Jesus Wants Heal You Through:

God Wants You Healed Irma Carter, 2025-02-12 I was inspired to write this book because there are so many people in the body of Christ who are dealing with infirmities They are confronted with all kinds of health challenges Some feel it is the will of God The scripture clearly states Himself took our infirmities and bare our sicknesses Matthew 8 17 Get excited because Jesus took them for you Let the word of God open your eyes to some amazing spiritual truths that will bring forth healing By reading this book you will be encouraged motivated and inspired to go through these pages expecting your healing You will believe God for your miracle Receive life and feel it flowing through your entire body It s flowing from the top of your head to the soles of your feet This book is loaded with life the word of God If you have a right now situation you will find a right now word For they are life unto those that find them and health to all their flesh Proverbs 4 22 God wants you healed Jesus Loves You and Wants to Heal You Zacharias Tanee Fomum, 2016-06-17 This book is for you The Lord Jesus loves you and wants to heal you God wants you to be healed and to remain in perfect health Your diseases are the works of Satan This book is not written to attack the modern practice of medicine We thank God for modern medicine and all that it is doing to relieve pain However without the touch of God medicine cannot heal God is the Healer Jesus is the Healer He can work through modern medicine and He can work without medicine He is not limited He is God You can turn to Him and be healed of your disease and when doctors tell you that your case is hopeless God remains your hope Turn to Him and receive your miracle from Him You may want me to stand with you in prayer and fasting for your healing I will gladly do so Please read this book and act on its message When you have received your healing write and share it with me so that together we may praise the Lord who has healed you God bless you abundantly *He's a Healing Jesus* Richard Roberts, 2013-11-11 Why You Need to Read *HE S A HEALING JESUS* When you re sick and in need of healing it s very important that you know how much God loves you how much He truly wants to see you healed and made whole in every area of your life That s why I ve written *He s A Healing Jesus* Many people feel isolated in their illness They feel separated from God They wonder if He knows about the situation they re facing and if He could possibly care about what they re going through The simple and wonderful answer to that question is Yes He knows and yes He cares I want you to know that And when you understand what God reveals about Himself in His own Word the Bible which I ll teach you about in this book you ll see that He also has the desire and the power to do something about it to set you free and make you whole again When Jesus walked this earth more than 2 000 years ago He never turned away anyone who came to Him for healing and you can be assured He won t turn you away either He is a Healing Jesus and I believe He wants to heal you **Brave Woman, Mighty God** Laura L.
