Mona Hadeed, 2013-10 About the Book The Healing Desert In the Sands of Time As a cancer survivor I can tell you that I would not be where I am today without my deep faith in the power of the almighty God Along with my personal story of healing and spiritual development I have tried to put my feelings into poems and I pray that you will be able to capture the messages in between knowing that our God never fails us Too often we are crushed broken and spilled out and we never understand why it's all happening Have you ever asked yourself the following Why do I suffer so much Why do I always have to carry a burden Yet Jesus promised Come to Me all who labour and are heavy laden and I will give you rest Matthew 11:28 The Healing Desert is here to show you how to develop your trust and faith in the Lord and how He is going to bring about positive change in your life Are you ready to receive a first hand account of God's miracles and wondrous works If your answer is yes then I encourage you to take a journey with me through this Healing Desert In the Sands of Time while we ponder this mystery Do I really know and understand God's love for me Tuesday October 8 2013 5:30 am Feast of St Denis Companions Martyrs I finished reading this book written by Mrs Mona Hadeed this morning I found the material compelling reading and at times it brought tears to my eyes This is a true story a very human story of Mona her life joys sorrows and struggles But with sound faith in God Mona overcame the impossible To God be all the Glory Fr Michael Hayden Parish Priest St Finbar's Roman Catholic Church **The Spirituality of Mother Teresa** Fr. Journeys to Albania: Land of Besa Kalman Dubov, 2024-02-18 Although tiny in comparison with other European countries Albania looms large in terms of its people culture and history Blessed by an abundance of natural resources together with the resourcefulness of its people it stands strong in the face of much larger countries that have tried to control it and subjugate its people In the face of overwhelming odds Albania stood firm refusing to be subdued to others despite that dominant country remaining on its soil for centuries Descendants from the ancient Illyrians a relatively unknown group together with an obscure language unlike any other in Europe its people are a mystery and a conundrum in the face of larger and more powerful countries The Ottoman Empire for example dominated Albania and the Balkans for five centuries but were unable to subjugate these people Albanian embers for independence were nurtured and kept alive until in the end it achieved its national aspirations Its core identity remained unchanged and strong in the face of such challenge Perhaps the most remarkable aspect of Albanian is the concept of besa a term denoting a code of honor Once given to another whether an Albanian or a stranger the Albanian would rather forfeit his life than violate this code and promise It was due to this concept and code that Jews in Albania were protected and every manner of succor was extended to them Albania remains the only country in Nazi occupied Europe when at the end of that world war there was an increase in its Jewish population rather than the reverse The Nazis considered the Jewish population in Albania to be about 200 persons In fact by war s end 2 000 people emerged relating tales of the extraordinary courage and heroism extended to them by either Muslim or Christian Albanians To date the State of Israel s Yad Vashem has recognized 75 Albanians for its prestigious award of Righteous Among the Nations Ironically the very same code of honor that protected Jews during World War Two is now used by Albanians to perpetrate criminality across the world The Albanian Mafia controls a vast international enterprise overseeing every form of

crime At its basest element the clannish hallmark of its membership is based on familial connections with the code of besa given to its leadership and other members Thereby all in the clan are considered family for whom the code connects and protects demanding total unquestioned obedience Efforts to infiltrate these clans has proven an impossible task because of the interconnected webs of duty and control exerted on all in that organization Betrayal of the clan is a violation of family and community so that total obedience is a given at all times Hence the same nobility of besa is also used negatively against society and normative social frameworks In addition Albania still retains the cultural phenomenon of the third sex where women become sworn virgins They are released from their traditional feminine role and become a man doing so by a formal oath given to twelve elders in the community Afterwards none may remind this man of a previous life as a woman Though the number of sworn virgins in Albania is small it is still present and any woman may assume this transformation despite modernity and its claims of equality The Albanian diet reflects its Mediterranean culture using olive oil and an array of vegetables that provides an abundance of health to its people There is much to learn from this ancient society I hope this book does justice to the many traditions and culture of this unique people      **Essays on Diverse Topics** Kalman

