## **John The Baptist Prophet And Disciple:**

**John the Baptist** Alexander J. Burke, 2006 For the first time in nearly 50 years a casual yet informative method to learn about John the Baptist Why did each of the four evangelists make John the gateway to the Gospel the first preacher of Good News What were the reasons for the early Church's intense interest in a desert hermit whose public ministry lasted two years or less Why in early Christian tradition was John the Baptist accorded an exalted religious stature almost equal to that of Mary The irony is that most modern scholarship on John has missed the true sources of his religious significance in his links to Christ and to the very earliest beginnings of the Christian religion from the Introduction Alexander Burke pieces together the mystery of this well known disciple of Jesus one chapter at a time covering John's preaching arrest and execution his role in Eastern and Western Christian Tradition and the many paradoxes surrounding him An excellent resource for group or individual study John the Baptist offers questions for reflection at the end of each chapter Discover a fresh perspective of John the Baptist Let him rise to the top of the beauroll of Christian heroes where Jesus believed he belonged Step back and see the beautiful mosaic of mysteries that made up this fascinating saint's life

**John the Baptist** Carl R. Kazmierski, 1996 John the Baptist is one of the most fascinating and misunderstood characters in the Bible A prophet of two worlds he calls out to the Israel of his own generation and to Christian believers of today to heed the most radical demands of conversion and newness of life Kazmierski reflects on the rich and colorful portrait of John found in the New Testament and invites readers to respond to John's message and to hear the voice crying in the wilderness

**A Theology of Matthew's Gospel** Michael J. Wilkins, 2025-10-07 A Theology of Matthew's Gospel develops the perspective that Matthew wrote his Gospel to identify defend and proclaim Jesus Immanuel God with us as the Davidic Messiah who fulfilled the OT expectations of humanity's redemption Matthew's Gospel establishes Jesus's identity as the heir to the promises of Israel's throne through King David and heir to the promises of blessing to all the nations through the patriarch Abraham 1 1 So this first Gospel offers evangelistic hope in Jesus's message of the gospel to Jews contending that they should turn to Jesus as their long awaited Messiah Matt 11 2 6 But strikingly Matthew's Gospel also offers evangelistic hope to Gentiles emphasizing that salvation through Jesus Messiah is available to all the nations 28 19 The book emphasizes the three horizons that comprise Matthew's gospel history theology and literature The first horizon focuses on Jesus's history ministry Here Matthew provides for us a record of God's activities in history in the arrival of Jesus Messiah and the kingdom of heaven The second horizon develops Matthew's theological perspective for his audience's Here we attempt to understand and isolate Matthew's unique theological perspective of God's activities in Jesus Messiah This is a central focus emphasizing Matthew's theological perspective of the Old Testament Christology the kingdom of heaven discipleship the Church church Israel past present and future the death and resurrection of Jesus mission commission and eschatology eternity The third horizon emphasizes today's reader's engaging with Matthew's Gospel as literature Here we attempt to capture the significance of the perspective of

today's reader's understanding of Jesus Messiah's activities in history and Matthew's theological perspective for the contemporary church. In this book we view Matthew's perspective of God's activities in Jesus's unfolding earthly ministry. The alternating sections of narrative and discourse provide for his readers Jesus's example to follow and Jesus's words to obey. Therefore Matthew's Gospel is at least in part a manual on discipleship to Jesus Messiah in the kingdom of heaven. In the six Narratives Matthew reveals Jesus's true identity in his deeds and introduces themes that will lead to instructions to Jesus's disciples in the Discourses. The six Narratives provide the example that Jesus's disciples are commanded to obey. In the five Discourses Matthew records Jesus's instructions, commands, parables, directives, and prophecies that will guide his followers in their discipleship to Jesus until the end of the age. Combined, the narratives of Jesus's life provide Jesus's example to follow, and the discourses give Jesus's instructions to obey and are the basis of our ongoing transformation to become like Jesus.

