Jesus A Revolutionary Biography:

Jesus John Dominic Crossan, 1994 This is an outstanding book both popular and intelligent Accessible language and direct dramatic narration a compelling portrait of Jesus Publishers Weekly A portrait that both takes in the contemporary background and yet accounts for Jesus distinctiveness New York Times Book Review Photos **Jesus** John Dominic Crossan, 1994 John Dominic Crossan widely regarded as the leading authority on the words and life of Jesus cuts through the minutiae and arcane research of much biblical scholarship to present the best possible historical depiction of Jesus the man and his message In elegant prose marked by startling revelations Crossan presents Jesus as a social revolutionary who preached and practiced a message of radical egalitarianism The Jesus portrayed by Crossan is a savvy and courageous Jewish Mediterranean peasant who challenged the sacrosanct social rules regarding class gender and status What emerges from this stunning biography is a vision of Jesus as a Jewish Socratic philosopher and political agitator who gave voice to those who had never been heard and love to the most cast out members of society He proclaimed in thought and action that all may participate in the rule of God **The John Dominic Crossan Essential Set** John Dominic Crossan, 2014-04-15 The eBook collection of four complete works by bestselling author and leading historical Jesus scholar John Dominic Crossan including Jesus A Revolutionary Biography The Birth of Christianity The Power of Parable and The Greatest Prayer **The Historical**

Jesus John Dominic Crossan, 1991 The Historical Jesus reveals the true Jesus who he was what he did what he said It opens with The Gospel of Jesus Crossan s studied determination of Jesus actual words and actions stripped of any subsequent additions and placed in a capsule account of his life story The Jesus who emerges is a savvy and courageous Jewish Mediterranean peasant a radical social revolutionary with a rhapsodic vision of economic political and religious egalitarianism and a social program for creating it The conventional wisdom of critical historical scholarship has long held that too little is known about the historical Jesus to say definitively much more than that he lived and had a tremendous impact on his followers There were always historians who said it could not be done because of historical problems writes Crossan There were always theologians who said it should not be done because of theological objections And there were always scholars who said the former when they meant the latter With this ground breaking work John Dominic Crossan emphatically sweeps these notions aside He demonstrates that Jesus is actually one of the best documented figures in ancient history the challenge is the complexity of the sources The vivid portrayal of Jesus that emerges from Crossan s unique methodology combines the complementary disciplines of social anthropology Greco Roman history and the literary analysis of specific pronouncements anecdotes confessions and interpretations involving Jesus All three levels cooperate equally and fully in an effective synthesis that provides the most definitive presentation of the historical Jesus yet attained *Who is Jesus?* John Dominic Crossan, Richard G. Watts, 1999-01-01 This fascinating book makes the results of a lifetime of scholarship readily available to nonspecialists who want to meet the historical Jesus Eminent biblical scholar John Dominic Crossan

