Jesus And The Living Past:

Jesus and the Living Past Michael Ramsey, 1980 LIVING THE LAST WORDS OF JESUS ("YOU SHALL BE MY WITNESSES") Michael Bussen, 2023-10-13 Living the last words of Jesus is about essential effective and easy or at least easier evangelism for every Christian including us introverts This book seeks to help followers of Jesus become ongoingly good and faithful and fruitful witnesses for Jesus making Him and all in heaven happier and happier as in Luke 15 Also reaching more and more lost souls will bring eternal joys to them and more happiness to you as well as we enter into the joyful heavenly rewards of our wonderful Savior God So hopefully this book helps to make everybody it touches happier especially the Lord MODERN TIMES AND THE LIVING PAST HENRY W. ELSON, A.M., LTT.D., 1921 *The bride of Jesus ... in the last days ... Before the wedding* Eva-Maria Klothmann, 2025-08-21 Many Christians today no longer expect the return of Jesus and therefore live without the promised living hope of the Gospel Their focus is only on this world and how it can be improved A lack of knowledge of the Word of God and centuries of false teaching have obscured the view of the unique position of the church as the bride of Christ From the abundance of biblical statements the author demonstrates the richness of the inheritance of the children of God Focused on this divine goal it fundamentally changes life as a follower of Jesus Filled with inexpressible joy and gratitude it renews above all the first love for the one who has acquired this inheritance for his bride The Lord Jesus Christ *Modern Times and the Living Past* Henry William Elson, 1921 The Christian's Guide to Living in the Last Days Vol.2 Billy Crone, 2019-01-03 It s not enough to just know we re living in the Last Days the point is to do something about it We are to take this prophetic information and redeem the time by living for Jesus and telling as many people as we can about Him so they can be saved before it s too late Time is simply running out The problem is most Christians are distracted disinterested or flat out apathetic making no difference for Jesus in these Last Days On top of that their countenance is a bad walking advertisement for Jesus Therefore this book *The Christian s Guide to Living in the Last Days Vol 2* seeks to equip you the reader with pivotal keys that are absolutely crucial if we re ever going to have that life changing walk with Jesus in these final hours Here you will learn such insights as *The Dangers of a Misplaced Mind* *The Dangers of a Misplaced Lifestyle* *Focus Attitude Behavior Understanding and Posture* Turn your walk and witness around for Jesus before it s too late LIVING IN THE LAST DAYS Carol McCormick, 2022-02-09 LIVING IN THE LAST DAYS An in depth look at Bible prophecy current events and how they relate to you unpacks the book of Revelation and other end time prophecies In this book you will discover the possible meanings of symbols the identity of the two witnesses profiles of the Antichrist and the false prophet what the Mark of the Beast could be and how it may be enforced the Second Coming of Christ at the battle of Armageddon and much more You will also see how modern technology widespread pandemics and world leaders are setting the stage for prophecy to be fulfilled Throughout this book the Bible is used to interpret itself to unravel the timeline and tie it together with current events to prove that we are truly Living in the Last Days before Christ

returns If Bible prophecy is new to you this book will fill in some of the blanks and help you understand and prepare for these events If you are knowledgeable of end time prophecies you may also find new things to explore

READERS FAVORITE BOOK REVIEW by Leonard William Smuts 5 Stars *Living in the Last Days* is an in depth analysis of the Christian Bible on the subject backed by considerable research and some fresh interpretations of the scriptures Internationally acclaimed author Carol McCormick underlines the traditional wisdom of Christian teachings while relating them to present worldwide political and spiritual trends The rise of the Antichrist and the Mark of the Beast are dealt with in detail with new insights provided The information regarding The Great Reset and its agenda is a significant departure from the conventional approach to End Times predictions This is highly relevant as digital technology smart bank cards and a host of electronic devices already enable intrusive surveillance and allow the tracking and control of individuals Further danger threatens in the form of a one world government a single world currency and combined religions which will undermine traditional Christian beliefs and suppress opposition These modern phenomena are compared to biblical predictions and a remarkable match is apparent sounding an early warning of troubled times ahead Christians will have to stand by their beliefs and preparation is essential The book is aimed at a wider audience than practicing Christians and the author reminds readers that it is for all people particularly the lost

