Holiness and the Missio Dei Andy Johnson, 2016-09-29 In *Holiness and the Missio Dei* Andy Johnson takes the reader on a biblical journey that explores the question of what holiness or sanctification has to do with God's mission in the world He refuses to relegate the idea of humans becoming holy to the realm of individual inward piety or legalism on the one hand or to the realm of the impossible prior to Christ's return on the other Using a missional lens to guide the reader into a theological engagement with Scripture Johnson argues that God's primary means of making us holy is through our participation in his saving reconciling mission to bring creation to its intended destiny As we become and remain part of an ecclesia we are corporately and personally shaped by the Spirit into the image of the cruciform Son through participation in the missio Dei and thereby are being restored into the image of the holy God the imago Dei This book is written primarily for church leaders for students and for academics who are interested in missional readings of Scripture It will challenge those who read it to re-articulate the church's becoming holy as being inseparably connected to its active participation in God's mission

Relationships and Emotions After Christendom Jeremy Thomson, 2016-06-01 This accessible and practical book is a mixture of selected theological and psychological insights into key human emotions and relationships Its aim is to help Christian people and churches to behave in relationships and handle emotions in constructive and liberating ways It argues that after Christendom particular attention should be given to how Christians conduct day to day relationships and that developing emotional literacy should be high on churches' agendas

Salvation in the New Testament Jan G. van der Watt, 2005-11-01 Salvation in the New Testament offers an analysis of the soteriological perspectives and language of the different books of the New Testament Special attention is given to the imagery used in expressing soteriological ideas Salvation deals with becoming part of the people of God In Salvation in the New Testament special attention is given to the nature and power of the salvific language used in the New Testament to express the dynamics of salvation Individual articles on the different books of the New Testament highlight the diverse perspectives offered in these documents The emphasis especially falls on the different images and metaphors which were used to express the event and moment of salvation rather than on the results ethics or behaviour of salvation An overview of the different perspectives on soteriology in the New Testament offers the opportunity to compare similarities and differences in concepts and expressions It also illustrates the dynamic interaction between historical situations and salvific language and expression

Reading St. Luke's Text and Theology: Pentecostal Voices Riku P. Tuppurainen, 2019-10-16 Lukan narrative takes its readers into God's story how his salvation plan in Jesus began on the slopes of Judea and at the Sea of

Galilee ending on the hill of Calvary and the Mount of Olives yet moving on and telling how the Spirit descended onto the Temple Mount empowering God's people who then began to fulfill the given mandate in the presence of the Spirit Yet readers of Luke Acts throughout the centuries have had a meandering journey as they have tried to understand the narrative's persuasion and Spirit references This book seeks to bring awareness to these challenges by some of the most respected Pentecostal biblical scholars and systematicians Here their vigorous labor with the questions of hermeneutics and theology in relation to Lukan writings have come to fruition These contributions have been collected as a Festschrift in honor and celebration of the career of Roger Stronstad a Pentecostal biblical scholar whose contribution to Lukan studies have moved Pentecostal scholarship from shadows into daylight The editor of this volume invites the readers of Lukan narrative to journey together on the road to Emmaus as we continue to ponder the events in the past the present and the future

Who Are the Righteous? Denise Powell, 2021-09-28 Who is righteous and how one becomes righteous is a question often debated in Pauline studies but rarely explored in the Gospels In this book Denise Powell investigates Luke's answer to the question by tracing his righteous characters sequentially through the Gospel narrative By portraying Zechariah and Elizabeth Mary Simeon and Anna as righteous at the beginning of the narrative Luke establishes the characteristics of the righteous As a result of the primacy effect these birth narrative characters become the standard against which the righteous nature of subsequent characters is measured This leads to uncertainty over who belongs in the category of the righteous when later stories contrast an ostensibly righteous character with a sinner The increasing uncertainty over who belongs in which category functions as the backdrop for the centurion's declaration that Jesus is righteous By way of the sword discourse of 22:35-38 and the subsequent arrest scene Jesus intentionally places himself in the sinner category in fulfillment of Scripture Since Jesus has placed himself in solidarity with sinners and they with him the centurion's declaration that Jesus is righteous has implications for all the sinners in the Lukan story

The Earth is the Lord's João Paulo Thomaz de Aquino, 2025-02-28 Land reformation is a relevant and important subject especially in developing countries With this significance in mind what can we learn from the examples in Luke Acts that speak to our current view of the redistribution of land ownership rights In this skilful and pioneering work Dr João Paulo Thomaz de Aquino explores the present day implications for viewing land as an economic factor through examining the parallels found in Luke Acts This in depth study reveals how land was viewed and used in a radically different fashion by Jesus and his followers when compared to Israel under the rule of the Roman Empire Exploring how Luke draws upon the Old Testament ethics specifically the jubilee legislation Dr Thomaz de Aquino proposes that Jesus presents God as the ultimate owner of the land and in light of that we are called to steward it responsibly An excellent resource for scholars and all those interested in the social implications of the gospel

Salty Wives, Spirited Mothers, and Savvy Widows F. Scott Spencer,2012-12-19 Engaging feminist hermeneutics and philosophy in addition to more traditional methods of biblical study *Salty Wives Spirited Mothers and Savvy Widows* demonstrates and celebrates the remarkable capability and ingenuity of several women in the Gospel of Luke While recent studies have exposed women s limited opportunities for ministry in Luke Scott Spencer pulls the pendulum back from a negative feminist critical pole toward a more constructive center Granting that Luke sends somewhat mixed messages about women s work and status as Jesus disciples Spencer analyzes such women as Mary Elizabeth Joanna Martha and Mary and the infamous yet intriguing wife of Lot whom Jesus exhorts his followers to remember as well as the unrelentingly persistent women characters in Jesus parables

The Spirit and the Common Good Daniela C. Augustine,2019-09-12 A fresh vision of the

common good through pneumatological lenses Daniela C Augustine a brilliant emerging scholar offers a theological ethic for the common good Augustine develops a public theology from a theological vision of creation as the household of the Triune God bearing the image of God in a mutual sharing of divine love and justice and as a sacrament of the divine presence The Spirit and the Common Good expounds upon the application of this vision not only within the life of the church but also to the realm of politics economics and care for creation The church serves a priestly and prophetic function for society indeed for all of creation This renewed vision becomes the foundation for constructing a theological ethic of planetary flourishing in and through commitment to a sustainable communal praxis of a shared future with the other and the different While emphatically theological in its approach The Spirit and the Common Good engages readers with insights from political philosophy sociology of religion economics and ecology as well as forgiveness reconciliation and peacebuilding studies **Luke F. Scott** Spencer, 2019-04-30 The story Luke tells in his gospel says F Scott Spencer is a compelling complex narrative confession of faith in God To what degree anyone joins Luke in that faith journey is up to them but any responsible interpreter must attend considerately to Luke's theological roadmap In this latest addition to the Two Horizons New Testament Commentary series Spencer integrates close textual analysis of Luke's unfolding narrative with systematic theology spiritual formation philosophical inquiry and psychological research With section by section commentary Spencer highlights the overriding salvific message that runs through Luke's gospel Pastors scholars and students alike will benefit from Spencer's insight into Luke's theological significance
