Jesus Christ In His Own Words:

Jesus Christ In His Own Words Elizabeth Wallace,2009-09 For the first time united and illustrated in one volume the canonical gospels of Matthew Mark Luke and John with the gnostic gospels of Thomas Philip Judas and Mary Magdalene

The Teaching of Jesus Christ in His Own Words ,1902 **Teachings of Jesus Christ** Wallace Thomas,2014-11-16 The Teachings of Jesus Christ In His Own Words Wally Thomas passed away in 2014 but not before publishing his life s work in this enlightening book reflecting his deep desire to serve the Lord by helping others to learn more of Jesus Christ and His teachings As a career educator Wally spent decades studying and pondering the words of Jesus The result is a portrayal of the Savior s teachings in a way that is easy to learn and understand Originally written for family and friends Wally s desire was that it be shared with others to enjoy While scripture study and understanding the Bible may be difficult for some this book is a welcome Bible study resource It brings to light how God s word and promise of everlasting life comes to his children through the Son of God The author expounds on the words of Jesus and brings to life the core doctrines of Christianity in a way that makes the Gospel of Jesus Christ meaningful in your personal life The book is organized into fifty chapters each on a specific topic drawn from the words of Jesus as recorded in the Bible It covers the entire ministry of Jesus clarifies the doctrines of salvation established in Jesus Christ s own words and expounds on His role as Savior of the World Each chapter summarizes key Bible lesson principles that can be applied in your daily life By reading and studying just one chapter per week the entire book can be covered in a year s time making it an excellent ongoing resource for enlightenment and spiritual guidance Get this amazing book today to bring the Light of Christ into your life and create oneness with God and Jesus in a way that only the words of the Prince of Peace himself can do *The Teaching of Jesus Christ, in His Own Words* Thomas George Baring Northbrook,1900 *The Theology of Christ, from His Own Words* Joseph Parrish Thompson,1871 *The Teachings of Jesus Christ in His Own Words* James Fulton,2013-03-28 This is an attempt to edit the four gospels into a consistent account in this case focusing on the words of Jesus There is plenty of connecting narrative around the instances where Jesus speaks so this is better than simply presenting each quote out of context The focus on what Jesus is attributed as saying makes it easier to browse the core texts of the New Testament All in all a very useful reference and a great read This compiler s purpose has been to enable any reader whether confirmed Christian or inquiring pagan or a frankly detached to get him a book of CHRIST S OWN WORDS divested so runs the title page of the context excepting those brief portions of the gospel narratives retained to establish the place the time or occasion or a question the reply to which is the Master s own answer *Jesus Christ - In His Own Words* Matthew Trent,2015-05-12 Thousands of years ago a baby was born in a stable He was among the poorest of the poor but in his lifetime he says things that are so astonishing that millions of people are still living their lives by them today He told us to love each other and turn the other cheek And at a young age he was brutally crucified for simple telling people to love Those who killed him probably thought it would end in his death Yet

today he is still remembered The shelves of the libraries and of the bookstores are packed with the sayings of other great men but it is rare to find in a library or bookstore in any published book the complete sayings of Jesus the bare sayings in simple sequence Christ s own words This compiler s purpose has been to enable any reader whether confirmed Christian or inquiring individual to get a clear view of Jesus Christ s message Many readers may have arrived at the end of the New Testament with still a hazy picture of Christ There were so many biographers Matthew Mark Luke John Paul each essaying not a biography as such not the record of the Teacher s sayings as such but intent upon launching each his own conception of Christ s mission Christ s sayings complete brought into a sequence of times and occasions but lifted out of contexts alien to the present purpose may prove to be a glowing story new not only to the non reader but new even to the devout New Testament readers who have not as yet discerned the continuities Devoted readers will not be diverted from the Great Text Perhaps other readers the casual New Testament reader and the non reader after enjoying these pages may venture the greater enjoyment the attentive perusal of all the gospels and all the epistles perhaps of all the New Testament
