Jesus Christ Fundamentals Of Christology:

Jesus Christ Roch A. Kereszty, 1991-01-01 Fundamentals of the mystery of who Jesus is based on Scripture the Fathers of the Church and the conclusions of Christological studies to the present day **Jesus Christ** Roch A. Kereszty (o.cist.), 2002 A Supplement to Jesus Christ Roch Kereszty, 1997 Provides an accessible short selected and up to date bibliography for most of the chapters and to highlight certain areas to facilitate the reader's grasp of the material Since the publication of the book many new titles have been published on Christological topics especially those concerning the problems of the historical Jesus which needed to be answered Certain clarifications likewise needed to be made to better articulate some of the presuppositions and conclusions in the original text Review questions for each chapter are provided to help focus the reader's attention and finally the Supplement concludes with a chapter on the correlation of anthropology and Christology in the writings of St Bernard of Clairvaux A Supplement to Jesus Christ Roch A. Kereszty, 1997

Christianity 101 Gregory C. Higgins, 2007 Christianity 101 is an introductory text for college level courses in Christian theology The text provides a history of Christian thought in each of the key areas of Christian theology and discusses the major debates and thinkers in the tradition The Trinitarian Wisdom of God: Louis Bouyer's Theology of the God-World Relationship Keith Lemna, 2022-12-16 Christian theology in recent decades has seen an explosion in the number of books published seeking a renewal of Trinitarian ontology There has also been a proliferation of studies dedicated to the theology of Wisdom Few if any of these books on the Trinity or on Wisdom have drawn for inspiration on the comprehensive vision of French Oratorian priest Louis Bouyer 1913 2004 one of the greatest theologians of the modern age Bouyer produced a comprehensive work of theology that integrated these two seminal concerns based on a vast re sourcing of the Christian tradition Dr Keith Lemna explores Bouyer's achievement in depth showing that at the heart of his venture was a deep contemplative penetration into God's mediation to the world his creation sustenance and redemption of creation in the Wisdom of the Eternal Son Bouyer is a decisive resource for theologians wanting to develop the Christian understanding of the Trinity and creation based on tradition but in dialogue with modern cosmological thought The Trinitarian Wisdom of God Louis Bouyer's Theology of the God World Relationship gets to the heart of Louis Bouyer's theology of the God World relationship more deeply than any other has done before In doing so Lemna recovers a great theologian at his best **A Semiotic Christology** Cyril Orji, 2021-03-04 This book details how semiotics furthers an understanding of the science of Christology In the light of the trend towards evolutionary worldview the book goes beyond description and critically engages the sign system of C S Peirce which it sees as a conceptual tool and method for a better understanding of some of the basic issues in Christology **Jesus and YHWH-Texts in the Synoptic Gospels** Scott Brazil, 2024-02-21 Scott Brazil examines the frequent practice of applying Old Testament YHWH texts to Jesus in the Synoptic Gospels He argues that this YHWH text phenomenon evidences a high Christology in the primitive church that traces back to Jesus himself He thus finds in this