collaborates with pastor Richard G Watts to rediscover the life the work and the message of the Man from Galilee The Greatest Prayer John Dominic Crossan,2010-09-07 Every Sunday the Lord s Prayer echoes in churches around the world It is an indisputable principle of Christian faith It is the way Jesus taught his followers to pray and distills the most essential beliefs required of every one of the world s 2 5 billion Christians In The Greatest Prayer our foremost Jesus scholar explores this foundational prayer line by line for the richest and fullest understanding of a prayer every Christian knows by heart An expert on the historical Jesus Crossan provides just the right amount of history scholarship and detail for us to rediscover why this seemingly simple prayer sparked a revolution Addressing issues of God s will for us and our response our responsibilities to one another and to the earth the theology of our daily bread the moral responsibilities that come with money our nation states and God s kingdom Crossan reveals the enduring meaning and universal significance of the only prayer Jesus ever taught **The Essential Jesus** John Dominic Crossan,2008-03-01 After his definitive The Historical Jesus John Dominic Crossan delivered Jesus A Revolutionary Biography a popularized bestselling account of what we can know about the life of Jesus Here he offers the core of his life s work a concise and astonishing presentation of the authentic teachings and earliest images of the revolutionary Galilean sage Crossan s fresh translations of Jesus sayings show Jesus to be a teacher whose radical message that all are equal before God is as timely today as it was two thousand years ago This picture is dramatically confirmed by the preConstantinian Christian renderings of Jesus which show that he was remembered by the first Christians not as God but as a revolutionary healer and leader JESUS THE REVOLUTIONARY H.S. VIGEVENO,1966 The Decline and Fall of Sacred Scripture: How the Bible Became a Secular Book Scott Hahn,Benjamin Wiker,2021-05-07 What is wrong with Scripture scholarship today Why is it that the last place one should go to study the Bible is a biblical studies program at virtually any university Why are so many faithful priests and pastors and the people in their pews unaware of the centuries long effort to turn the sacred Word of God into just another secular text In The Decline and Fall of Sacred Scripture How the Bible Became a Secular Book authors Scott Hahn and Benjamin Wiker trace the various malformations of Scripture scholarship that have led to a devastating loss of trust in the inspired Word of God From the Reformation to the Enlightenment and beyond Hahn and Wiker sketch the revolutions and radical figures that led to the emergence of the historical critical method and the pervasive ill effects that are still being felt today **The Once and Future Jesus** Robert Walter Funk,John Dominic Crossan,Marcus J. Borg,2000 The Once and Future Jesus by John Shelby Spong 2000 **T&T Clark Handbook of Political Theology** Rubén Rosario Rodríguez,2019-10-03 The T and the contributors then build on previously discussed historical resources and methods to engage with contemporary issues and challenges emphasizing interreligious dialogue even while addressing concerns of relevance to a particular faith tradition The volume concludes with three essays that look at the future of political theology from the perspective of each Abrahamic religion Complete with select bibliographies for each topic this companion features the most current overview of political

theology that will reach a broader global audience of students and scholars **God the Revealed** Michael

Welker,2013-12-14 God revealed himself in Jesus Christ Christian faith has confessed and proclaimed this message for nearly two thousand years But what does it really mean In **God the Revealed** Michael Welker delves into this declaration and shows how it offers genuine insight into Christian faith He asks Who is Jesus Christ for us today and approaches the answer from five different angles the historical Jesus the resurrection the cross the reign of Christ and eschatology Uniquely Welker argues for the need to place historical Jesus research in a Christology and proposes a Fourth Quest for the historical Jesus

The Sermon on the Mount Elias Chacour,2025-02-14 This book provides the essential meaning of the teachings of the Sermon on the Mount how these teachings spoke directly to Jesus listeners and then moves directly to how these teachings of Jesus have relevance for people today The context of the teaching in Israel Palestine is provided with an introduction to the life and mission of Jesus The Sermon on the Mount is identified as the life calling of the Christian and the way that a contemporary reader can sense and learn the will of God There are examples of how Jesus taught the teachings of the Sermon to assist people in applying these universal teachings not only to their personal lives but also to their setting with layered governments such as the Roman and Jewish and how the teachings speak to issues of social justice poverty and illness Included in the book are those who shared with Jesus the mission of assisting people to the identification of the pathway to life lived in the presence of God The Word of God for the People of God J. Todd Billings,2010 This book fills a

real need for pastors and students Though there is currently a large body of material on the theological interpretation of Scripture most of it is highly specific and extremely technical J Todd Billings here provides a straightforward entryway for students and pastors to understand why theological interpretation matters and how it can be done A solid constructive theological work The Word of God for the People of God presents a distinctive Trinitarian participatory approach toward reading Scripture as the church Billings s accessible yet substantial argument for a theological hermeneutic is rooted in a historic vision of the practice of scriptural interpretation even as it engages a wide range of contemporary issues and includes several exegetical examples that apply to concrete Christian ministry situations Invitation to Theology Michael

