people as his children and 3 the relationship between God and his people in the place the home God made for them and made them for DeVine gives special attention to the third dimension the home God provides to his people Shalom Yesterday Today and Forever offers a more fully evangelical and orthodox comprehension of redemption while avoiding the pitfalls that often jeopardize creation friendly theologies *God, The Same Yesterday Today and Forever* Steven B. Riddley, 2011-03-11 God The Same Yesterday Today and Forever From the beginning of time after the fall of Adam man has not understood his purpose in life on Earth The unknown mysteries of life have put man on a pursuit to find answers that are already before him This is where not knowing his creator who has all the answers It the enemy of our soul that has kept us from ever knowing the age old question What is truth The universal mysteries have put man on a pursuit of the infinity to his own short life span and dies never to find the answer Have you the reader ever looked at the wonders that are in this world and asked the question where did it all get it origin Is there some one out there greater than I I have found that there are people born with no knowledge of a higher intelligence than them selves We call them atheist Well this book is about to introduce you to the reality of there is a God and at some point in the time of your life here or in the hereafter you will meet him The fear of the unknown has caused us all with out the knowledge of truth to create an inner world that exists in our thoughts that leads us to live a life of willing ignorance This reality block in our minds creates a false sense of security that is based in the material things of this world that can not talk speak or hear These are the idols we in a western world that have become the cymbals of achievements that we value as a reason for living Have you ever thought where these gifts to create these natural phenomenons came from Well for seven years the God I serve has given me the answers to many of these questions about man the cosmos and planet Earth all of which he created I am sure that when you read this book the obvious signs will convince you of these realities we all have been a willing participants in the ignorance that have led up to our present state in the world Mark 8 36 KJV 36 For what shall it profit a man if he shall gain the whole world and lose his own soul

Yesterday, Today, and Forever Gareth Lee Cockerill, 2022-06-16 Yesterday Today and Forever is not a theology of the Letter to the Hebrews nor is it simply another commentary on the text Nevertheless if you take time to work through this reading guide you will gain a rich holistic understanding of Hebrews theology and you will be able to come back to this volume again and again as a resource for personal growth teaching and preaching This book was written out of the author s desire to share the fruit of more than thirty five years of study and meditation on this often neglected but rich New Testament book to help readers see its vision of the all sufficient Christ and to gain a holistic grasp of the way the author of Hebrews has arranged the material of this book to encourage us in a life of faithfulness a message of importance for the world in which we live The book of Hebrews has been divided into seven weeks of daily readings forty nine days so you will have time for Hebrews to permeate your heart and mind If you patiently follow this schedule you will be rewarded with an understanding of Hebrews unavailable to those who want a quick fix **Yesterday, Today, and Forever** Eugene

Luning,2020-05-13 God has Bound Himself to You While every Christian is familiar with the Bible's promises few have plumbed the depths of Scripture to uncover those vows spoken by God Himself promises where the first person Speaker is a Member of the Trinity These promises are singular and distinct Their words are declarations of Divine covenant **Jesus Christ, the Same Yesterday, Today and Forever** J. F. Kirk,1962* Jesus Christ Anthony Percy,2011-08-16 Jesus Christ is the same yesterday today and forever This verse from the Letter to the Hebrews in the Bible is true Christ is alive and well Yet our relationship with him is frequently an abstract one The purpose of this book is to help you meditate on Christ in his Word to learn of Christ as if for the first time in the here and now This way Christ will become the center of your life **We Believe** Rulon T. Burton,1994 What do Mormons believe For the first time a comprehensive reference work attempts to answer this question in an accessible and authoritative manner Almost nine hundred doctrines and principles of the Church have been uniquely set forth in this one volume work We Believe presents single sentence summaries of Mormon doctrine that crystallize Mormon beliefs in a convenient user friendly format much like the Articles of Faith but instead of 13 there are 898 Arranged under 94 topics ranging from Adversity to Zion and cross referenced these single sentence doctrinal statements make it possible to grasp specific Mormon beliefs in relation to one another and to the whole of Mormon doctrine Passages taken from official Church sources that establish Church doctrines accompany each single sentence doctrinal statement making We Believe as reliable as it is handy We Believe quotes only prophets and apostles One need not rely on one author's viewpoint alone or upon second hand sources We Believe provides the actual words of the ancient prophets of scripture and of the modern prophets and apostles that authoritatively establish each doctrine of the Church Jacket
