart to take hold of God s end time plan and purpose for your life **The pretensions of bishop Colenso [in The Pentateuch and book of Joshua critically examined] to impeach the wisdom and veracity of the compilers of the holy Scriptures considered** James Robert Page,1863 **The Book of Joshua** George Frederick Maclear,1894 *The Bible Exposition Commentary* Warren W. Wiersbe,2003 With this final installation in this six volume set Dr Wiersbe has covered the entire Bible *Joshua. Judges. Ruth* Joseph Samuel Exell,18?? **The Annotated Bible: The Pentateuch. v. 2.
