The Last Week Marcus J. Borg, John Dominic Crossan, 2009-03-17 Top Jesus scholars Marcus J Borg and John Dominic Crossan join together to reveal a radical and little known Jesus As both authors reacted to and responded to questions about Mel Gibson s blockbuster The Passion of the Christ they discovered that many Christians are unclear on the details of events during the week leading up to Jesus s crucifixion Using the gospel of Mark as their guide Borg and Crossan present a day by day account of Jesus s final week of life They begin their story on Palm Sunday with two triumphal entries into Jerusalem The first entry that of Roman governor Pontius Pilate leading Roman soldiers into the city symbolized military strength The second heralded a new kind of moral hero who was praised by the people as he rode in on a humble donkey The Jesus introduced by Borg and Crossan is this new moral hero a more dangerous Jesus than the one enshrined in the church s traditional teachings The Last Week depicts Jesus giving up his life to protest power without justice and to condemn the rich who lack concern for the poor In this vein at the end of the week Jesus marches up Calvary offering himself as a model for others to do the same when they are confronted by similar issues Informed challenged and inspired we not only meet the historical Jesus but meet a new Jesus who engages us and

Huntsman, 2024-01-02 New approaches to a central area of Latter day Saint belief The Church of Jesus Christ of Latter day Saints and other Christians have always shared a fundamental belief in the connection between personal salvation and the suffering death and resurrection of Jesus Christ While having faith in and experiencing the atonement of Christ remains a core tenet for Latter day Saints some thinkers have in recent decades reconsidered traditional understandings of atonement Deidre Nicole Green and Eric D Huntsman edit a collection that brings together multiple and diverse approaches to thinking about Latter day Saint views on this foundational area of theology The essayists draw on and go beyond a wide range of perspectives classical atonement theories and contemporary reformulations of atonement theory The first section focuses on scriptural and historical foundations while the second concentrates on theological explorations Together the contributors evaluate what is efficacious and ethical in the Latter day Saint outlook and offer ways to reconceive those views to provide a robust theological response to contemporary criticisms about atonement Contributors Nicholas J Frederick Fiona Givens Deidre Nicole Green Sharon J Harris J B Haws Eric D Huntsman Benjamin Keogh Ariel Bybee Laughton Adam S Miller Jenny Reeder T Benjamin Spackman and Joseph M Spencer **The Final Days of Jesus** Mark D Smith, 2018-02-01 In The Final Days of Jesus Mark Smith brings his experience as a classical historian to bear on the life of the historical Jesus piecing together the volatile political context of first century Judaea as well as the lives of Pontius Pilate Annas and Joseph Caiaphas The claim that the Jews crucified Jesus has spawned a long and tragic history of Christian anti Semitism Smith challenges this claim through detailed exploration of Roman Jewish and Christian written sources and a broad range of archaeological evidence such as the ossuary of Caiaphas the Hidden Gate and the rich vein of research devoted to the archaeology of ritual purity The result is an earthy and nuanced portrait of Jewish life under Roman rule From his discussion of the multiplicity and brutality of Roman executions to the intricate personal relationships among elites that provided the means of collaboration and redress Smith details the complex push pull of forces between Rome and the Temple as they collided in one history changing week **The Holy City** Leslie J. Hoppe, 2000 The Holy City begins with a review of the place of Jerusalem in the three Abrahamic religions Judaism Christianity and Islam Each of these is in some way an heir and reinterpreted of the religion of ancient Israel This book proves the place of Jerusalem according to the religious traditions of ancient Israel as preserved in the Old Testament and some early Jewish texts *Religion, Supernaturalism, the Paranormal and Pseudoscience* Homayun Sidky, 2019-11-30 Religion Supernaturalism the Paranormal and Pseudoscience provides a

Why the Cross? Donald Senior,2014-11-18 The meaning of Jesus s execution on a Roman cross is one of the most divisive issues in contemporary theological discourse because issues related to the goodness of God and the place of suffering in the Christian life are at stake Although it is important to locate that discussion in the context of the range of New Testament perspectives on the soteriological significance of the cross it is also important that we recover the meaning of the cross as a metaphor for discipleship In the end the event of Jesus s death cannot be understood apart from the character of his life This book will contribute to New Testament studies but also serve related discussions in theology and Christian formation Reframing New Testament Theology is a series that fulfills the need for brief substantive yet highly accessible introductions to central questions and themes raised by study of the New Testament A significant defining question will serve as the point of departure and will frame the discussion Students will be drawn into an active theological engagement with the New

Testament and related materials by the subsequent analysis Life in Christ Julia Gatta,2018-07-17 Explore how Anglican traditions enrich Episcopal worship With its great heritage from English mystics the Episcopal Church has been spiritual since before it was trendy and modern Episcopalians have been in the forefront of exploring practices beyond Anglican boundaries Yet perhaps only rarely do they grasp the implications of the theology embedded in these practices or in the liturgies of the 1979 Book of Common Prayer which has shaped Episcopalians in this country with its emphasis on baptismal spirituality and the centrality of the Eucharist Julia Gatta wants to change that with her book Life in Christ Applying her years of experience as pastor and spiritual director combined with her study of the spiritual wisdom of the past she explores common Christian practices and their underlying theology through an Episcopal lens In the tradition of Esther de Waal Martin Smith and Martin Thornton with particular reference to scripture the Book of Common Prayer and the wisdom of the Christian spiritual tradition she illuminates methods readers may already be practicing and provides insight and guidance to ones that may be new to them The Seven Thunders and the Gathering Bernard Palfrey,2009-10-31 Within God s law of Ten Commandments is revealed a vision of God God s law is a reflection of His character In these circumstances it is the height of folly to lightly dismiss the importance of God s Ten Commandments To attempt refutation of God s law of Ten Commandments is a denial of God At this very time God is calling His people out of Babylon Because they are under the influence of the Holy Spirit the people of God will recognise His voice and leave the Babylonian state of confusion This fact is proved to be true by the words of John 10 27 where it says My sheep hear my voice and I know them and they follow me To follow Jesus is to keep God s Ten Commandment which includes the seventh day Sabbath commandment **Spring Traditions** Amelia Khatri,AI,2025-03-06 Spring Traditions explores the universal human experience of renewal and hope through the lens of spring festivals around the world Focusing on Holi Nowruz and Easter the book reveals how diverse cultures celebrate the season of rebirth These celebrations despite their unique expressions share common themes reflecting humanity s enduring desire for community and a fresh start Did you know that Nowruz the Persian New Year predates Islam by centuries Or that the vibrant colors of Holi symbolize the triumph of good over evil and the arrival of spring The book examines the historical context social structures and cultural practices that have shaped these celebrations By tracing the origins and evolution of each festival Spring Traditions provides insights into the cultural religious and historical forces that influence human expression The book progresses by introducing the concept of spring as a symbol of rebirth then delving into the unique rituals and symbols of Holi Nowruz and Easter culminating in a comparison of these festivals to highlight shared human aspirations Its comparative approach offers a unique perspective on the diversity of human culture and the underlying unity of human desires
