How Jewish is Christianity? Louis Goldberg,John Fischer,2003 A lively discussion in which six authors interact with each other on whether Messianic congregations are necessary or whether Jewish believers should instead be incorporated into the Gentile church Yeshua: He Will Be Called a Nazarene Robert Shriner,2019-02-14 According to the Bible Yeshua the Messiah Jesus Christ is a divine person who for the redemption of humanity became for a brief moment in history a human being He has undoubtedly had more influence on the world s population than any other individual Although information about Yeshua is abundant beginning in antiquity recent discoveries such as the Dead Sea Scrolls have provided a treasure trove of new and exciting information This book begins with an examination of the ancient and recent sources and produces a portrait of Yeshua within the context of the Second Temple Era and with new light shed on the person teachings extraordinary works and associations of the Savior The title of this work is Yeshua He Will Be Called A Nazarene It has long been believed that Matthew 2 23 asserts only that Yeshua was a resident of the town of Nazareth and therefore was known as a Nazarene However a careful study of the historical evidence and the Greek text of the New Testament reveals that the term Nazarene was a reference to a sect of Judaism This sect known as the Nazarenes was a branch group of the Essenes of Dead Sea Scrolls fame Yeshua s association with this group sheds new light on many of his beliefs practices and teachings Those who followed Yeshua constituted a body of believers that came to be known as the Christian Church Acts 11 26 but before they were graced with this Greek designation they were known by other Hebrew names such as The Way Acts 9 2 and perhaps most significantly The Sect of the Nazarenes Acts 24 5 After the destruction of Israel and Jerusalem along with its Temple in the year 70 of the common era one sect of Judaism the Pharisees survived prospered and eventually developed into modern day Rabbinic Judaism At the same time the sect of the Nazarenes also survived and in the wake of many changes has evolved into the largely Gentile Christian Church Though these two great world religions developed along parallel historical paths they have traditionally been separated by hatred prejudice and ignorance However in recent times individuals in these groups have drawn close to each other Jewish people are coming to faith in Yeshua as their Messiah and Savior The Messianic Jewish movement has grown in amazing even miraculous ways in just a generation At the same time traditional Christians are discovering that Jesus was Jewish Excitement over newly discovered historical information has led many Christians to explore the Jewish Roots of their own Christian faith We are indeed living in exciting times Yeshua s dream of creating from diverse races cultures and belief systems one new man Ephesians 2 15 is once again becoming a reality

Jesus and the Jewish Roots of the Eucharist Brant Pitre,2011-02-15 A revelatory exploration of the Jewish roots of the

Last Supper that seeks to understand exactly what happened at Jesus final Passover Clear profound and practical you do not want to miss this book Dr Scott Hahn author of The Lamb s Supper and The Fourth Cup Jesus and the Jewish Roots of the Eucharist shines fresh light on the Last Supper by looking at it through Jewish eyes Using his in depth knowledge of the Bible and ancient Judaism Dr Brant Pitre answers questions such as What was the Passover like at the time of Jesus What were the Jewish hopes for the Messiah What was Jesus purpose in instituting the Eucharist during the feast of Passover And most important of all what did Jesus mean when he said This is my body This is my blood To answer these questions Pitre explores ancient Jewish beliefs about the Passover of the Messiah the miraculous Manna from heaven and the mysterious Bread of the Presence As he shows these three keys the Passover the Manna and the Bread of the Presence have the power to unlock the original meaning of the Eucharistic words of Jesus Along the way Pitre also explains how Jesus united the Last Supper to his death on Good Friday and his Resurrection on Easter Sunday Inspiring and informative Jesus and the Jewish Roots of the Eucharist is a groundbreaking work that is sure to illuminate one of the greatest mysteries of the Christian faith the mystery of Jesus presence in the breaking of the bread *School Library Journal* ,2002 *Jewish Roots: 101* Jeffrey D.

