It draws on the wide experience of the clergy who belong to the General Synod with contributions from the House of Bishops and the House of Laity. The Guidelines are offered as a means of sharing the fruits of accrued wisdom and experience with colleagues especially those beginning a new life as ordained ministers and with all engaged in the mission and ministry of the Church. Walk with Jesus Christ, the Truth IV' 2008 Ed. (maturing in Jesus Christ), **The Encyclicals of John Paul II** Richard A. Spinello, 2016-12-08

Pope John Paul II was the second longest serving pope in history and the longest serving pope of the last century. His presence was influential not only to Catholics but also throughout the world. The Encyclicals of John Paul II is the first book to focus in depth on the pope's fourteen encyclicals through which he communicated many of the key themes of his papacy. The first part of the book includes helpful background information: a brief biographical sketch of John Paul II's life, his intellectual formation and central theological themes of his papacy including some of the major controversies of the 20th century. The first section of the book also provides invaluable background on the nature of an encyclical including the history of this papal document. The second part of the book provides a thorough commentary on these encyclicals. The encyclicals are grouped by theme, introduced individually and analyzed to trace broad themes through John Paul II's work and theology. The Encyclicals of John Paul II provides an important discussion of these key documents from John Paul II's papacy.
