Jeremiah & Lamentations (tyndale Old Testament Commentaries). WISEMAN D. J. ed,1973 **Jeremiah and Lamentations** Roland Kenneth Harrison,1973 Jeremiah and Lamentations Hetty Lalleman,2013-02-01 Lifting out the understated themes of love grace promise and renewal in Jeremiah and Lamentations this commentary by Hetty Lalleman opens our eyes to an important chapter in salvation history **Jeremiah and Lamentations** ,1868* **Jeremiah and Lamentations** R. K. Harrison,2009-06-01 Jeremiah and Lamentations: an Intr. and Commentary ,1973 *1 and 2 Kings* Donald J. Wiseman,1993 The book of Kings is a unique source for understanding the history of Israel from the last days of the united kingdom under David to the eventual fall of the kingdoms of Israel and Judah Presenting Israel s national history from a divine viewpoint these narratives measure the kings of Israel and Judah not by the mark they leave on secular history but by their doing what is right in the Lord s sight Embedded in this story are enduring lessons of the ways of God with his people in every age In this commentary Donald Wiseman brings to this portion of Scripture his life long study of the archeology history languages and documents of the ancient Near East No other commentary on Kings offers as much historical background and well considered judgement in such concise and accessible form **Jeremiah and Lamentations** R. K. Harrison,2009-10-19 With the ancient Near East in a state of ferment and the nation of Judah experiencing a succession of political crises God stationed a man on the scene to speak the divine word Jeremiah was called by God to the unhappy task of telling an unheeding nation it was going to be judged and destroyed Often he seemed to despair yet he continued to utter God s truth fearlessly leaving as part of his spiritual legacy a demonstration of a man s ability to make religious life an essentially personal relationship with God The structural analysis of this commentary along with the historical and cultural background it provides opens up to modern readers one of the Old Testament s most fascinating books The original unrevised text of this volume has been completely retypeset and printed in a larger more attractive format with the new cover design for the series **TOTC Jeremiah & Lamentations (New Edition)** Hetty Lalleman,2015-01-16 Despite the themes of doom and destruction the primary message of Jeremiah is one of the love and grace of a God who never gives up on those he has called to be his own The prophet s life is characterized by suffering but he points to a new beginning a new covenant and a new hope eventually made possible through the unique Suffering Servant Lamentations powerfully expresses personal and national suffering Yet even in these utterances of desperate grief there are glimpses of hope Hetty Lalleman opens up these fascinating books for today s readers *TOTC Jeremiah & Lamentations* R Harrison,2015-01-01 These commentaries are designed to help the reader of the Bible understand what the text says and what it means The Introduction to each book gives a concise but thorough treatment of its authorship date original setting and purpose Following a structural Analysis the Commentary takes the book section by section drawing out its main themes and also comments on individual verses and problems of interpretation Additional Notes provide fuller discussion of particular difficulties The goal

throughout is to explain the true meaning of the Bible and make its message plain

The New Covenant Torah in Jeremiah and the Law of Christ in Paul Femi Adeyemi, 2006 Original Scholarly Monograph

The Book of Jeremiah John Goldingay, 2021-12-07 Of the Major Prophets Jeremiah is perhaps the least straightforward It is variously comprised of stories about the prophet Jeremiah exchanges between Jeremiah and Yahweh and messages directly from Yahweh meaning a consciousness of form is essential to the understanding of its content At times it is written in poetry resembling Isaiah while at other times it is written in prose more similar to Ezekiel And it is without doubt the darkest and most threatening of the Major Prophets inviting comparisons to Amos and Hosea John Goldingay a widely respected biblical scholar who has written extensively on the entire Old Testament navigates these complexities in the same spirit as other volumes of the New International Commentary on the Old Testament series rooted in Jeremiah's historical context but with an eye always trained on its meaning and use as Christian Scripture After a thorough introduction that explores matters of background composition and theology Goldingay provides an original translation and verse by verse commentary of all fifty two chapters making this an authoritative and indispensable reference for scholars and pastors as they engage with Jeremiah from a contemporary Christian standpoint

The Message of Lamentations Christopher J. H. Wright, 2023-11-14 It is out of the unspeakable pain of the destruction of Jerusalem that Lamentations speaks through poetry of astonishing beauty and intricacy In this BST volume Christopher Wright argues that the book of Lamentations offers deep challenge and deep rewards that come with wrestling with the massive theological issues that permeate it

Books by evangelical scholars on messianism in the Old Testament are either outdated too brief or lack balance observes the author Messianic Revelation in the Old Testament represents the most thorough conservative analysis of the century Van Groningen traces the messianic expectation as it is progressively revealed in the Hebrew Scriptures He first introduces the messianic concept defining its terms and uncovering its source He finds these messianic presentations rooted in and shaped by divine revelation The major part of this volume explores messianism s philological historical and theological aspects The result of this study writes the author reveals that the messianic concept refers to a royal priestly prophetic person and his work Passages that deal with these messianic motifs have been selected for close scrutiny and evaluation The author believes that a correct understanding of messianism in the Old Testament requires a balanced hermeneutical approach from exegeting the relevant texts and studying their historical context to interpreting prophecy and organizing its theological truths In the words of the author To omit one element is to do injustice to the Old Testament Van Groningen has included an extensive bibliography of both books and articles for those wishing to pursue additional study A Scripture index helps one to locate the author s exegetical insights on various passages An index of persons concludes the work *Ancient Near Eastern Literature and the Hebrew Scriptures about the Fatherhood of God* David Tasker,2004 Ancient Near Eastern Literature and the Hebrew Scriptures About the Fatherhood of God discusses some of the main father god concepts of the people of the Ancient Near East then examines the eighteen occurrences of God s fatherhood specifically mentioned in Hebrew Scripture From these sources the book develops a theology of God s fatherhood that honors both ancient and modern scrutiny Although many studies have explored the subject of the fatherhood of God mostly from the perspective of nonbiblical disciplines and through the lens of Greco Roman mythology this book takes into account the wealth of material from the ancient Near East the birthplace of the Hebrew Scriptures