Jenkins,2015-07-18 Are you intimidated by theology Confused Bored Michael Jenkins knows it doesn t have to be that way Theology is our critical and prayerful reflection on the totality of life he writes We all do theology on a regular basis whether or not we are conscious of the fact In Invitation to Theology Jenkins offers a knowledgeable helpful and caring guide to walk you through the basics of the Christian faith Following the pattern of the ancient summary of the Christian faith the Apostles Creed Jenkins highlights the key doctrines of God Jesus Christ the Holy Spirit humanity church salvation and resurrection He cuts a clear path through theological terms traditions and debates And in the spirit of C S Lewis he invites you to consider some of the most profound reflections from the distant past to the present day on Christian belief Throughout this fascinating journey the main road is always kept in view The meaning and shape of our life together as a community of persons is

grounded in the inner life of God the Trinity and has been revealed to us in the life death and resurrection of Jesus Christ If you are eager to think about your faith to examine what and why you believe and to reflect on how such faith can be lived out in our world Invitation to Theology is the book for you The Gospel of Thomas and Christian Origins Stephen J. Patterson,2013-07-25 The essays collected in The Gospel of Thomas and Christian Origins offer a series new chapters in the history of Christianity s first century Stephen J Patterson whose work on the Gospel of Thomas has circulated widely for more than two decades argues that taking this new source seriously will require rethinking a number of basic issues including the assumed apocalyptic origins of early Christian faith the supposed centrality of Jesus death and resurrection and the role of Platonism in formulation of both orthodox and heterodox Christian theology **Death, Where Is Your Sting?** Robert Reiss,2021-07-31 Death Where Is Your Sting is about both the process of dying and the question of what if anything happens after death Robert Reiss knows the answers to his questions have eluded philosophers and theologians past but he gives a compelling argument as to why we should continue to ask the question in light of new evidence from neuroscience and new interpretations of the New Testament Paying close attention to the contested issue of assisted dying Reiss shows that questions of life after death are not only eternal but urgent as lawmakers continue to use religion and religious ethics as a guide **God's Gym** Stephen D. Moore,1996 In this strikingly original work Stephen Moore considers God s male bodies the body of Yahweh in the Hebrew Bible and the Father of Jesus Christ and Jesus himself in the New Testament and our obsessive earthly quest for a perfect human form God s Gym is about divinity physical pain and the visions of male perfectability Weaving together his obsession with human anatomy and dissection an interest in the technologies of torture the cult of physical culture and an expert knowledge of biblical criticism Moore explains the male narcissism at the heart of the biblical God God s Gym is an intensely personal book brimming with our culture s phobias and fascinations about male perfectability *Living Wisely and Well in the Evening of Life* Duncan S. Ferguson,2024-03-29 Living Wisely and Well in the Evening of Life addresses the increasing difficulty of those in our culture who are in the evening of life who must manage a rapidly changing society and a new world being born almost daily There are several dimensions of life which have become especially difficult for those in this position including loneliness the sense of being set aside in a changing culture the cost of medical care the deep conflicts in our political life and the increasing sense of not being able to cope Deep universal values articulated by the apostle Paul in his letter to the Corinthian church must be claimed and internalized Paul artfully guides those from this church in a complex setting by suggesting a more excellent way in which to live with complexity and challenge Then and now we need to cultivate a thoughtful and credible faith in our mature years second we must sustain the well founded hope rooted in our faith in a loving God especially necessary in the evening of life In keeping with the teaching of Jesus we should make unconditional love the central value in life It is possible to flourish in the evening of life undergirded by faith hope and love **Sanctified Aggression** Jonneke Bekkenkamp,Yvonne Sherwood,2004-06-01 Sanctified Aggression

allies itself neither with the easy assumption that religions are by definition violent and that only the secular humanist humane can offer a place of refuge from the ravages of religious authority nor with the equally facile opposing view that religion expresses the best of human aspirations and that this best is always capable of diffusing or sublating the worst. Rather it works from the premise that biblical Jewish and Christian vocabularies continue to resonate inspire and misfire. Some of the essays here explore how these vocabularies and symbols have influenced or resonate with events such as the massacre of Jews in Jedwabne Poland 1941 the Rwandan Massacre 1994 the tragedy at Columbine High School 1999 and the emergence of the Phineas Priesthood of white supremacists in North America. Other contributors examine how themes of martyrology sacrifice and the messianic continue to circulate and mutate in literature music drama and film. The collective conclusion is that it is not possible to control biblical and religious violence by simply identifying canonical trouble spots then fencing them off with barbed wire or holding peace summits around them. Nor is it always possible to draw clear lines between problem and non problem texts witnesses and perpetrators victims and aggressors or reality and art.
