Jehovah Himself Has Become King:

Jehovah Himself Has Become King Robert King, 2010-05 Critics have leveled many accusations against the leaders of the Watchtower Jehovah's Witnesses accusing them of being soft on pedophiles of being false prophets and of ruining families But how do we know what Jehovah himself thinks of the organization that bears his name The answers are in the Bible Robert King offers a unique interpretation of God's judgments in scripture comparing modern day Jehovah's Witnesses to the people of Jerusalem in ancient times who came under God's judgment This prophetic book does more than expose the errors and hypocrisy of the Watchtower's leadership it serves as a revelation of God's judgments on the people who bear his name Jehovah Himself Has Become King is a must read for both devout Jehovah's Witnesses and those who are questioning their faith This revised third edition includes new indexes and updates on current problems facing the church making it a definitive reference guide **Jehovah himself has become king!** , *Jehovah Himself Has Become King* Robert

Ancel Killion, 2010-03-25 The information that I have presented in these writings is possibly controversial to the belief of others In my search for Bible truth I have derived from others many of the conclusions found within these Biblical subjects With each subject I have insisted on positive proof by finding supporting scriptures that prove their meaning By doing extensive search of the scriptures I believe the things written here are closer to Bible truth than what others have found I was prompted to get a better understanding of the scriptures by the fact that there are so many different beliefs being taught in the Christian churches I have tried to keep an open mind about those things that I have heard from the many ministers of the churches that I have attended I have always been with the idea that if one just accepts what you are being told in these churches there is a danger because you are putting your salvation in another's hands I have come to believe there are many false ideas being taught by those ministers of the Christian belief I believe those ministers are sincere with their teaching but I also believe they in many ways have it wrong I have considered the old saying if you are being led by a blind man and he falls into the ditch you also will fall into that ditch I feel strongly that each one of us is responsible for our own salvation by hopefully getting it right The things I have written are my opinion and one must decide upon reading if it agrees with your

understanding For many years I have done extensive study of the scriptures and believe I have found a more truthful understanding of those scriptures I believe in what I have found so strongly that I feel I must tell others JEHOVAH'S KINGDOM L.A. Pressnall,2009-11-30 THE KINGDOM OF GOD HAS COME In the Lord s Prayer we acknowledge that our Heavenly Father s name is holy We pray for his will to be done on earth as it is in heaven Jehovah our Heavenly Father is establishing righteousness here on earth reflecting that in heaven He has sent his Son Jesus Christ to bring true justice for those who walk in God s ways the end of cruelty and suffering the restoration of the earth and the resurrection of our loved ones This is also the Day of Reckoning for all people Jehovah s Witnesses call themselves by God s holy name Therefore Jehovah himself has measured their teachings and conduct Those taking the lead are responsible for shepherding God s people with tenderness and compassion as Jesus would Instead they manipulate the holy scriptures to control people They also seek material and political security instead of looking to God In doing these things they forsake righteousness and deny their faith They have broken their covenant relationship with Jehovah Consequently their light is no more Jeremiah 4 23 31

SUMMARY OF WRITINGS All writings herein are resulting from an extensive search of the entire bible to determine if all things being taught about the Christian belief are factual Along with considering those things being taught I have also considered the Bible is not in good order as far as prophecies are concerned Many things God gave his writers of the scriptures were not of benefit for them at that time but were intended for those living in the end times In order to correctly determine the destination of the inhabitants of the earth as God has planned I know it to be a fact that every prophecy has a fulfillment and presented in these writings is what I have found that I believe to be those fulfillments Many things that are found in the Old Testament are written as if they had already occurred so this must be considered when reading those scriptures of prophecy This is just another reason why some prophecies may seem to be out of order In reading my findings most people of the Christian belief will come to realize they are in difference in their belief with what I have found The churches claiming to be of the Christian belief have many different ideas about this belief and by knowing about those different ideas that churches teach I was determined to prove or disprove what I believe some of which to be misguided ideas Those churches that maintain the idea that by the Bible being presented as New and Old Testament in dividing it determining the Old Testament as history only are making a grave mistake In truth much of the Old Testament portion of the Bible contains prophecy yet to come about This includes the very first prophecy of the Bible found at Genesis 3 15 which is only partially fulfilled and contains Gods promise of eventually removing Satan from power I have determined that God is allowing the earths population time to come to the realization only He can provide for what man needs to maintain a happy and enjoyable life on the earth Had He not allowed this time that has passed since the failure of our original parents those living today would not have had the potential for life He did not create man to live on this planet without needing His

direction The great thing one must come to realize is the fact that God has plans for the earth to return it to what he intended from the very beginning of his putting man on it He put man in the Garden of Eden for the purpose of populating the earth with his fleshly beings in which he created in his own image He did not create the earth for it to then become non-existent Of those that find things that I have put in writing that do not agree I ask that they at least study the scriptures provided to decide if what they have been taught might be in error A great amount of mans doctrines have been incorporated many years ago in their teaching that leads those astray that truly want Bible truth Those that use discernment will know those false teachings are leading them in the wrong direction There truly are many mysteries contained in the Bible that can easily be misunderstood Even those chosen by Christ that served with him while he was on the earth to help with his teaching did not totally understand the destination of the earth until they were told in private what to expect Most of the false teachings that are found in the Christian belief today were initiated in the very first century after the death of those personally taught by Jesus Christ In order to maintain those false doctrines being taught in the churches today many scriptures that prove them in error must be omitted from the Bible in order to present those false beliefs The greatest hindrance of these false teachings is to those that consider the Old Testament as history only To those that refuse to accept the Old Testament as containing prophesy yet to be fulfilled might as well forget about reading any further These will never come to a good understanding of the B

Snaith,2016-08-11 This study has its origin in a twenty year old interest in Sigmund Mowinckel s theory of an annual new year Coronation Feast of Jehovah in Israel The first outcome of this interest was a volume entitled Studies in the Psalter 1934 in which I endeavored to show that the psalms which Mowinckel associated most closely with this supposed Coronation Feast were actually post exilic and in any case were Sabbath psalms It is impossible if my thesis is sound that these psalms could ever have been and the apparatus of a pre exilic feast of the type which Mowinckel proposed From the Preface "The" Psalms ,1877 **The Psalms, with intr. and critical notes by A.C.