Johnson,2017-06-05 To understand who we are as Christians is to understand our beginning Did Jesus intend to have His church separated from the Jewish community Did the Apostle Paul emphasize a truncation of the Jewish cradle for this new community of unique people What does the New Testament teach about Jesus His followers and the new sect He founded Did the Church replace Israel Do Gentile Christians need to worship in a Jewish form Who was this man called Jesus and what were the influences in his life The church in the twenty first century would do itself a disservice not to acknowledge its Jewish beginnings or to ignore the man Jesus and the cultural mores that shaped his teaching **Religion? of God or Man?** Wayne Talbot,2019-02-09 Is there evidence for the existence of God defined as the transcendent entity responsible for all material existence The author believes that there is albeit such evidence is not necessarily proof for everyone In this two part study Wayne Talbot firstly presents the evidence that has convinced him that God is the most plausible explanation With a limited but sufficient understanding of the nature of existence in terms of energy matter space and time he demonstrates his primary axiom that nothing can explain itself The natural corollary of this is that scientists will never be able to explain the origins of material existence by examining the material itself An explanation of origins must always lie outside the entity being examined This is why scientists cannot explain the origin of the proposed singularity and why some scientists seek an alternative to the Big Bang model of our universe even resorting to logical absurdities such as the universe creating itself out of nothing while in the presence of something With the reality of God being his presupposition for what follows the author examines the case for monotheistic religions versus polytheistic concluding that the latter are antithetical to a God who is one Left with a choice between Judaism Christianity and Islam he concludes that if God has communicated his guidance for living to any it is most likely Judaism as recorded in the Hebrew scriptures The question becomes Which parts of those

scriptures were intended for the children of Israel alone and which were for all people for all time Researching ever deeper he reveals what he has come to believe about how God wants us to relate to him and the specific guidance that should be reworded for contemporary times The spirit of Torah is so much more than the mere words **The Video Librarian** ,2005

Messianic Judaism Dan Cohn-Sherbok,2000-05-01 Who are the Messianic Jews What do they believe and practice What is the Jewish community s reaction to the development of Messianic Judaism In this pioneering study Dan Cohn Sherbok traces the development of the Messianic movement from ancient times to its transformation after World War II Focusing on the nature of the movement today the volume continues with a detailed examination of Messianic practices and the place of Messianic Judaism within the contemporary Jewish community **Catholic Doctrines on the Jewish People after**

Vatican II Gavin D'Costa,2019-10-10 In this timely study Gavin D Costa explores Roman Catholic doctrines after the Second Vatican Council regarding the Jewish people 1965 2015 It establishes the emergence of the teaching that God s covenant with the Jewish people is irrevocable What does this mean for Catholics regarding Jewish religious rituals the land and mission Catholic Doctrines on the Jewish People after Vatican II establishes that the Catholic Church has a new teaching about the Jewish people the covenant made with God is irrevocable D Costa faces head on three important issues arising from the new teaching First previous Catholic teachings seem to claim Jewish rituals are invalid He argues this is not the case Earlier teachings allow us positive insights into the modern question Second a nuanced case for Catholic minimalist Zionism is advanced without detriment to the Palestinian cause This is in keeping with Catholic readings of scripture and the development of the Holy See s attitude to the State of Israel Third the painful question of mission is explored D Costa shows the new approach safeguards Jewish identity and allows for the possibility of successful witness by Hebrew Catholics who retain their Jewish identity and religious life *The Wisdom of Alfred Edersheim* David Mishkin,2008-10-02 Alfred

Edersheim 1825 1889 was born and reared in a Jewish home in Vienna He was given a New Testament while studying medicine at the University of Pest Budapest and soon afterwards came to believe in Jesus as his Messiah He held several teaching positions in the United Kingdom before settling at the University of Oxford From 1882 until his death he was Grinfeld Lecturer on the Septuagint He is still considered a leading authority on Jewish life and customs in the time of Jesus He wrote many books on a variety of topics most famously *The Life and Times of Jesus the Messiah* *The Wisdom of Alfred Edersheim* includes hundreds of quotations from his various works many of which are rare and out of print Edersheim is remembered and loved for his devotional commentary as much as for his scholarship
