Shapeholders Mark R. Kennedy, 2017-05-09 Today all it takes is one organizational misstep to sink a company's reputation Social media can be a strict ethical enforcer with the power to convince thousands to boycott products and services Executives are stuck on appeasing stakeholders shareholders employees and consumers but they ignore shapeholders regulators the media and social and political activists who have no stake in a company but will work hard to curb what they see as bad business practices And they do so at their own peril In Shapeholders Business Success in the Age of Activism former congressman Fortune 500 executive and university president Mark Kennedy argues that shapeholders as much as stakeholders have significant power to determine a company's risks and opportunities if not its survival Many international multi-billion dollar corporations fail to anticipate activism and they flounder on first contact Kennedy zeroes in on the different languages that shapeholders and companies speak and their contrasting metrics for what constitutes acceptable business practice Executives he argues must be visionaries who find profitable and probable collaborations to diffuse political tensions Kennedy's decision matrix helps corporations align their business practices with shapeholder interests anticipate their demands and assess changing moral standards so that together they can plan a profitable route forward

Jesus and Mary's Plant-based Diet Impacting Climate Change James C. Tibbetts, 2015-11-03 Global warming or Climate Change is the biggest problem human civilization has ever faced There are three main divisions in Climate change Industrial pollution Car pollution and Animal pollution People are choosing to eat 70 billion animals every year which is at least 30%% of the problem One study states all the factors add up to 51%% of the problem with animals for food The obvious solution is a plant-based diet Jesus and Mary were kosher vegetarians The biblical historical and scientific

evidence is summarized showing that they were vegetarians They are models to follow since major change is needed in the area of food people eat which affects climate change **My Jesus Journal** Teresa Dryden,2021-10-05 Inside you will find a daily journal of the author talking to Jesus so eloquently and so vividly She has a strong faith and you can feel it as you read this journal Her whole heart is believing in Jesus and the magnificent power He possesses As you read each excerpt you can tell that she puts God first in her life and that Jesus is the one she turns to to solve all problems in her life She knows there is no other name like Jesus Jesus v. Evangelicals Constantine R. Campbell,2023-01-17 American evangelicalism is at a crisis point The naked grasping at political power at the expense of moral credibility has revealed a movement in disarray Evangelicals are now faced with a quandary will they double down and continue along this perilous path or will they stop reflect and change course And while support of Donald Trump has produced the tipping point of the evangelical crisis it is not by any means its only problem Evangelicals claim the Bible as the supreme authority in matters of faith But in reality it is particular readings of the Bible that govern evangelical faith Some evangelical readings of the Bible can be highly selective They distort the Bible s teaching in crucial ways and often lead evangelicals to misguided attempts to relate to the world around them Many Christians who once self professed as evangelicals can no longer use the term of themselves because of what it has come to represent power mongering divisiveness judgementalism hypocrisy pride greed Some leave not just evangelicalism but Christianity for good Jesus v Evangelicals is an insider s critique of the evangelical movement according to its own rules Since evangelicals regard themselves governed by the Bible biblical scholar Constantine Campbell engages the Bible to critique evangelicals and to call out the problems within the contemporary evangelical movement By revealing evangelical distortions of the Bible this book seeks to restore the dignity of the Christian faith and to renew public interest in Jesus while calling evangelicals back to his teaching Constantine Campbell appeals to evangelicals to break free from the grid that has distorted their understanding of the Bible and to restore public respect for Christianity in spite of its misrepresentations by the evangelical church *Jesus, Jacinto, and Granny's Bottom* Brenda Duncan Johns,2013-04 When I was fifteen years old I married the boy that I had fallen in love with when I was just thirteen Gerald was the only boy I ever truly loved and after we married we had to leave our little ghost town of Jacinto and move to Kenosha Wisconsin to make a living I had never been more than twenty five miles from home until then My parents raised me in the Methodist religion but after moving to Kenosha I quit church completely and went deep into sin The nightlife in the juke joints really got a hold of me and I was lured into a life I never thought I d live I found out that that kind of life only leads to despair and heartbreak and I began to wonder if God was real Would He help a poor sinner like me What life had in store for me proved that God is real and that He gave his only son Jesus so that I could have everlasting life On my journey to find this truth I ve seen the good the bad and the ugly in religion I ve seen false prophets cults and self loving preachers Come walk with me on my journey I think in the end you will have to agree with an old Baptist preacher who once said I do believe that old gal is real

[Hey, Jesus, It's Me](#) Ellen Skrmetti, 2024-09-17 Instagram star and comedian Ellen Skrmetti shares stories behind her wildly popular Hey Jesus It's Me sketches of a middle-aged southern woman's opinions on mamas, menopause, and menus, and on giving the Lord a bit of advice about those unspoken prayer requests. As a young girl, Ellen Skrmetti loved performing. She starred in plays, sang in the church choir, and even competed in the Miss Mississippi pageant. But backstage at the pageant, she was gripped by severe stage fright and made a deal with God: "If you help me get through this, I will never ever get onstage again." After successfully hitting the high note in Adelaide's Lament from the musical Guys and Dolls, she packed up her drama clothes for good, or so she thought. When the pandemic hit, Ellen longed to bring a little joy to the dark struggles the world was facing. She thought about all of times she'd asked Jesus to walk with her through pain and heartache and how often He'd laughed with or comforted her, even during her blazing hot flashes. So she decided to share that message with others in 30-second videos on Instagram that quickly went viral. Holding a remote control in her hand, Ellen calls Jesus with comments and questions, including asking Him not to make her an advance maternal age mama again and if He could bless the nourishment of her food to someone else's body. She also asks for advice

when her best friend's ex husband's new wife shows up in the next pew or what nursing home plans to make when she's eight years past your first geriatric pregnancy From a pageant queen with stage fright to viral videos to her growing popularity as a stand up comedian with sold out performances Ellen's humor is rooted in southern charm and culture Her relatable stories in Hey Jesus It's Me will bring levity to our lives or at least some validation that we're not the only ones asking if we can ghost our relatives in heaven
