Revelation, Scripture and Church Richard R. Topping, 2016-04-08 How does God s involvement with the generation of Holy Scripture and its use in the life of the Christian church figure into the human work of Scripture interpretation This is the central question that this book seeks to address In critical conversation with the influential hermeneutic programs of James Barr Paul Ricoeur and Hans Frei Topping demonstrates how God s agency has been marginalized in the task of Scripture interpretation Divine involvement with the Bible is bracketed out Barr rendered in generic terms Ricoeur or left implicit Frei in these depictions of the hermeneutic field The result is that each of these hermeneutic programs is less than a realist interpretative proposal Talk of God is eclipsed by the terminal consideration of human realities Topping argues for the centrality of doctrinal description in a lively theological understanding of Scripture interpretation for the life of the church

Biblical Theology Nick Roark, Robert Cline, 2018-03-15 Throughout the history of the church Christians have always had to contend with the influence of unbiblical teachings related to God humanity and salvation One of the most important safeguards against all forms of heresy is a robust appreciation for biblical theology reading the Bible in a way that takes into account the whole storyline of redemptive history Exhorting pastors and other church leaders to prioritize biblical theology in their own congregations this book explains basic principles for reading the Bible that help pastors teach the big story of the Bible from every text Understanding the Bible in Christ centered terms shapes the church s teaching and mission and protects the truth of the gospel around the world Handbook on Postconservative Theological Interpretation Ronald T.

Michener, Mark A. Lamport, 2024-10-24 Postconservative theology may be said to parallel with postliberal theology at its best Orthodox biblical but open to new insights about how to interpret Scripture But the new insights must be faithful as well as fresh Postconservative theology is not the same as progressive theology which tends to lean toward indeterminant faith expressions whereas postconservative allows for particular faith commitments and expressions but understands that the constructive task of theology is never finished Authors emphasize various interpretive theological lenses used for doing theology among various postconservative theologians rather than emphasizing the philosophical background to hermeneutical theory present in other works such as past influential thinkers including Gadamer Grondin Ricoeur Heidegger etc This resource could also function as a companion to Evangelical Theological Method Five Views 2018 This emphasis of the chapters will not be on the nuts and bolts of how to interpret but rather on the theological impulses that govern various lenses Bible cultural context etc for doing theology and the way Scripture functions with respect to the practice of interpretation

The Sacred Dread Dr. Merhawi Zere, 2025-09-02 In the landscape of contemporary Christian literature The Sacred Dread Insight Into the Holy Fear of God emerges as a groundbreaking exploration of one of the most essential spiritual principles the fear of God Dr Merhawi Zere presents a bold and thorough examination that challenges shallow religious norms and repositions the fear of God as the foundation of authentic spiritual growth Dr Zere reveals the fear of God evolves from an obligation to avoid condemnation on judgment day into the soul s deepest joy and fulfillment This book challenges readers to go deeper in their faith rejecting cultural compromises and empty routines to find genuine fellowship with God At its core The Sacred Dread confronts the eternal consequences of spiritual apathy By dismantling intellectual defenses it exposes the spiritual lethargy that has numbed many to the weight of divine reality Our grasp of the courageous and devout faith of the early Christians has significantly slipped A return to the fear of God is therefore indispensable to renew one s commitment to faith The Sacred Dread charts a transformative journey for believers seeking deeper faith and restoring biblical clarity

The Ideal King John Kennon Grant, 2025-08-14 Jesus is King but not in the way people might normally think of kingship Jesus power didn t come through military strength high GDP earnings or political alliances such as NATO None of those power bases can guarantee a lasting kingdom because those means of power are conditional There is a power that is unconditional Truth The Ideal King Truth incarnate founded his kingdom on truth and holiness These two ideals are so challenging to worldly power that the world executed Jesus While Truth doesn t stay dead militaries can wither currencies can collapse and alliances can dissolve While nations of the world ebb and flow the Ideal King lives and expands his rule through his emissaries who are also not like the nations in their singular focus on loving and proclaiming the Truth

Scripture and Counseling Bob Kellemen, 2014-10-07 What role does Scripture play in counseling Today we face a weakening of confidence in the Bible This is just as true for the pastor offering counsel in his office as it is for the person in the pew talking with a struggling friend We need to regain our confidence in God s living Word as sufficient to address the

real life issues we face today Scripture and Counseling will help you understand how the Bible equips us to grow in counseling competence as we use it to tackle the complex issues of life Divided into two sections Part One develops a robust biblical view of Scripture s sufficiency for life and godliness leading to increased confidence in God s Word Part Two teaches how to use Scripture in the counseling process This section demonstrates how a firm grasp of the sufficiency of Scripture leads to increased competence in the ancient art of personally ministering God s Word to others Part of the Biblical Counseling Coalition series Scripture and Counseling brings you the wisdom of twenty ministry leaders who write so you can have confidence that God s Word is sufficient necessary and relevant to equip God s people to address the complex issues of life in a broken world It blends theological wisdom with practical expertise and is accessible to pastors church leaders counseling practitioners and students equipping them to minister the truth and power of God s word in the context of biblical counseling soul care spiritual direction pastoral care and small group facilitation

Gregory A. Boyd,2020-01-07 In Inspired Imperfection Gregory A Boyd adds another counterintuitive and provocative thesis to his corpus While conservative scholars and pastors have struggled for years to show that the Bible is without errors Boyd considers this a fool s errand Instead he says we should embrace the mistakes and contradictions in Scripture for they show that God chose to use fallible humans to communicate timeless truths Just as God ultimately came to save humanity in the form of a human God chose to impart truth through the imperfect medium of human writing Instead of the Bible s imperfections being a reason to attack its veracity these problems actually support the trustworthiness of Christian Scripture Inspired Imperfection is required reading for anyone who s questioned the Bible because of its contradictions **Pastoral**
