Jesus Qumran And The Vatican Clarifications:

Jesus, Qumran and the Vatican Otto Betz, Rainer Riesner, 1994 Did the Vatican suppress the publication of the Dead Sea Scrolls Why has there been such a delay in making them public Do they radically call in question the Christian understanding of Jesus These and many other questions have been asked in recent popular books and there have been charges of fraud deceit and cover ups In *Jesus Qumran and the Vatican* two distinguished German scholars examine these issues and more producing a highly readable and reliable account of the present state of research on the Scrolls and their significance and implications for Christianity The result is a scholarly mystery tale which readers will not be able to put down A courageous refutation of absurd assertions half truths and lies about the Qumran scrolls the origins of Christianity and the Catholic Church Martin Hengel University of Tübingen A telling refutation of the fantastic and extraordinary claims recently made about the Dead Sea Scrolls and their relation to Jesus of Nazareth early Christianity and the Vatican Joseph A Fitzmyer SJ Catholic University of America Critics claim the Dead Sea Scrolls prove that the church's portrait of Jesus is grotesquely inaccurate Other contend that the Vatican has been hiding the Scrolls because they would damage the faith of Christians In an informed and engaging way Betz and Riesner now speak to these concerns and reveal who are the fools James H Charlesworth Princeton Theological Seminary *Jesus, Qumran, and the Vatican* Otto Betz, 1994 **Qumran, Early Judaism, and New Testament Interpretation** Jörg Frey, 2019-08-28 Back cover How did the Qumran discoveries change New Testament scholarship What are the main insights to be gained from the Qumran corpus with regard to the Jesus tradition Paul's language and theology the dualistic language and worldview of the Fourth Gospel or the formation of the biblical Canon The articles of this volume present the fruits of 25 years of scholarship on Qumran and the New Testament *Jesus, Q, and the Dead Sea Scrolls* Simon J. Evans, 2018-12-10 The first part of this book attempts to situate Jesus in his historical and cultural context through comparisons with the prayers parables prophecies and miracles attributed to various Jewish figures of Palestine who are Jesus near contemporaries It is concluded that Jesus teachings and activities do not represent a radical break with the piety and restorative hopes of many of his contemporaries This conclusion stands in tension with some of the recent Jesus research especially emanating from the Jesus Seminar which tends to view Jesus as a Stoic or Cynic philosopher with little interest in the restoration of Israel and the fulfilment of prophecy The second part of the book explores the aims of Jesus and the factors that led to Jesus death This publication has also been published in paperback please click here for details **Scripture in**
