Jesus And The Intellectual:

Jesus and the Intellectual Bill Bright, 1968 **Logic and the Way of Jesus** Travis Dickinson, 2022-02-15 The major claim of Dickinson's work is that if we embrace the life of the Christian mind we can impact this world for the cause and kingdom of Christ **Judge Harley and His Boys** John Lancaster, 2002 **Interpreter: A Journal of Mormon Scripture, Volume 24 (2017)** Daniel C. Peterson, 2017-06-26 This is volume 24 of Interpreter A Journal of Mormon Scripture published by The Interpreter Foundation It contains articles on a variety of topics including Looking Back Almost Five Years On Deuteronomy 17 14 20 as Criteria for Book of Mormon Kingship Meeting Zoram Seers and Stones The Translation of the Book of Mormon as Divine Visions of an Old Time Seer Bare Record The Nephite Archivist The Record of Records and the Book of Mormon Provenance and By the Blood Ye Are Sanctified The Symbolic Salvific Interrelated Additive Retrospective and Anticipatory Nature of the Ordinances of Spiritual Rebirth in John 3 and Moses 6 Mothers and Food: Negotiating Foodways from Maternal Perspectives Pasche Florence Guignard, 2016-03-01 From multidisciplinary perspectives this volume explores the roles mothers play in the producing purchasing preparing and serving of food to their own families and to their communities in a variety of contexts By examining cultural representations of the relationships between feeding and parenting in diverse media and situations these contributions highlight the tensions in which mothers get entangled They show mothers agency or lack thereof in negotiating the environmental material and economic reality of their feeding care work while upholding other ideals of taste nutrition health and fitness shaped by cultural norms The contributors to Mothers and Food go beyond the normative discourses of health and nutrition experts and beyond the idealistic images that are part of marketing strategies They explore what really drives mothers to maintain or change their family's foodways for better or for worse paying a particular attention to how this shapes their maternal identity Questioning the motto according to which people are what they eat the chapters in this volume show that mothers cannot be categorized simply by how they feed themselves and their family The Lutheran Quarterly , 1880 **Intellectuals Don't Need God and Other Modern Myths** Alister E. McGrath, 2010-12-21 Rethinking Effective Apologetics for the Present Age Christians have always had to defend their faith against all kinds of criticism and misunderstandings but these attacks change overtime and the strongest arguments of the famous classical apologists who preceded us are not necessarily the strongest today Intellectuals Don't Need God is written to today's faithful apologists who are trying to commend Christianity in terms of its relevance to everyday life and not just its inherent rationality Its focuses are Understanding and overcoming the barriers of faith in today's culture Presenting the points of contact between daily life and spiritual longing Demonstrating the apologetics of today in action Theologian and scientist Dr Alister McGrath author of the ECPA 2014 Christian Book Award Winning biography of C S Lewis shows convincingly that appeal to reason is only one of many possible bridges between the non Christian and the gospel In today's world cerebral and emotional concerns such as a sense that life lacks purpose or a deep sense of longing for

something unknown are often more effective starting points for modern apologetics Dr McGrath combines the clarity of a brilliant scientific mind with a deep commitment to Christ and to reaching non Christians Intellectuals Don t Need God is for apologists and seekers alike for both those defending and questioning the validity and value of Christianity **Inerrancy and the Gospels** Vern S. Poythress,2012-10-31 Serious Bible readers all recognize that there are differences between accounts of the same events in Matthew Mark Luke and John and no responsible reader can simply sweep these differences under the rug But can all of the accounts still be reconciled with a belief in biblical inerrancy Responding to the questions surrounding the gospel narratives New Testament scholar Vern Poythress contributes a worthy case for inerrancy in the gospels and helps readers understand basic principles for harmonization He also tackles some of the most complicated exegetical problems showing the way forward on passages that have perplexed many such as the centurion s servant the cursing of the fig tree and more All those interested in the authority of Scripture will find in this volume great encouragement and insight as Poythress has provided an arresting case to stem the tide of skepticism *Toward the Understanding of Jesus* Vladimir Grigorievitch Simkhovitch,1921 **Toward the Understanding of Jesus** Vladimir Gregorievitch Simkhovitch,1925 **Quarterly Review of the Evangelical Lutheran Church** ,1880 *Jesus, the Gospels, and the Galilean Crisis* Tucker S. Ferda,2018-12-27 Tucker S Ferda examines the theory of the Galilean crisis the notion that the historical Jesus himself had grappled with the failure of his mission to Israel While this theory has been neglected since the 19th century due to research moving to consider the response of the early church to the rejection of the gospel Ferda now provides fresh insight on Jesus own potential crisis of faith Ferda begins by reconstructing the origin of the crisis theory expanding upon histories of New Testament research and considering the contributions made before Hermann Samuel Reimarus He shows how the crisis theory was shaped by earlier and so called pre critical gospel interpretation and examines how despite the claims of modern scholarship the logic of the crisis theory is still a part of current debate Finally Ferda argues that while the crisis theory is a failed hypothesis its suggestions on early success and growing opposition in the ministry as well as its claim that Jesus met and responded to disappointing cases of rejection should be revisited This book resurrects key historical aspects of the crisis theory for contemporary scholarship The Homiletic Review ,1899

Preacher and Homiletic Monthly ,1910 *Metropolitan Pulpit and Homiletic Monthly* ,1908 **Justification and the Kingdom of God, Volume Three** Paul Chul Hong Kang,2025-02-20 The Justification and Kingdom of God series seeks to answer the question How can justified Christians in Jesus bear the fruit of faith reflecting growth in God s image To address this the series helps readers understand what happens to the image bearers of God in Adam or in Jesus Christ This reveals the deeper meaning of the gospel and the restoration of God s image uncovering hidden treasures Now the challenge is whether the reader will accept these treasures The Kingdom of Faith asks a significant question What is the highest goal of your life The Bible teaches that this goal is the growth of God s image within humanity a promise that has never failed A life

conformed to the image of Jesus Christ brings great joy to humanity's Heavenly Father and glorifies him. Such a life invites the help of the Holy Spirit and carries eternal value in Jesus. This book encourages readers to see earthly life as a precious opportunity to think, speak, and live in a way that loves God and one's neighbor by faith. This reminds readers that Our Father does far more abundantly than all that we ask or think according to the power that works within us. **Tackling the Toughies** Dale "Bud" Brauer, 2023-02-09 As Christians we are often presented with questions that the Bible doesn't give clear cut answers to but with a little searching and a little thinking outside the box we can postulate fairly accurate answers. This book is a collection of subjects that often frustrate or confuse Christians with thoughts and insights into what the Bible says about them. If you've ever had questions about heaven or hell about marriage or divorce about sin and its origin or why we suffer you may find answers here. What happened to Cain after leaving Adam and Eve? How do we reconcile dinosaurs and the creation account? Is there life beyond our planet? Whether it is an issue of a personal nature or a larger extrapersonal issue we have gathered insights into one book for your convenience. Each issue in this book could be a book in itself and many books have been written on some of these subjects but our aim is to give you one source with insights and a biblical basis for these issues. The above issues and more can be found inside for your reading pleasure and edification. *Philosophers in Conversation* S.
