Jesus My Autobiography:

Jesus: My Autobiography Tina Louise Spalding, 2015-06-01 I have come at this time in this place and through this being to speak my truth to speak the story of my life the true story of my life The purpose of this book is to clarify to tell the truth and to share my energies with you so that you can begin the transformation of your mind and therefore the transformation of your heart and your world It is in the misteachings that have been associated with my name that much death and pain has been caused and that much guilt and self recrimination has been expressed That was not my purpose that was not my lesson This story will begin the change It will not make the change It will facilitate turning the key in the lock but you must open the door and walk through it into a new realm that is opened by this information That is your responsibility We can only bring you the message this channel and I We can only work together to transmit the information but it is through your actions and your transformation that you will see a change in your world a change in the subjective world that is manufactured from your beliefs your thoughts and your feelings I talk about the truth of my birth and the truth of my life I cover some stories that are recounted in the Bible and tell you the true story of those events I describe some of my personal traits my human traits and I define what I am who I am and why these things happened You will be able to understand the truth and you will begin this reconditioning this retooling of your mind of your thoughts and beliefs on this subject of my life my meaning and my purpose for it is a long process The time is ripe The need for a spiritual revolution is here Jesus *Jesus: My Autobiography* Tina Louise Spalding, 2015-06-15

Three Decades of Trying to Live for Jesus Marie Jan, 2015-02-25 What you will find in this book are details of knowing the Lord at a young age and learning what the Bible says to do Yet I missed a very significant point in the first 30 years of my life Do I ask God what his plans are for my life or do I choose what I want and ask the Lord to put his stamp on it While the subject matter is serious the events in my life that I share with you are somewhat light hearted When I read the words and think about that time in my life the question that stays in my mind is What was I thinking I invite you to join me on my journey Uncle Tom's Story of His Life: An Autobiography of the Rev. Josiah Henson Josiah

Henson, 2024-01-18 In *Uncle Tom's Story of His Life: An Autobiography of the Rev. Josiah Henson* the narrative unfolds as a profound testimonial to the resilience of the human spirit amidst the brutal realities of slavery Written in the first person Henson employs a candid and poignant style that vividly captures his experiences from his early life in Maryland through his harrowing journey to freedom The text serves as an important historical document situated within the antebellum literary context that included both fiction and non fiction geared toward anti slavery sentiments thus becoming a crucial counter narrative to the fictional character of Uncle Tom in Harriet Beecher Stowe's *Uncle Tom's Cabin* Josiah Henson a former enslaved African American emerged as a leading figure in the abolitionist movement whose life experiences significantly informed his writing His escape to Canada and subsequent work as a preacher and an advocate for the rights of African Americans reveal not only his remarkable courage but also his commitment to educating others about the inhumanity of

slavery Henson's intimate portrayal of the psychological and moral battles facing enslaved peoples enriches the discourse on freedom and justice I highly recommend Henson's autobiography for its unvarnished insights into the lived realities of slavery which offers a unique and authentic perspective often overshadowed in favor of fictional narratives This work is essential reading for those interested in African American history literature and the enduring fight for freedom and equality

The True Story of Uncle Tom's Life: Autobiography of the Rev. Josiah Henson Josiah Henson, 2023-11-29 In *The True Story of Uncle Tom's Life Autobiography of the Rev Josiah Henson* Henson presents a poignant and deeply personal narrative that reflects the harrowing realities of slavery in 19th century America Written in an earnest straightforward style the autobiography exposes the brutality of the institution while offering a compelling account of resilience faith and the quest for freedom Henson's life experiences are intricately woven through the lens of his spiritual journey revealing the complexities surrounding the depiction of African American life both in literature and society His narrative serves not only as an essential primary source but also as a powerful counter narrative to the romanticized version propagated by contemporaneous literature notably Harriet Beecher Stowe's fictional portrayal in *Uncle Tom's Cabin* Josiah Henson was a former enslaved man who escaped to Canada becoming an inspirational figure in the abolitionist movement His life marked by profound hardships yet illuminated by an unwavering commitment to education and social upliftment underscores the historical importance of his experiences Henson's dedication to helping others particularly through his founding of the Dawn Settlement highlights his belief in self determination empowerment and the transformative power of faith This autobiography is a critical read for those interested in African American history social justice and the literature of resistance Henson's account not only amplifies the voices of the oppressed but also challenges readers to reconsider narratives of heroism and suffering As a primary document in the discourse surrounding race and humanity it is indispensable for scholars students and anyone seeking to understand the full scope of America's historical landscape **University Library of**

