Jehovahs Witnesses Truth Joseph Winters:

Jehovah's Witnesses and the Real Truth Joseph Winters, 2015-12-06 This is most definitely required reading for present or former members of Jehovah's Witnesses particularly Witnesses Mormons or the Worldwide Church of God In fact since it's being published it has helped many escape the clutches of the Watchtower and false Christianity You will be taken on a journey that will challenge your spiritual outlook helping you to arrive at a destination you probably never imagined You may just come to see how easily the human mind can be subdued and easily manipulated by religions of the world This book is written for all who want to know the true God of the Bible and not the one that many confused religions would have you believe and accept Please prepare to have your beliefs turned around with what the Bible has to really say and not that of religions with an agenda Men are experts at shaping our minds and persuading us what to believe the Bible is different in its approach as you will discover Prepare to be shocked at the real truth of the Bible because the real truth is totally different from anything you have been taught in religion You may not want to accept what you find but after a while you might just see the scales falling from your eyes Take the journey to a place you have never visited and find out what your true destination will be Prepare to have your Bible thinking changed forever Please also take time to read his screenplay *The Trial of Jesus* a very different take on the crucifixion and the events leading up to it **Jehovah's Witnesses, Help for Those Seeking Truth**

Joseph Winters, 2015-12-08 An invaluable read for people who are feeling trapped and suppressed by one of the cleverest and subtlest organisations on earth today Jehovah's Witnesses without doubt are of the foremost preachers of the Kingdom message known throughout the world as zealous proclaimers of the Bible and its author Jehovah God The truth though ironically is that real truth is kept from them and they are not informed of terrible irregularities within their organisation and especially of a certain teaching revealed in chapter two of this book which is devastating to their foundational belief of 1914 This work is different in that it does not condemn but is only interested in helping those held captive by a father like figure they don't really know one who hides his misdemeanours from his children with great stealth and cunning Any Witness of Jehovah who reads this work will be shocked and sickened at what they discover If you're still a Witness after reading this the very best of luck to you Please also read his new screenplay *The Trial of Jesus* and be prepared for something very different indeed **Knock, Knock** Ruth Baker, 2007-10 In her breakthrough book *Knock Knock Shedding Light on Jehovah's Witnesses* at the door born again author Ruth Baker uses her twenty years of experience as a Jehovah's Witness to unveil the mystery of this obscure cult This shocking testimony will not only equip Christians to properly protect themselves their families and friends from the unseen forces of darkness but will also challenged them to boldly defend the truth with confidence and love This book is an essential weapon in preparing for the next *Knock Knock*