**Biblical Truths and the Plan of Salvation** Marilyn E. Phelan, Jay M. Phelan, 2023-03-01. A judge and a retired law professor co-authors of *In His Footsteps: The Early Followers of Jesus* provide in this book a comprehensive study of the Scriptures from Genesis to Revelation with an objective to connect the early Scriptures to the New Testament writings of the first believers and to present conclusive proof that the coming of the Lord Jesus Christ fulfilled scriptural prophecies of a promised Messiah. The book clarifies parts of the Scriptures some find difficult to understand given the many languages and translations through the ages in which the nonetheless timeless and amazing words from the Bible were written and recorded. The book details historical events that led to the development of the books of the New Testament and documents the history of the spread of the gospel from the early church to the present. In also reviewing current events that point to a nearing of the end times and a miraculous return of the Messiah, the last chapter includes a timetable of incidents that have led to the new nation of Israel and the return of the Jewish people to their homeland, additional evidence of the truth and the continuing fulfillment of scriptural prophecies.

**The Making of a Disciple** Edward W. Watson, Martin M. Culy, 2021-09-02. Modern readers sometimes view the Gospels and other biblical narratives as mere historical accounts of events that occurred long ago. Biblical narratives, however, are intended to do far more than teach us history. They are intended to change how we think and how we live. In *The Making of a Disciple*, Watson and Culy use insights from narrative criticism to show that the message of the Gospel of John is communicated not only through the teachings and deeds of Jesus but also through the actions of the other main characters and the consequences of their actions. As readers observe characters interacting with Jesus, they are implicitly encouraged to either emulate or avoid their behavior. Coupled with the teachings and acts of Jesus, these characters serve as potent tools in the Gospel of John to showcase what it looks like not only to become a disciple of Jesus but also to grow to maturity and experience the fullness of joy that Jesus offers.

**Jesus the Apocalyptic Prophet** Cecilia Wassen, Tobias Hägerland, 2021-01-14. In this new English language translation of *Den okände Jesus: The Unknown Jesus*, Cecilia Wassen and Tobias Hägerland consider Jesus as an apocalyptic prophetic figure within the context of first

century Judaism and reconstruct the life of Jesus from his birth to his death with a focus on understanding him in the context of his own time and place Engaging critically with the sources they examine Jesus life in order of events and draw together the threads of scholarly discussion on the history archaeology and geography of first century Galilee forming a complete picture of Jesus world suitable for non specialists and university students Wass n and H gerland provide a strictly historical reconstruction distinguishing between the rhetorical aims of the New Testament texts and the information about the past that these texts contain They enhance the texts surrounding Jesus in the context of first century Galilee with historical and archaeological reflections and discussion including penetrating insights from the Dead Sea Scrolls Illustrated throughout with photographs taken by the authors specifically to offer insights into the world of Jesus and the New Testament writings Jesus the Apocalyptic Prophet provides a deeply informed introduction to Jesus in his first century context **John the Baptist** Catherine M. Murphy,2003 Examines how and why the authors of the first three Gospels shaped the story of John the Baptist around the story of Jesus Careful comparison of these foundational texts yields not only the perspectives of the Synoptic authors but also a provisional sketch of the historical figure of the Baptist which is then placed within the religious political and economic context of first century C E Judea Special attention is given to the interface between John and the Qumran community that scholars have proposed ever since the Dead Sea Scrolls were discovered *CSB Disciple's Study Bible* Robby Gallaty,CSB Bibles by Holman,2017-11-15 The CSB Disciple s Study Bible is designed to help you follow Jesus and disciple others It features discipleship themed articles and study notes by pastor and author Robbie Gallaty the Foundations 260 Reading Plan journaling space to use the H E A R method Highlight Explain Apply Respond and more With additional articles on discipleship from the team at Replicate Ministries this resource rich discipleship Bible will help foster daily engagement and practical application of God s Word in the life of readers FEATURES Discipleship themed study notes F260 Reading Plan with commentary and H E A R journaling space Discipleship articles from the team at Replicate Ministries Book introductions featuring timelines Outlines and contribution to the Bible Center column cross references Topical subheadings 2 column text Concordance Smyth sewn binding Presentation section Full color maps and more 10 point type Silver gilded edges The CSB Disciple s Bible features the highly readable highly reliable text of the Christian Standard Bible CSB The CSB captures the Bible s original meaning without sacrificing clarity making it easier to engage with Scripture s life transforming message and to share it with others In His Footsteps Marilyn E. Phelan,Jay M. Phelan,2021-06-08 From the lengthy research and pen of two lawyers a judge and a former law professor this book In His Footsteps The Early Followers of Jesus is a guide to understanding the early Christian movement through a study of the lives and ministries of the first believers most of whom had met with the risen Jesus and thus knew without doubt that Jesus was the Christ and Savior of the world The book cites accounts from Eusebius a third century Greek Christian historian who also referenced testimony from first century Christians about the almost unbelievable courage of the early followers of Jesus who willingly and fearlessly

