Jesus The Jewish Theologian:

Jesus the Jewish Theologian Brad H. Young, 1993-11-01 Jesus the Jewish Theologian establishes Jesus firmly within the context of first century Judaism and shows how understanding Jesus Jewishness is crucial for interpreting the New Testament and for understanding the nature of Christian faith Insights from Jewish literature archeology and tradition help modern readers place Jesus within his original context Particular attention is given to the Jewish roots of Jesus teaching concerning the kingdom of God Jesus the Jewish Theologian Brad Young, 1995 **Paul the Jewish Theologian** Brad H.

Young, 1995-09-01 Paul the Jewish Theologian reveals Saul of Tarsus as a man who though rejected in the synagogue never truly left Judaism Author Young disagrees with long held notions that Hellenism was the context which most influenced Paul s communication of the Gospel This skewed notion has led to widely divergent interpretations of Paul s writings Only in rightly aligning Paul as rooted in his Jewishness and training as a Pharisee can he be correctly interpreted Young asserts that Paul s view of the Torah was always positive and he separates Jesus mission among the Jews from Paul s call to the Gentiles

The Parables Brad H. Young, 2008-03 Young focuses on the historical development and theological significance of parables in the Jewish and Christian traditions examining parallels between the rabbinic and Gospel parables **Who was Jesus?** Paul Copan, Craig A. Evans, 2001-01-01 Collects articles that are comprised of a dialogue between Jewish New Testament scholar Peter Zaas and Christian apologist William Craig focusing on the Jewish and Christian assessments of Jesus and the question of Jewish Christian relations Original *The Forgotten Jesus* Robby Gallaty, 2017-04-04 We have lost an essential understanding of Jesus his Jewishness Through the years our understanding of Jesus has been shaped by different cultural influences and many Western Christians have formed an inaccurate perspective of Jesus and his teachings beliefs and ways of acting In Robby Gallaty s deeply reformative book he reveals the essential Hebraic culture customs and nuances many Christians have forgotten or never learned And he argues that as long as Jesus s Jewish context is misplaced and misunderstood our understanding of the Bible our faith and the church falls far short The Forgotten Jesus will open your eyes to The first century world in which Jesus lived and its connection to the time of the Old Testament The vast differences between the Western and Middle Eastern mind and how our modern approach to understanding the Bible is influenced far more by the Greeks and Romans than by a Hebrew way of thinking Essential textual connections between the parts of the Bible that we often overlook Important Hebraic perspectives on the Messiah to point out some errors many Christians have believed through the years Why Jesus s words on the cross about God forsaking him may have deeper meaning than we realize By uncovering the teaching of the first and second century rabbis and Christian theologians and highlighting little known Jewish idioms and traditions Gallaty takes Christians on a biblical journey to rediscover a forgotten Jesus from a biblical perspective deepening your relationship with God **Yeshua Jesus the Jew a Model for Everyone** Leonard Swidler, 2020-10 Understanding the Jewish Roots of Christianity Gerald McDermott, 2021-03-17 How Jewish is

Christianity The question of how Jesus followers relate to Judaism has been a matter of debate since Jesus first sparred with the Pharisees The controversy has not abated taking many forms over the centuries In the decades following the Holocaust scholars and theologians reconsidered the Jewish origins and character of Christianity finding points of continuity Understanding the Jewish Roots of Christianity advances this discussion by freshly reassessing the issues Did Jesus intend to form a new religion Did Paul abrogate the Jewish law Does the New Testament condemn Judaism How and when did Christianity split from Judaism How should Jewish believers in Jesus relate to a largely gentile church What meaning do the Jewish origins of Christianity have for theology and practice today In this volume a variety of leading scholars and theologians explore the relationship of Judaism and Christianity through biblical historical theological and ecclesiological angles This cutting edge scholarship will enrich readers understanding of this centuries old debate