Dubov,2021-12-23 This revised and updated volume includes twenty two essays on timely topics The volume begins with topics on Judaism and Jewish Ideology the book reviews the multiplicity of languages Jewish people used throughout their history At last count these number 55 an amazing way to create a localized language for daily interaction rather than use Hebrew the sacred language reserved for prayer and study The brief review of Lurianic Kabbalah follows together with a discussion of human suffering The mystery of Ashkenazic Jewry follows offering a serious question to this dilemma What follows is an exposition on the Jewish law of mosur the informer and the many issues affecting sexual predation in ultra Orthodox Judaism both in the United States and Australia as in Israel The Cairo Genizah reviews how two Scottish sisters brought the Book of Ecclesiasticus to Cambridge and the vast treasure of Cairo brought to Cambridge and other universities to examine this ancient repository The issue of Apostate Rabbis follows discussing several rabbis who converted to Christianity I then discuss the Radhanites the mysterious group of super merchants who traveled from France to China and back for about 500 years centuries before Marco Polo I then discuss Chabad Messianism a topic of interest as Chabad expands its message across the globe Several topics follow Medieval Blood Libel the mystery of Jews in Sri Lanka today a minimal number but in earlier centuries numbering several thousand I then discuss several topics on the human condition essays designed to reflect on Man s ethical dilemma of life in the post World War Two era I then discuss the two original ideas regarding religion One of these is attributed to the Patriarch Abraham whose reflection on Deity and how to relate to spirituality predominates in the three great Western religions The other original thought is found in Hinduism reflecting an entirely different way to relate to Deity Because Hinduism is a Far Eastern phenomenon not readily accessible in the West I ve included an overview of Hinduism so that the Western and Jewish views can be appreciated A new topic reflect on the

Atrocity Soul and its counterpart reflecting of the Son of Darkness and the Son of Light each bringing messages one of despair and darkness and the other of hope and redemption While these persons may be religious it is not a primary matter to the Son of Light but their message of hope predominates I conclude the book with a discussion on Calculating Zero an advancement only made twice in human history in the New World by the Maya and by the ancient Mesopotamians Each of the essays and reviews reflects my understanding of these and other diverse topics Each essay provides grist for discussion and reflection *The Publishers Weekly* ,2008 **El Desierto De Curación** Mona Hadeed,2014-07-22 El Desierto de Curacin En las arenas del tiempo Como una sobreviviente del cncer le puedo decir que no sera donde soy hoy sin mi fe profunda en el poder de Dios omnipotente Junto con mi historia personal de curacin y desarrollo espiritual he tratado de poner mis sentimientos en poemas y rezo que sea capaz de capturar los mensajes entre sabiendo que Dios nunca nos falla Demasiado a menudo estamos aplastados rotos y derramaba y no entendemos por qu est sucediendo Has preguntado lo siguiente Por qu sufro tanto Qu debo llevar una carga siempre Pero Jess prometi Venid a m todos los que estis fatigados y sobrecargados y yo os aliviar Mateo 11 28 El Desierto de Curacin est aqu para mostrarle cmo desarrollar su confianza y fe en el Seor y cmo va a lograr un cambio positivo en su vida Est listo para recibir una cuenta de primera mano de milagros de Dios y trabajos maravillosos Si su respuesta es s entonces le animo a tomar un viaje conmigo a travs de este Desierto de Curacin En la arenas del tiempo mientras consideramos este misterio Realmente s y entiendo el amor de Dios por m Martes 8 de Octubre 2013 5 30 Banquete de S Denis y compaeros mrtires He terminado de leer este libro escrito por la Sra Mona Hadeed esta maana Me pareci que el material a ser convincente y a veces se le hizo saltar las lgrimas a mis ojos Esta es una historia real una historia muy humana de Mona su vida alegras tristezas y luchas Pero con una fe en Dios Mona ha superado el imposible A Dios sea la gloria El fraile Michael Hayden El sacerdote de la parroquia La Iglesia Catlica Romana de S Finbar Trinidad y Tobago [My Year With the Saints](#) Peter Celano,2020-12-01 May the Lord grant us all the hope of being saints Pope Francis recently shared this prayer with the world We can all become saints We just have to open our hearts and let God help us This book introduces a saint for each day of the year ordinary people who made the choice to love Jesus and give their lives to him These stories prayers and suggestions for becoming holy are designed with our needs and our lives in mind But this is not your ordinary Book of Saints Each day s reflection is designed to inspire and challenge you to become who God intends for you to become We can do this But we need the help of the saints *How Christian Are You?