Are We Living in the Last Days? Bryan Chapell, 2024-02-06 Will Jesus's return be preceded by a single world government Will every person have a government issued ID or mark Does Christ return once or twice Will believers go through a Great Tribulation Will there be a literal battle of Armageddon Does it even matter what we believe about future events Biblical prophecies about the end times have confused confounded and even divided God's people for centuries But the reason Scripture gives us hints about the future is to provide the encouragement we need to endure the present confident that God keeps his promises In this balanced look at four major views of the end times bestselling author Bryan Chapell explains the primary ways Christians have interpreted biblical prophecy about the last days not so that we might pick a hill to die on but so that we can cling to what unites us in Christ No matter what end times view we find most compelling in God's plans we can find strength for today and hope for tomorrow

Living in the Family of Jesus William Longgar, 2016 With its myriad people groups Melanesia has much to teach the rest of the world about what happens when Christ encounters local culture This collection begins with a look at specific case studies of the Gospel's encounter with local culture in Melanesia itself before turning to broader themes particularly raised by the Melanesian context Case studies from Asia and the wider Pacific then throw further light on the incarnational process of encounter demonstrating that there is much for the rest of the world to learn from the Melanesian experience The book concludes with some penetrating analyses of the dynamics at work when the Gospel encounters human cultures for the first time The process of critical contextualization of the Gospel is never complete and is inevitably the product of conversation and experimentation As such it is a communal process This set of essays models one such conversation while at the same time enabling the rest of the

Wilson,1998-06-01 This book describes several aspects of contemporary culture that create both opportunities and threats to Christian mission It offers insights and practices that the church today must embrace in order to live faithfully and witness effectively to the gospel Following a presentation of the church s history in relation to Western culture several chapters draw upon specific suggestions in Alasdair MacIntyre s *After Virtue* that we live in a fragmented rather than a pluralistic world how the church has compromised its faithfulness by accommodating the mainstream of morality implications stemming from the collapse of the Enlightenment project and the need for a new monasticism together with forms the life of the church must take to sustain a faithful witness in contemporary culture Jonathan R Wilson is Associate Professor of Systematic Theology and Chair of the Department of Religious Studies Westmont College Santa Barbara CA and the author of *Theology as Cultural Critique*

Christ and the Spirit Ralph Del Colle,1994 This is a study of Spirit Christology a contemporary theological model of the relationship between Jesus Christ and the Holy Spirit Del Colle measures this christological model against trinitarian theology and tests its viability He investigates in particular the development of a Roman Catholic Spirit Christology which has arisen from within the modern neo scholastic theological tradition Contrary to other interpreters Del Colle argues that an incarnational christology and a Spirit Christology are not conflicting but complementary and that this is recognized by the older and deeper tradition In conclusion he seeks to demonstrate the productivity of the Spirit Christological model in reference to three major areas of concern for contemporary systematic theology cultural pluralism and diversity emancipation and social praxis and inter religious dialogue **Seven Laws of Living for peace, purpose and prosperity** L.J. A Dictionary of Christ and the Gospels James Hastings,2004-10 The purpose of this dictionary is to give an account of everything that relates to Christ His Person Life Work and Teaching It is in a sense complementary to the Dictionary of the Bible in which of course Christ has a great place But a dictionary of the Bible being occupied mainly with things biographical historical geographical or antiquarian does not give attention to the things of Christ sufficient for the needs of the preacher to whom Christ is everything This is first of all a preacher s dictionary The authors of the articles have been carefully chosen from among those scholars who are or have been themselves preachers And even when the articles have the same titles as articles in the Dictionary of the Bible they are written by new men and from a new standpoint It is thus a work which is quite distinct from and altogether independent of the Dictionary of the Bible It is called a Dictionary of Christ and the Gospels because it includes everything that the Gospels contain whether directly related to Christ or not Its range however is far greater than that of the Gospels It seeks to cover all that relates to Christ throughout the Bible and in the life and literature of the world There will be articles on the Patristic estimate of Jesus the Medieval estimate the Reformation and Modern estimates There will be articles on Christ in the Jewish writings and in the Muslim literature Much attention has been given to modern thought whether Christian or anti Christian Every aspect of modern life in so far as it touches or is touched by Christ is described under its proper title James Hastings 1852 1922 was a distinguished scholar and pastor He was founder and editor of the Expository Times and is also well known for editing the five volume Dictionary of the Bible as well as the Encyclopaedia of Religion and Ethics the Dictionary of Christ and the Gospels and the Dictionary of the Apostolic Church