Three Perspectives: Jewish, Christian, and Muslim Steven H. Propp, 2009-12-30 You're Jewish aren't you This blunt question is the way that college freshman Richard Cohn is introduced to an outspoken fellow student named Dov Epstein who calls himself a Messianic Jew and believes that God has a special purpose for the Jewish people in these Last Days Raised by secular Jewish parents Richard is completely oblivious to his own Jewish background until this ongoing dialogue forces him to confront his own heritage The two young men vigorously argue with each other over the interpretation of the Hebrew Bible particularly its reputed predictions of a Messiah Christian doctrines such as the Trinity and most significantly about the identity and significance of Jesus of Nazareth The rigorous process of self examination this initiates leads Richard to embrace his Jewish identity even as he vehemently denies the same for Dov The two ultimately become fast friends but as they progress from an academic environment to the professional world they are challenged by racist statements made by prominent national figures anti Semitic doctrines such as Christian Identity which teaches that white Anglo Saxons are the true Israel and also purported scholars who deny the reality of the Holocaust itself Circumstances in life connect them with a young Iranian migrant named Jahangir Khatami whose Muslim beliefs conflict strongly with their own Yet when a violent incident brings the three of them together they are forced to reexamine not just their differences but their similarities While they clash over the ideals of Zionism and its ramifications in the modern State of Israel they are united in their horror over the terrorist attacks of September 11 2001 Join a diverse cast of characters some of whom appeared in the authors earlier book Beyond Heaven and Earth in a probing exploration that may help you reconsider just what it means to be Jewish Christian or Muslim in the modern world

The Theological Intentions of Mark's Literary Devices Dean B. Deppe, 2015-10-22 What sets The Theological Intentions of Mark's Literary Devices apart from other books What niche does it fill that makes its publication important This volume will interest all those who value a literary approach to the Gospel of Mark Dean Deppe introduces some new literary devices in the research of the Gospel of Mark as well as demonstrates the theological intentions of Mark when he employs these literary devices Deppe argues that Mark employs the literary devices of intercalation framework

allusionary repetitions narrative surprises and three types of mirroring to indicate where he speaks symbolically and metaphorically at two levels Mark employs these literary devices not just for dramatic tension and irony but also for theological reasons to apply the Jesus tradition to specific problems in his own day *The Seven Living Prophecies* Larry Huch, 2020-08-04 The missing piece to God's end time plan is you Through more than forty years of ministry Pastor Larry Huch has seen a trend Christians are living well below the promises and covenants of God He says they are missing out in part because they don't fully understand where we are on God's biblical timeline In this timely book Huch a respected teacher on the Hebrew roots of the Christian faith reveals seven Bible prophecies unfolding right now that will release God's end time outpouring of supernatural blessings and miracles into the world and into our lives Every day ancient prophecies are unfolding in the world Prophecies that we have read about but could only imagine are actually becoming reality in our lifetime In every realm and sphere of life the missing pieces are coming together What was sketchy and vague in the past is becoming crystal clear right before our eyes In *The Seven Living Prophecies* Huch uncovers these ancient Bible prophecies mysteries secrets and hidden truths that are coming to pass and ushering us into the great outpouring of God in the last days the rebuilding of the tabernacle the latter rain of miracles and the coming of the Messiah This book will draw you to the Jewish roots of your faith so that you can experience the blessings that God prophesied **Roots of Theological**

Anti-Semitism Anders Gerdmar, 2009 Exploring the link between German biblical interpretation and anti-Semitism this book is a fresh comprehensive study of leading German exegetes concluding that although Nazism brought anti-Semitic exegesis to a head age old thought structures provided powerful legitimization for oppression *His Name Is Yeshua* Leo Vanderploeg, 2025-03-31 In the West most of us Christians have grown up using names like Jesus Old Testament New Testament and the Law without realizing the real history behind these titles Did you know that the name Jesus is less than four hundred years old and has no meaning In what climate did this non-Jewish name appear in church history Did you know that the Old New Testament division was created by a church heretic who hated the Old Testament We have also likely been raised with a subtle antisemitism beginning with Bible schools and seminaries that brush off the importance of the Hebrew language of studying the language for the layperson and the importance of names in the Bible Often there is a prejudice against rabbinic thinking and commentary of God's Word So if we have a library of books about the Scriptures we may have a disproportionate number of commentaries written by non-Jews I've met enough pastors who only had one Jewish commentary if any As we are fed by very what I call Greekish thinking I've even met people who were upset to find out Jesus was a Jew and his real name was Yeshua Have you discovered that the New Testament though written in Greek is grounded in Hebrew thought Did we forget which people group gave us the Scriptures Many leaders of the church do not even know the place or role of the Jews in the end times as they believe they have no importance at all anymore Did this lack of knowledge have anything to do with the holocaust This book may be instrumental for today's church that it wakes up to some fundamental

truths that we never knew or forgot May this book be a blessing to you Shalom Leo Matthew 27:25: "His Blood Be on Us."

