Jehovahs Witnesses Those Seeking Truth:

Jehovah's Witnesses, Help for Those Seeking Truth Joseph Winters, 2015-12-08 An invaluable read for people who are feeling trapped and suppressed by one of the cleverest and subtlest organisations on earth today Jehovah's Witnesses without doubt are of the foremost preachers of the Kingdom message known throughout the world as zealous proclaimers of the Bible and its author Jehovah God The truth though ironically is that real truth is kept from them and they are not informed of terrible irregularities within their organisation and especially of a certain teaching revealed in chapter two of this book which is devastating to their foundational belief of 1914 This work is different in that it does not condemn but is only interested in helping those held captive by a father like figure they don't really know one who hides his misdemeanours from his children with great stealth and cunning Any Witness of Jehovah who reads this work will be shocked and sickened at what they discover If you're still a Witness after reading this the very best of luck to you Please also read his new screenplay *The Trial of Jesus* and be prepared for something very different indeed

Seeking Truth Clinton Bezan, 2020-12-11 Today people are searching for truth in a world embroiled by contradiction misinformation and blatant lies that have created confusion division and mistrust in society The fear generated through terrorism and the handling of the global covid 19 pandemic have many questioning the future of mankind and turning to God for answers For those genuinely seeking redemption through Jesus Christ the tarnished reputation of the established Christian church offers little clarity in the path to salvation and serves as a living testimony to the fallen state of man Where does one begin to sort through the soupy mess that religion has become and discover the true meaning of Christianity In a revealing and illuminating examination of scripture history and the authentic Christian message Clinton Bezan dispels the fallacies and half truths propagated through Christian history by errant religious dogma and traditions There is a distinct paradox that organized religion fails to recognize in its efforts to maintain growth and influence in a civilization that is increasingly devoid of moral legitimacy and is struggling to maintain its sense of purpose amid the volatile and fluid post truth culture It is only by returning to the basic premise of faith in Christ that there is hope for peace and purpose in the Christian life

on a book called holy created by mankind to control mankind Deism looks to the Cosmos Nature and the endlessness of the night s sky each as a book to help guide mankind Deism does not require a promise or a reward of Heaven or Paradise as an incentive to be a good and loving person it is simply the right thing to do We all shall see truth if there is anything to see in the by and by Perhaps we will simply go to a deep dreamless sleep and know nothing more as a few souls believe I really don t know what happens at the last moment even so I will maintain my trust in the Creator to the very end I shall hold to reason and common sense until my time here is ended
