How to Use your Field Trip Guide

Field Trip Guides provide structure and suggestions on a per teacher basis within ECDM's exhibition space. This will allow you, your students and your experiences to be personalized to address outcomes and objectives from. The suggestions are helpful by detailing goals for your visit. These goals may include reviewing aspects of your science curriculum, understanding which topics to be a priority, or allowing your students that science learning can be used and fun! If your focus particular curriculum goals, use this Field Trip Guide to connect what you are doing in your classroom with our per visit activities. The recommended visiting times of the ScienceCenter Miami for each of your experiences, so that they can guide the students through the exhibits and help record observations. Our ScienceCenter Miami are designed to be comprehensive, and focus on critical skills and scientific thinking. As a result, there may not be one experience for each of the topics. This means you will not find an overview for any of the ScienceCenter Miami. Instead, you'll find descriptions for science concepts that are from your experiences. If you feel you need more clarification, you can always contact us at fieldtrip@ecdm.org.

ECDM is a big place. As a result, you may not see everything in one day. Take your time, don't rush, and allow your students to explore the things that they find interesting. Allow them to be in a guided tour to the most interesting, so they can get involved in an experience. Rather than trying to see everything, select just a few areas to spend your day. This will save time, but you will learn more.

Exhibits related to Force & Motion

ECDM is a great place to learn about force and motion. Below are descriptions of exhibits related to force and motion. Push, pull, stress, and weight by water can be related with these exhibits. When you visit them in Chicago, Chertsey, Big Science Park, Space, and the Heritage.