Dr. Todd D. Baker, 2008-10-07 This book is an exegetical study of Matthew 27:25 conducted within the context of the Gospel of Matthew and the broader contexts of the Old and New Testaments The purpose for this study is to dispel and disprove the traditional anti-Semitic meaning of Matthew 27:25 that has tragically led to the unwarranted condemnation of the Jewish people for the death of Jesus Christ Hence the particular focus of this book will directly address and answer the perennial theological question that asks Does Matthew 27:25 mean and teach the Jews are altogether condemned by God for the crucifixion of Christ While it is true the Jewish nation by and large tragically rejected Jesus at His first coming this in no way gives Christians theological license for the wholesale hatred persecution and destruction of the Jews or for holding an anti-Semitic bias against them No where in the New Testament Scriptures is it taught that the Jewish race past present and future are condemned and morally indicted as Christ killers for the crucifixion of Jesus Christ This study is necessary to expose and correct the flawed interpretation of Matthew 27:25 that has historically persisted in Christendom and leads a person to build and develop an anti-Jewish theology Factoring all this together in a careful exegesis of Matthew 27 will manifestly demonstrate that the Jewish people are not guilty of deicide and therefore arbitrarily condemned by God as a race of Christ killers Quite the contrary **Exploring Jewish Literature of the Second Temple Period** Larry R.

Helyer, 2002-07-05 Larry R Helyer provides an introduction and historical context for the wealth of Jewish literature outside the Hebrew Bible and he explores the pressures realities questions and dreams that nurtured and provoked these written works *A Family Guide to the Biblical Holidays* Robin Sampson, Linda Pierce, 2001 This giant resource gives an extensive look at the nine annual holidays Passover Unleavened Bread Firstfruits Pentecost Trumpets Day of Atonement Tabernacles Hanukkah Purim and the Sabbath

The Preacher as Liturgical Artist Trygve David Johnson, 2014-01-24 Trygve Johnson invites us to consider a new metaphor of identity of The Preacher as Liturgical Artist This identity draws on a theology of communion and the doctrine of the vicarious humanity of Christ to relocate the preacher's identity in the creative and ongoing ministry of Jesus Christ Johnson argues the metaphorical association of the preacher and artist understood within the artistic ministry of Jesus Christ frees the full range of human capacities including the imagination to bear upon the arts of Christian proclamation The Preacher as Liturgical Artist connects preachers to the person and work of Jesus Christ whose own double ministry took the raw materials of the human condition and offered them back to the Father in a redemptive and imaginative fashion through the Holy Spirit It is in the large creative ministry of Jesus Christ that preachers find their creativity freed to proclaim the gospel bodily within the context of the liturgical work of God's people *Exploring Our Hebraic Heritage* Marvin R. Wilson, 2014-07-09 In this very readable sequel to his popular book *Our Father Abraham* which has sold more than 70 000 copies Marvin Wilson illuminates theological spiritual and ethical themes of the Hebrew scriptures that directly affect Christian understanding and experience *Exploring Our Hebraic Heritage* draws from both

Christian and Jewish commentary in discussing such topics as thinking theologically about Abraham understanding the God of Israel and his reputation in the world and what it means for humans to be created in God's image Wilson calls for the church to restore renew and protect its foundations by studying and appreciating its origins in Judaism Designed to serve as an academic classroom text or for use in personal or group study the book includes hundreds of questions for review and discussion

The Meaning and Uses of βασιλεία in the Gospel of Matthew Tobias Ålöw, 2024-04-02 Contrary to the prevailing view that is a verbal noun signifying God's rule this study demonstrates how the term's pragmatic range in Matthew's Gospel covers both five distinct types of use and their integration into a coherent concept The study which is the first to examine all occurrences of in the First Gospel from the perspective of semantic monosemy extends and enhances our appreciation of the Matthean Zentralbegriff and engenders a more accurate apprehension of the nature and aims of the Matthean narrative and the theological views it conveys