Becoming a Handmaid of the Lord Ronda Chervin, Ronda De Sola Chervin, 2003-06 The journals of this well known Catholic writer detail the graces that sustained her during a mid life crisis It was in the year 1977 that I first started saving my journal entries The excerpts from the journals 1977-1995 describe special graces and reflections as I staggered through more decades of my life years that included a bout with breast cancer the death of my parents the suicide of our beloved son and the death of my dear husband in 1993 Excerpt from introduction Dr Chervin's journals are insightful inspiring and challenging A Legacy of Endurance John Prcela, 2016-02-01 *A Legacy of Endurance Memoirs of My Long Life* by John Prcela My World War II and especially postwar experiences prompted me to write this book In the aftermath of WWII almost my entire Croatian generation was murdered in a long chain of Death Marches and extermination camps throughout the then

existing Communist Yugoslavia However the would be historians of that period of history have left just the blank pages about my murdered Croatian generation or they have described those victims as murderers Such travesty of justice and history prompted me to write this autobiography although I already wrote several historic books on that horrifying subject I am a survivor of that peace time Croatian Holocaust known as the Bleiburg Tragedy That is why in these memoirs I want to leave to the future American and Croatian generations my own legacy which I not only lived through so many tragic vicissitudes but also described it in several historic and theological books The Devil Has No Mother Nicky Cruz,2013-07-16 From his experience of a spiritualist childhood in Puerto Rico and gang culture in New York to an international Christian ministry Nicky Cruz has seen humanity at its best and its worst Cruz draws on his experiences and evangelistic ministry to expound the reality of the devil s attempts to gain power over individuals and communities Walk Together Children Dwight N. Hopkins,Linda E. Thomas,2010-01-01 Walk Together Children Black and Womanist Theologies Church and Theological Education draws on the long religious cultural and singing history of blacks in the U S A Through the slavery and emancipation days until now black song has both nurtured and enhanced African American life as a collective whole Communalism has always included a variety of existential experiences What has kept this enduring people in a corporate process is their walking together through good times and bad relying on what W E B DuBois called their dogged strength to keep from being torn asunder Somehow and somehow they intuited from historical memory or received from transcendental revelation that keeping on long enough on the road would yield ultimate fruit for the journey *University Library of Autobiography, Including All the Great Autobiographies and the Autobiographical Data Left by the World's Famous Men and Women* ,1918 An Autobiography Amanda Smith,1921 **John Gibson Paton: Missionary to the New Hebrides (Complete)** John Gibson Paton,2020-09-28 Love is omnipotent Wherever true passion for souls burns there we may find a new Mount of Transfiguration where the earthly takes on the complexion of the heavenly This book presents an example of the power of such love and holy enthusiasm alike in one of the great cities of Scotland and in the isles of the sea Even among the riches of missionary biography few such volumes as this are to be found and the most apathetic reader will find himself fascinated by this charming romance of real life It has been well said that he who is not ready to preach the gospel everywhere and anywhere is fit to preach it nowhere Should every candidate for the office of the ministry be first tried in some such field as the wynds of Glasgow it would prove a training in its way more profitable than any discipline in the class room and it might so shake the napkin at the four corners as to disclose whether or not there were in it even one talent for winning souls We calmly affirm after careful perusal that this biography is not surpassed for stimulating inspiring and helpful narrative by any existing story of missionary heroism Its peculiar value is twofold it shows how the most neglected and degraded masses of our cities may be reached by Christian effort and it illustrates the spirit of missions on the wider field of south sea cannibalism Our only regret is that this story of missionary labor is not carried on to its successful issue This

volume leaves us eagerly expectant of what is promised as the sequel He who doubts whether there is a supernatural factor in missions should carefully read this narrative What but the power of God could turn the demon of drink into a ministering angel or the blasphemer into a praying saint or out of the mouth of hell withdraw the half devoured wretch who was desperately bent on suicide Let those who sit quietly at home in their easy chairs or who make rousing addresses or write stirring articles on city evangelization and the estrangement of the masses from the church follow this heroic city missionary as he dives into the depths of all this depravity and degradation and demonstrates what the love of souls and the gospel of life can do to rescue those who are drowning in the abyss of perdition