Synoptic practice a stinging contradiction against the modern critical theory that a high Christology took many decades to develop in the early church and exists only in John among the canonical Gospels Brazil surveys the Synoptic Gospels in canonical order exegeting dozens of passages in which OT texts originally referring to YHWH are either clearly or most probably applied to Jesus He observes the frequency diversity and ubiquity of the practice as well as its wide range of OT source material and its parallel to the NT practice of applying OT messianic texts to Jesus And from the data he offers several ramifications including the early deliberate employment of YHWH texts to Jesus the likelihood that Jesus is the source of the practice the high Christology of the Synoptics and the redemptive historical metanarrative that Jesus is the divine interpreter and central figure of the Jewish Scriptures Ultimately Brazil argues that understanding the prolific application of OT YHWH texts to Jesus in the Synoptic Gospels cannot be neglected without truncating genuine NT Christology Jesus Christ as Ancestor Reuben Turbi Luka,2019-08-31 In this critical study Dr Turbi Luka uses historical theological methodology to engage in detail with Christologies of key African theologians and conventional theological sources for Christology including the church fathers Tertullian and Athanasius as well as modern theologians Turbi argues that existing African Christologies specifically ancestor Christologies are inadequate in expressing the person of Christ as Messiah and saviour the fulfilment of Old Testament prophecies Providing a new approach Turbi proposes an African Linguistic Affinity Christology that explicitly portrays Jesus as Christ in a contextually relevant way for Africans in everyday life This crucial study highlights the need for biblically rooted Christology and for sound theological understanding and naming of Jesus at every level This book also warns the church in Africa and elsewhere to avoid repeating the dangerous christological heresies of the ancient church by remaining faithful to a biblical interpretation and orthodox theology of Christ **The Blackwell Companion to Jesus** Delbert Burkett,2013-11-11 The Blackwell Companion to Jesus features a comprehensive collection of essays that explore the diverse ways in which Jesus has been imagined or portrayed from the beginnings of Christianity to the present day Considers portrayals of Jesus in the New Testament and beyond Jesus in non Christian religions philosophical and historic perspectives modern manifestations and representations in Christian art novels and film Comprehensive scope of coverage distinguishes this work from similar offerings Examines both Christian and non Christian perspectives on Jesus including those from ethnic and sexual groups as well as from other faiths Offers rich and rewarding insights which will shape our understanding of this influential figure and his enduring legacy **Will Many Be Saved?** Ralph P. Martin,2012-08-20 The question of whether and how people who have not had the chance to hear the gospel can be saved goes back to the beginnings of Christian reflection It has also become a much debated topic in current theology In Will Many Be Saved Ralph Martin focuses primarily on the history of debate and the development of responses to this question within the Roman Catholic Church but much of Martin s discussion is also relevant to the wider debate happening in many churches around the world In particular Martin analyzes the Dogmatic Constitution on the Church the document from the Second Vatican Council that directly relates to this

question Contrary to popular opinion Martin argues that according to this text the conditions under which people who have not heard the gospel can be saved are very often in fact not fulfilled with strong implications for evangelization Novatian of Rome and the Culmination of Pre-Nicene Orthodoxy James L. Papandrea,2011-11-07 Novatian of Rome and the Culmination of Pre Nicene Orthodoxy is an overview of the development of Christology and Trinitarian doctrine which reached a plateau with Novatian the third century priest of Rome Here James Papandrea offers an enlightening and thorough treatment of the thought historical context and theological influences of Novatian Included are an assessment of the alternative Christologies of the pre Nicene period a survey of Novatian s legacy and concluding comments on the relevance of his theology and ecclesiology for the contemporary church **The Second Greatest Story Ever Told** Michael Gaitley, MIC,2015-02-19 In The Second Greatest Story Ever Told bestselling author Fr Michael Gaitley MIC reveals St John Paul II s witness for our time Building on the prophetic voices of Margaret Mary Alacoque Th r se of Lisieux Maximilian Kolbe and Faustina Kowalska The Second Greatest Story Ever Told is more than a historical account of the Great Mercy Pope This book expounds on the profound connection between Divine Mercy and Marian consecration It serves as an inspiration for all those who desire to bear witness to the mercy of God focused on Christ and formed by Mary Now is the time of mercy Now is the time to make John Paul s story your own **On Bits And Pieces** Mark A. Escobar,2009-03-03 As discipleship demands new perspectives and priorities these homilies articulate relationships in a variety of settings images and lifestyles of being in the world with others Though they help us understand the presence of God in our lives living with our own mystery and spirituality becomes like a dependable compass that is always there to guide us God sees what is in each human heart and we give ourselves the space and the time to nourish it with the mystery of his love for us It is our road map as we walk by faith and not by sight alone Jesus life teaching and ministry in a particular place time and culture have great significance to our journey as far as our mission is concerned He identifies himself with the people across cultures and he enters into solidarity with those in need St Augustine once said Faith is to believe what we do not see and the reward of this faith is to see what we believe We may not know where our journey takes us because there is not much of a plan but it is our faith that sustains us to complete a journey through thick and thin It provides us with the opportunity to let the mind wander and watch and listen to God in prayer Hence whether it is a daily walk or the journey through daily life these homilies are offered to help us continue with confidence with enthusiasm to move on and in every sense be men and women of the Gospel After all as the late Mother Teresa of Calcutta once wrote We cannot all do great things but can do small things with great love **Atonement** Margaret M. Turek,2022-04-16 This book presents the chief insights concerning the mystery of atonement in the works of four theological guides John Paul II Joseph Ratzinger Benedict XVI Hans Urs von Balthasar and Norbert Hoffmann The author argues for the central importance and perennial value of a theology of atonement even as she explains the modern aversion to it The book s central aim is to deepen our understanding of the biblical claim that God shows himself to be love precisely

