Jerries Journey Jerald Hightower:

Jerrie's Journey Jerald Hightower, 2015-11-29 In Jerrie's Journey author Jerald R Hightower offers her life story along with poetry and short stories to encourage and inspire others who are facing hardships of their own. It all begins with a short memoir telling the intriguing story of how Hightower went from being a gorgeous black teenager dating older men to building a career in nursing on the West Coast. The title refers to Jerald's experience with liver and kidney failure and how after five years on the transplant lists in her hometown of Memphis Tennessee and her current home of San Francisco California her prayers were finally answered. Thanks to the glory of God and her medical Dream Team she survived a quintuple bypass heart surgery as well as a liver and kidney transplant. After her miraculous recovery Hightower went on to earn an AA at the age of seventy six and become a Baptist minister. She now preaches the Gospel on her own radio show. Also included is a collection of Hightower's poems and stories through which you will gain further insight into her struggles, her dreams, her keen observations and her blessed journey with the Lord Jesus Christ. **Going 15 Rounds With Jerry**

Izenberg Ed Odeven, 2020-10-12 Jerry Izenberg's career in newspapers began eight decades ago as a college student. And since 1962 he has penned sports columns for The Star Ledger, a New Jersey newspaper. Memories from throughout his career, insights on mentors and general impressions of historic figures, Muhammad Ali, Grambling University football coach Eddie Robinson, thoroughbred legend Secretariat, and columnists Red Smith and Jim Murray among others provide an overview of what he's observed and written about in his distinguished career which included 53 consecutive Super Bowls through 2019. Izenberg's upbringing in New Jersey ignited a love of baseball at a young age and tales from the ballpark are presented from the 1930s in Newark to Fidel Castro in Havana in the late 1950s to decades later. Izenberg connected with people and told meaningful stories about their lives including Nelson Mandela's after meeting him and watching Olympic boxing with him in the stands in Barcelona in 1992. It's a topic briefly explored in the book. Above all, **Going 15 Rounds With Jerry Izenberg** illuminates the breadth and depth of his extraordinary career and gives a wide range of prominent sports media members an opportunity to also reflect on his career and legacy. Jerry Osborne's Rockin' Records, 1997 **Death of an Angel** Donald Davis, 2011-04-01 When prosperous lawyer Ernest Brendel mysteriously disappeared along with his wife Alice and their 8 year old daughter Emily, friends in the close knit Rhode Island neighborhood worried that family had been kidnapped. It would be agonizing months in a massive FBI search before they would know the heartbreaking truth. The shaken community began to lose hope that the family would ever be found alive. Their worst fears were confirmed when heavy rains from a tropical storm uncovered Alice and Ernest Brendel's badly decomposed bodies, shot with a giant crossbow, strangled and buried in the quiet woods of the town. Lying under her mother's corpse was little Emily's lifeless body, now a silent witness to her killer's shocking identity. Like a hand pointing from the grave, the evidence led authorities to one of Ernest Brendel's closest and most trusted friends. What Ernest couldn't have

Theorising Literary Islands Ian Kinane,2016-11-16 Theorising Literary Islands is a literary and cultural study of both how

and why the trope of the island functions within contemporary popular Robinsonade narratives It traces the development of Western isomania or our obsession with islands from its origins in Daniel Defoe's Robinson Crusoe right up to contemporary Robinsonade texts focusing predominantly on American and European representations of fictionalized Pacific Island topographies in contemporary literature film television and other media Theorising Literary Islands argues that the ubiquity of island landscapes within the popular imagination belies certain ideological and cultural anxieties and posits that the emergence of a Western popular culture tradition can largely be traced through the development of the Robinsonade genre and through early European and American fascination with the Pacific region **Billboard** ,1970-06-13 In its 114th year Billboard remains the world's premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends *Experimental Television, Test Films, Pilots and Trial Series, 1925 through 1995* Vincent Terrace,2024-10-16 Test films pilots trial series limited runs summer tryouts by whatever name television networks have produced thousands of experimental shows that never made it into the regular line up Some were actually shown but failed to gain an audience many others never even made it on the air This work includes more than 3 000 experimental television programs both aired and unaired that almost became a series Entries include length network air date if appropriate a fact filled plot synopsis cast guest stars producer director writer and music coordinator Fully indexed
