Gene Wilkes,LifeWay Christian Resources,1999-12-01 *Leadership or Servanthood?* Hwa Yung,2021-10-06 The world is obsessed with leaders identifying them training them becoming them Even in the church this preoccupation is all too apparent Jesus however is not interested in developing leaders Rather he is interested in the formation of servants In this powerful reflection on leadership and servanthood Dr Hwa Yung addresses the overemphasis on leadership development within the church Challenging a culture of hubris ambition and self seeking he reminds us that ministry is not a call to position and power but to service and obedience He draws us back to the example of Christ who came as a servant of God and of his kingdom who lived in submission to the Father and who rooted himself in his identity as the incarnate Son of God Linking spiritual authority to these three characteristics Hwa Yung offers examples from both Scripture and church history to demonstrate that it is in fact the faithful practice of servanthood that leads to leadership impact **Jesus on Leadership** C. Blackaby's *Experiencing God* encourages business and church leaders alike to follow God's biblical design for organizational success. [The Leadership Wisdom of Jesus \(EasyRead Super Large 24pt Edition\)](#), *Christ-Centered Leadership* David L. McKenna, 2013-05-09 If a leader is a Christian what difference does it make? Giant strides have been made in secular leadership theory toward a Christian viewpoint. Priority is now given to character as well as competence, accountability as well as power, transformation as well as transaction and servanthood as well as success. But these qualities apply to secular as well as to Christian leadership. So the question remains: What difference does it make? David McKenna finds the answer in the Incarnation of Jesus Christ: a divine act for him and a defining attitude for us. Philippians 2:11-15 sets the standard and gives the details. Your attitude should be the same as Jesus Christ: means following his call to the cross where we die to self and sacrifice all self-interest in position, power, and prestige in order to serve obediently, faithfully, and humbly for the good of others and the glory of God. Christ-centered leadership is not an extension of the highest and best of human leadership. Radical obedience to the call of Christ and utter dependence upon the Holy Spirit make a substantive difference. In the most practical terms, Incarnation continues in us when we live fully, lead freely, and go where he wants us to go. **The Leadership of Jesus and Its Legacy Today** John Adair, 2001-01-01 This publication, written by a management consultant, looks at the leadership style of Jesus. Topics include what leadership practices were prevalent in Jesus' day, the leadership qualities which made Jesus both followed and hated, and famous leaders who have been inspired by Jesus. [The Leadership Style of Jesus](#) Michael Youssef, 2013-08-01 No matter what leadership arena a person serves in, whether leading a family, a church, a civic organization, or a company, adopting the leadership example of Jesus will make that person more effective and productive. Leadership is influence, and no leader has had greater influence on the world than Jesus Christ. The lessons of His leadership style are practical, learnable skills that anyone can apply today. Michael Youssef, who has executive experience in worldwide ministries, has examined the leadership Jesus modeled and suggests Christlike qualities every leader needs. But he doesn't stop there. With Jesus as the standard, Dr. Youssef considers how to deal with the temptations and pressures leaders face, including ego, anger, loneliness, criticism, the use of power, and passing the torch to others. Men and women in search of excellence in developing their leadership abilities will find much to aid their quest in this close-up look at Jesus, the greatest leader who ever lived. **The Ultimate Leader** Todd A. Phillippy, 2010-02 Synopsis It is time for a leadership revolution. The old days of command and control leadership are over. The new movement of empowering leadership has arrived, and it is servant leadership. Todd Phillippy's newest book will empower you personally and professionally by examining the principles and practices of The Ultimate Leader, Jesus Christ. In just three short years, Jesus became the most influential leader in history by serving rather than being served.