by sending his Son as atonement In this is love not that we loved God but that he loved us and sent his Son as expiation for our sins 1 Jn 4 10 The book develops a compelling vision of atonement as a process that originates from and is engendered by God's own power to love This vision not only takes account of the gravity of sin and its consequences but also provides a clear illumination of the wholly gratuitous radically forgiving passionate and powerful nature of God's redeeming love for mankind Distinct from the majority of theological accounts of atonement which focus almost exclusively on the role of Christ this book highlights the role of God the Father in the atoning mission of the Son

Creation Christopher T. Baglow, McGrath Institute for Church Life, 2021-11-05 Was creation a fantastic series of actions by God that long ago set the universe in motion Or is creation an eternal flowing forth from God that even now causes all things to exist Christopher Baglow director of the Science and Religion Initiative at the University of Notre Dame writes from within the deep well of Catholic tradition and his personal love of both science and faith to provide probing yet lively and often humorous answers to the foundational questions of human existence Christian doctrine sees creation not as a one time event but rather as an eternal outpouring of divine merciful love In *Creation A Catholic's Guide to God and the Universe* Baglow explores how the doctrine of creation addresses the why of the universe making it perfectly open to science which helps us to answer how the universe came to be and continues to exist He weaves the lessons of scripture the Church's long tradition of scientific inquiry and theological development and cultural icons such as Douglas Adams's *The Hitchhiker's Guide to the Galaxy* and the inhabitants of C S Lewis's *Narnia* series to create a concise and spirited guide for Catholics wanting to better understand the doctrine of creation without abandoning what science teaches us Baglow helps to neutralize the unnecessary conflict between faith and science that often runs rampant among people of faith He provides an excellent guide for curious Catholics and an expert resource for teachers in Catholic schools parish leaders campus ministers and RCIA teams helping those exploring foundational questions of faith dive into the meaning of creation and what it tells us about who God is who we are and how we are to live

Before Truth Jeremy Wilkins, 2018 It's frequently said that we live in a post truth age That obviously can't be true but it does name a real problem on our hands Getting things right is hard especially if they're complicated It takes preparation diligence and honesty Wisdom according to Thomas Aquinas is the quality of right judgment This book is about the problem of becoming wise the problem before truth It is about that problem particularly as it comes up for religious philosophical and theological truth claims Before Truth Lonergan Aquinas and the Problem of Wisdom proposes that Bernard Lonergan's approach to these problems can help us become wise One of the special problems facing Christian believers today is our awareness of how much our tradition has developed This development has occurred along a path shot through with contingencies Theologians have to be able to articulate how and why doctrines institutions and practices that have developed and are still developing should nevertheless be worthy of our assent and devotion

The Mystery of Marriage: A Theology of the Body and the Sacrament Perry J. Cahall, 2014-12-01 This remarkable study offers a comprehensive

explanation of the Catholic Church's teaching on the sacrament of marriage Incorporating the rich insights found in St John Paul II's Theology of the Body Dr Cahall presents a theology of marriage that incorporates the biblical systematic pastoral and historical traditions which have shaped our understanding of this sacrament **Like the First Morning** Michael J.
