The Promise of the Father Marianne Meye Thompson, 2000-01-01 Marianne Thompson surveys the portrayal of God as Father in the Old Testament and Second Temple Judaism in the ministry of Jesus in the Synoptic Gospels and in the writings of Paul and John Thompson argues that rather than rooting the image of God in a debate about gender Father terminology really identifies an ancestor who grants inheritance

Jesus' Promise to the Nations Joachim Jeremias, 1967 The almost exclusively Jewish scope of the ministry of Jesus has often been explained as a deliberate concentration with a view to ultimate expansion To this Dr Jeremias adds the further explanation that Jesus' own thought and policy were guided by a pattern of Old Testament expectation which enabled him to look forward confidently to the pilgrimage of the Gentiles to the Mount of God at the final consummation and accordingly to preach a bold universalism while at the same time remaining content during his ministry to limit his actual appeal to the Jews Dr Jeremias argues his case as always with a wealth of very instructive erudition C F D Moule in JTS

Joachim Jeremias who died in 1979 was Professor Emeritus of New Testament in the University of Göttingen

What Happens in Holy Communion? Michael Welker, 2000 All the large

churches in the world agree on this communion is the highest expression of the church unity Yet it is exactly the act of communion that historically has given rise to vehement controversies among the churches This new book not only explores the meaning of holy communion but also marks a turning point on the way to common understanding Welker gives a clear explanation of holy communion based on the biblical tradition and evaluates the ecumenical discourse on communion of the past thirty years In the process he answers such often posed questions as What do we mean when we say that Christ is present in communion How are Christ's body and blood connected with bread and wine What is the difference between the Christian Supper and the Jewish Passover meal and Are children allowed to share in communion

Jerusalem in the Time of Jesus Joachim Jeremias, 1969 An Investigation into Economic and Social Conditions during the New Testament Period including Economic conditions in the city of Jerusalem economic status social status and the maintenance of racial purity

In Defense of Christian Ritual David R. Andersen, 2021-03-09 Is Christian worship best conceived as a creative Spirit fueled experience that any formalized structure necessarily inhibits or are there any biblical prescriptions around for worship that Christians were meant to follow In light of recent research from various disciplines including history psychology and New Testament studies In Defense of Christian Ritual The Case for a Biblical Pattern of Worship argues the latter Specifically this book will demonstrate three things First in contrast to the anti ritualism so prevalent in modern churches ritual's indispensable role in providing biblically centered context and content is detailed Second contrary to modern opinion a definite pattern of worship is shown to be present both in our earliest New Testament documents and the early church Finally new research will reveal that the assumptions about creativity lying at the heart of modern contemporary worship are fundamentally flawed Readers will discover that the apostolic teaching embodied in the church's early ritual as expressed in its liturgy was never intended to be outdated or rendered irrelevant in light of current fads It was never meant to be a relic of the ancient past but a structured way of bringing the memoirs of the apostles that Jesus died for sinners to God's people in the here and now

A History of the Quests for the Historical Jesus, Volume 1 Colin Brown, Craig A. Evans, 2022-11-08

A comprehensive two volume reassessment of the quests for the historical Jesus that details their origins and underlying presuppositions as well as their ongoing influence on today's biblical and theological scholarship Jesus life and teaching is important to every question we ask about what we believe and why we believe it And yet there has never been common agreement about his identity intentions or teachings even among first century historians and scholars Throughout history different religious and philosophical traditions have attempted to claim Jesus and paint him in the cultural narratives of their heritage creating a labyrinth of conflicting ideas From the evolution of orthodoxy and quests before Albert Schweitzer's famous Old Quest to today's ongoing questions about criteria methods and sources A History of the Quests for the Historical Jesus not only chronicles the developments but lays the groundwork for the way forward The late Colin Brown brings his scholarly prowess in both theology and biblical studies to bear on the subject assessing not only the historical and exegetical

nuts and bolts of the debate about Jesus of Nazareth but also its philosophical sociological and theological underpinnings. Instead of seeking a bedrock of facts Brown stresses the role of hermeneutics in formulating questions and seeking answers. Colin Brown was almost finished with the manuscript at the time of his passing in 2019. Brought to its final form by Craig A. Evans, this book promises to become the definitive history and assessment of the quests for the historical Jesus. Volume One covers the period from the beginnings of Christianity to the end of World War II. Volume Two, sold separately, covers the period from the post War era through contemporary debates.

Jesus, Justice, and the Reign of God William R. Herzog, 2000-01-01 By building on his view of Jesus first developed in *Parables as Subversive Speech*, William Herzog II argues that Jesus is intensely interested in the social, political, and economic well-being of humanity. He examines the conflict stories, exorcisms, healings, and the passion narrative to develop his thesis, and in the final chapter he interprets the resurrection in light of this viewpoint.

The Historical Jesus: Jesus' mission, death, and Resurrection Craig A. Evans, 2004 Including a range of materials dating from the nineteenth century to the present, this comprehensive collection brings together the essential research into the historical reality of Jesus: the man, his teachings, and the acts and events ascribed to him that comprise the foundational story of one of the world's central religions. The set features a substantial new introduction by the editor in the first volume and a full index in the last, and provides work covering all of the key aspects of the field, including the recent discussions concerning anti-Semitism in early Christianity and the political and ideological filtering of the Jesus story through the Roman empire and beyond.

