The background of the entire cover is a black and white photograph. It shows a pair of hands holding an open book, with a pen resting on the pages. The hands are positioned as if presenting the book. In the background, behind the hands and book, are vertical bars, suggesting a prison setting. The lighting is dramatic, with strong highlights and deep shadows.

Jesus Inside Will Schmit, 2015-12-23 Based on over ten years prison ministry experience at San Quentin Pelican Bay and other county correctional institutions Jesus Inside offers step by step practical and inspired examples for building relationships of eternal consequence with inmates through worship and fellowship **The Autobiography of a Maverick Christian**

Davion Maurice Woodman, 2021-04-27 When I was a young baby boomer growing up in Los Angeles and Inglewood California I felt the maverick in me My favorite TV shows were the westerns of the 1950s and 1960s I always admired the cowboys and gunslingers for their strong character and courage Like them I also was unconventional and independent and did not think or behave in the same way as my peers or others Occasionally I was rebellious and did not take orders readily As I grew and became a man I always felt confident in myself as a leader and I rarely regarded others especially my peers as being my even change or equivalent However to become a real man I needed leadership where I was weakest So I often sought from adult men righteousness truthfulness boldness faithfulness loyalty and authenticity I needed a man with good strong character who told the truth and spoke to me in a language that I understood not to discourage me or criticize me unfairly but to elicit from me my best traits Honestly I needed another maverick Christian to lead me away from destruction and into life Perhaps you feel the maverick in you Whether life is currently good bad or ugly I invite you to experience my Christian journey of aligning with the ultimate high priest for all mavericks Pray to God right now and ask Jesus to be your Savior He is able to inspire the wildest of us Handbook of Christian Ministry JOHN

reintegration The text is useful for all correctional chaplaincy ministry volunteers for beginners as well as those who are seasoned in ministry In this text Dr Freake balances theory and application Without a doubt this volume is an important and practical contribution to the field of corrections

Prison Religion Winnifred Fallers Sullivan, 2011-09-06 More than the citizens of most countries Americans are either religious or in jail or both But what does it mean when imprisonment and evangelization actually go hand in hand or at least appear to What do faith based prison programs mean for the constitutional separation of church and state particularly when prisoners who participate get special privileges In *Prison Religion* law and religion scholar Winnifred Fallers Sullivan takes up these and other important questions through a close examination of a 2005 lawsuit challenging the constitutionality of a faith based residential rehabilitation program in an Iowa state prison *Americans United for the Separation of Church and State v Prison Fellowship Ministries* a trial in which Sullivan served as an expert witness centered on the constitutionality of allowing religious organizations to operate programs in state run facilities Using the trial as a case study Sullivan argues that separation of church and state is no longer possible Religious authority has shifted from institutions to individuals making it difficult to define religion let alone disentangle it from the state *Prison Religion* casts new light on church state law the debate over government funded faith based programs and the predicament of prisoners who have precious little choice about what kind of rehabilitation they receive if they are offered any at all
