Jim Butcher's Dresden Fool Moon Vol 1 Graphic Novel:

Jim Butcher's The Dresden Files: Fool Moon Vol. 1 Jim Butcher, Mark Powers, 2011-11-22 Harry Dresden's life is a mess. His top client and close friend Lt. Karrin Murphy no longer trusts him. Chicago's underworld and the cops alike think he's mobster Johnny Marcone's supernatural enforcer. And the enigmatic White Council continues to view him with suspicion. If all that weren't enough, a pack of werewolves have unleashed a wave of terror on the Windy City. But as is always the case when it comes to the creatures of the Nevernever, there's far more going on than meets the eye. Before it's all over, Harry will find himself caught between friends, enemies, and arcane forces bent on his destruction. Is it any wonder he can't find a date? Expanding on Book Two of Jim Butcher's New York Times bestselling saga and featuring writer Mark Powers and artist Chase Conley, **Fool Moon** collects the first half of the 8 issue series in one volume, complete with bonus material and a cover gallery.

Jim Butcher's The Dresden Files Omnibus Jim Butcher, Mark Powers, 2015-07-22 When criminal investigations take a weird turn, the officers of the Chicago Police Department call in Harry Dresden. A wizard and private investigator with formidable yet unrefined skills, the young Dresden is more than capable of tracking down and facing the perps, whether they be black magic practitioners, blood-hungry werewolves, or worse. This first volume of **The Dresden Files Omnibus** collects three complete comic book story arcs, including the exclusive for comics tale *Welcome to the Jungle*, the adaptations of the universe-defining *Storm Front* and *Fool Moon* novels, plus additional content set within the official continuity of Jim Butcher's beloved magic noir universe.

Gender Warriors U. Melissa Anyiwo, Amanda Hobson, 2019-01-14 **Gender Warriors Reading Contemporary Urban Fantasy** offers classroom-ready original essays outlining contemporary debates about sexual objectification and gender norms in urban fantasy and examining how those cultural categories are reinforced and unraveled. The essays explore the foundations and evolutions of urban fantasy and presentations of gendered identities in a wide variety of sources, focusing not only on popular examples such as *Buffy the Vampire Slayer* and *Underworld* but also on less studied works, for instance *Penny Dreadful* and *Anita Blake*. The authors address the sociocultural institutions that bind gender to the body and shape our views of gendered norms, inviting students of all experience levels to engage in interdisciplinary conversations about both theoretical and embodied constructions of gender and the production of genre and generic conventions. The text unpacks cultural norms of gender and addresses issues of identity construction within an endlessly evolving genre. This collection demonstrates the way that representations of gender and the kick-ass female urban fantasy warrior have upended and reinforced a broad range of expectations and tropes, making it a fascinating text for any course, such as first-year studies, literature, film, gender studies, sociology, cultural studies, history, and more.