* Richard J. selection The prayers will help those hesitant about praying to use a format that encourages each person to make their own unique prayer to God **Jesus, Teach Us To Pray** Jerome Bertram, 2009-12-17 This e book can not be downloaded in Australia Great Britain and Ireland Teach us to Pray The disciples cry to Jesus has never been more topical In a fast moving hyperactive technology oriented world more and more people are trying to find meaning in their lives and to develop a living relationship with the Lord in prayer However they often find themselves at a loss to discover reliable guides point to sure pathways to the art of prayer In this book Fr Jerome Bertram answers the plea of so many of his contemporaries Drawing on his own experience and his vast knowledge of trusted spiritual authors he leads his readers into the various ways of prayer After a few introductory chapters stressing the importance of prayer Fr Jerome takes us through the Our Father the very prayer which the Lord himself left with us Along the way he tackles common difficulties such as distraction and detachment thus providing valuable advice for all who seek to deepen their life of prayer be they beginners or more advanced in the spiritual life Building on the insights of Pope Benedict s Jesus of Nazareth the author provides an account of prayer that is easy to read accessible and clearly centered on Jesus Christ and the Church Mother Teresa's General Letters to Her Sisters Kolodiejchuk MC Brian, 2024-06-21 Mother Teresa s General Letters to Her Sisters is a collection of Mother Teresa s circular letters to the members of her religious congregation the Missionaries of Charity Sisters Not intended for those outside her community they were written informally and spontaneously often with little editing It was for Mother Teresa a way of being present to the members of her rapidly expanding religious order Seemingly of little interest except for those to whom they were addressed the letters reveal the spiritual depth and pragmatic leadership of one of the most popular modern saints as well as the inner dynamics underlying one of the most flourishing religious congregations of the last century At the same time and perhaps surprisingly these letters may also prove to be worthwhile reading for a wider audience Something of God s wisdom and love seems to shine through Mother Teresa s guidance and counsels giving the reader light and help even though he or she is not living the same religious life as one of the Sisters Mother Teresa s unpolished statements are at times humble and at times humbling They inspire confidence and encourage generosity Many a time they are humorous but more often challenging They are sprinkled with serene joy but also permeated with deep pain She delighted in her Sisters accomplishments yet did not shy away from correcting even the smallest flaw which didn t escape her very observant eye Sometimes she sounded just like a mother full of tender loving care and at other times more like a commander in chief exhibiting an iron will and uncompromising determination In either case her followers seemed to have been drawn into the mystery of her charism endeavoring to keep pace with her Was it the attraction of what could be termed as her leadership style in the unrelenting service of the poorest of the poor or the perceived love of a mother s heart that made her so unanimously loved and admired by the members of her congregation Or was it both The letters will reveal the answer Inspiring in their simplicity the letters may well serve as a treasure trove where anyone from a reflective scholar to a caring

mother of a family may find satisfaction for their spiritual palate The attractiveness of perennial truth often makes Mother Teresa's presentation of traditional spiritual themes likewise relevant for contemporary needs In the context of Mother Teresa's statement that we are created for greater things to love and to be loved these letters will help the reader discover and experience God's presence through the little miracles of His love in one's daily life They will inspire us to put our love into living action sharing His love with all those we meet and so make our lives something beautiful for God
