For 1-2 players

Jenga

TETRIS

CONTENTS
47 Jenga® Tetris® blocks

BUILD THE TOWER

All players set up the tower together by stacking the blocks. Don't worry, if there are gaps, no Jenga® Tetris® gaps are okay! Try to alternate the direction of the blocks by level. Your tower could look like this:

Now you're ready to play.

HOW TO PLAY

1 On your turn, remove a block from anywhere in the tower below the highest level. You may rotate the block to find a better one. (Use only one hand.) Place the block on the highest level of the tower.

• If you can't place the block successfully, you may start a new level. Or you may place the block one level down.

2 **GOALS, PLUS!** If you complete a level as it's added, with no gaps, you earn the right to choose the next player (in multiplayer games).

3 Wait a few seconds after you place the block.

- If the tower stands, the next player takes a turn.
- If the tower crashes, you are out. The remaining players rebuild the tower and play continues.

HOW TO WIN

Be the last person left in the game!

MORE TO KNOW

- If you are playing solo, compete against yourself by trying to beat your highest tower.
- It's possible that a second block might come out when you pull your ultimate block. Simply place both blocks at the top of the tower.