despite tremendous persecution and sufferings brought to an otherwise lost world an assurance of life eternal for all believers The book also refers to the fulfillment of many of the biblical prophecies the principal ones being the restoration of the nation of Israel and the return of many Jewish people to their homeland This book is an indispensable resource for all persons as the tremendous sacrifices of the first believers should never be forgotten *CSB Disciple's Study Bible, Brown/Tan LeatherTouch* Robby Gallaty, CSB Bibles by Holman, 2017-11-15 The CSB Disciple's Study Bible guides an individual's journey in following Jesus by featuring discipleship themed study notes as well as tools and resources that equip Christians to disciple others This CSB study Bible includes the Foundations 260 Reading Plan featuring 260 concise daily readings with commentary from Pastor Robby Gallaty and ample page space to engage the text and journal via the H E A R journaling method Highlight Explain Apply Respond With additional articles on discipleship from the team at Replicate Ministries The Disciple's Study Bible will help foster engagement and practical application of God's Word in the life of a disciple on a daily basis Features of this CSB Christian Bible include an Introduction to The CSB Disciple's Study Bible and Foundations 260 F260 reading plan by Pastor Robby Gallaty discipleship themed study notes F260 Reading plan with commentary and H E A R journaling space discipleship articles from the team at Replicate Ministries book introductions featuring timelines outlines and contribution to the Bible center column cross references topical subheadings two column text concordance Smyth sewn binding presentation Section and full color maps CSB Bibles by Holman feature the highly readable highly reliable text of the Christian Standard Bible R CSB The CSB stays as literal as possible to the Bible's original meaning without sacrificing clarity making it easier to engage with Scripture's life transforming message and to share it with others *Advanced Discipleship 301* Ron Hordyk, 2019-11-01 There is nothing we can do to coerce the Holy Spirit to reveal Himself in power All we can do is humbly yield our lives to Him and ask that He manifest His power within us A spiritual man knows that the Holy Spirit can do far more than he can ask or imagine Since he believes in the power of the Holy Spirit he acts on God's promises as reality and walk in expectation of their fulfillment **The Life and Writings of St. John** James Madison MacDonald, 1877 Matthew, Disciple and Scribe Patrick Schreiner, 2019-09-03 This fresh look at the Gospel of Matthew highlights the unique contribution that Matthew's rich and multilayered portrait of Jesus makes to understanding the connection between the Old and New Testaments Patrick Schreiner argues that Matthew obeyed the Great Commission by acting as scribe to his teacher Jesus in order to share Jesus's life and work with the world thereby making disciples of future generations The First Gospel presents Jesus's life as the fulfillment of the Old Testament story of Israel and shows how Jesus brings new life in the New Testament **Jesus, Disciple of the Kingdom** Osvaldo D. Vena, 2014-01-08 That Jesus started his career as a disciple of John the Baptist is an idea that has gained almost universal recognition in the scholarly world His coming from Galilee to be baptized by John in the river Jordan is the most compelling proof of Jesus subordination to John But quickly after John was executed Jesus started his own career not as a disciple anymore but as a teacher in his

own right In this book Osvaldo Vena makes the claim that throughout his ministry Jesus remained a disciple not of John but of a higher power God and God s kingdom Thus Jesus called men and women to join him as co disciples as he went about proclaiming the nearness of the kingdom through word and action In this work Vena contends that in the Gospel of Mark Jesus is presented as a prototype of true and faithful discipleship a model to be followed and imitated by ancient as well as contemporary believers This presentation amounts to an emerging Christology espoused by the early Markan community on the verge of destruction from outside forces specifically the Jewish Roman war as well as internal divisions resulting from struggles for power in the community