Critical Realism and the New Testament Ben F. Meyer, 1989-01-01 This long-standing series provides the guild of religion scholars a venue for publishing aimed primarily at colleagues. It includes scholarly monographs, revised dissertations, Festschriften, conference papers, and translations of ancient and medieval documents. Works cover the sub-disciplines of biblical studies, history of Christianity, history of religion, theology, and ethics. Festschriften for Karl Barth, Donald W. Dayton, James Luther Mays, Margaret R. Miles, and Walter Wink are among the seventy-five volumes that have been published. Contributors include C. K. Barrett, Francois Bovon, Paul S. Chung, Marie Helene Davies, Frederick Herzog, Ben F. Meyer, Pamela Ann Moeller, Rudolf Pesch, D. Z. Phillips, Rudolf Schnackenburg, Eduard Schweizer, John Vissers.

There is Hope for a Tree Kirsten Nielsen, 1989-02-01 Insights gained from the study of metaphorical language in other fields, particularly New Testament parable research, are here applied to the tree metaphors in Isaiah 1:39. The focus of investigation is the content of the metaphors, the intentions underlying their use, and the consequences of that use. The author suggests that 1) the informative function of the tree metaphors is to provide theological interpretations of the political situation; 2) the performative function of the metaphors is to engage the audience in such a way that they adopt the metaphors' interpretation of reality as their own; 3) the use of metaphorical language encourages continual reinterpretation of the original proclamation. The tree in the Garden, the felling of trees, new growth of felled trees, and the forest fire are among the images Isaiah uses to make his political statements. He shows himself to be an

extremely competent rhetorician in using these images to instil an active response in his audience The modes in which the metaphors can be reinterpreted and reapplied in new contexts are perceived as significant not only for the composition of Isaiah but for that of subsequent religious literature

The Vermes Quest Hilde Brekke Moller, 2017-07-13 Geza Vermes is a household name within the study of the historical Jesus and his work is associated with a significant change within mainstream Jesus research typically labelled the third quest Since the publication of *Jesus the Jew* in 1973 many notable Jesus scholars have interacted with Vermes's ideas and suggestions yet their assessments have so far remained brief and ambiguous Hilde Brekke Moller explores the true impact of Vermes's Jesus research on the perceived change within Jesus research in the 1980s and also within third quest Jesus research by examining Vermes's work and the reception of his work by numerous Jesus scholars Moller looks in particular depth at the Jewishness of Jesus the Son of Man problem and Vermes's suggestion that Jesus was a Hasid all being aspects of Vermes's work which have attracted the most scholarly attention Moller's research historical approach focuses not only on the leading scholars of the field such as E P Sanders J D Crossan J P Meier and C A Evans but also sheds light on underplayed aspects of previous research and responds to the state of affairs for recent research by challenging the rhetoric of current historical Jesus scholarship

Adoption in Galatians and Romans Erin M. Heim, 2017-03-06 In a new study on the Pauline adoption metaphors Erin Heim applies a wide array of contemporary theories of metaphor in a fresh exegesis of the four instances of adoption huiiothesia metaphors in Galatians and Romans Though many investigations into biblical metaphors treat only their historical background Heim argues that the meaning of a metaphor lies in the interanimation of a metaphor and the range of possible backgrounds it draws upon Using insights from contemporary theories Heim convincingly demonstrates that the Pauline adoption metaphors are instrumental in shaping the perceptions emotions and identity of Paul's first century audiences

Pillars in the History of Biblical Interpretation, Volume 3 Stanley E. Porter, Zachary K. Dawson, 2021-06-07 This third volume like its predecessors adds to the growing body of literature concerned with the history of biblical interpretation With eighteen essays on nineteen biblical interpreters volume 3 expands the scope of scholars both traditional and modern covered in this now multivolume series Each chapter provides a biographical sketch of its respective scholar's an overview of their major contributions to the field explanations of their theoretical and methodological approaches to interpretation and evaluations and applications of their methods By focusing on the contexts in which these scholars lived and worked these essays show what defining features qualify these scholars as pillars in the history of biblical interpretation While identifying a scholar as a pillar is somewhat subjective this volume defines a pillar as one who has made a distinctive contribution by using and exemplifying a clear method that has pushed the discipline forward at least within a given context and time period This volume is ideal for any class on the history of biblical interpretation and for those who want a greater understanding of how the field of biblical studies has developed and how certain interpreters have played a formative role in that development

The Offering of the Gentiles David J.

Downs ,2016 The monetary fund that the apostle Paul organized among his Gentile congregations for the Jewish Christian community in Jerusalem was clearly an important endeavor to Paul discussion of it occupies several prominent passages in his letters In this book David Downs carefully investigates that offering from historical sociocultural and theological standpoints Downs first pieces together a chronological account of Paul s fund raising efforts on behalf of the Jerusalem church based primarily on information from the Pauline epistles He then examines the sociocultural context of the collection including gift giving practices in the ancient Mediterranean world relating to benefaction and care for the poor Finally Downs explores how Paul framed this contribution rhetorically as a religious offering consecrated to God *The Hermeneutics of Doctrine* Anthony C. Thiselton,2007-11-08 Throughout the book Thiselton shows how perspectives that arise from hermeneutics shed fresh light on theological method reshape horizons of understanding and reveal the relevance of doctrine for formation and for life
