Toronto Blessing Charismatic Deception Volume 3 K B Napier, 2019-07-31 In Volume 3 we enter into heavier arguments against the Toronto Blessing TB There is also a genuine testimony of a couple who were forced out of their church by the TB and the hatred it brought with it The second chapter compares the 1994 TB with what Evan Roberts said in 1904 showing a stunning similarity A warning is given to TB leaders from Jeremiah if they don't repent and two chapters deal with the lamentable lack of discernment in the EA leaders who personally harassed the author in 1994 Short chapters deal with Wimber Hinn the Kansas City Prophets William Branham Latter Rain and Pensacola We show how the TB is exactly the same as hypnotism and why we opposed the TB then and now in the form of charismaticism Be warned against false prophets Though the TB is dead and buried it continues its work in charismatic churches today

Our Wonderful Redeemer, **The Intimidation Factor** Charles Redfern, 2020-08-05 What do we do when a formerly vibrant back to the Bible movement drifts into a toxic swamp rimmed with attack dogs Charles Redfern faces that grim question squarely He discovers that American evangelical Christianity which surged in the mid twentieth century and offered a more genteel intellectually vigorous alternative to caustic fundamentalism fell into the hands of intimidators and backbiters It was a short journey from there to the movement's partisan sell out and the abandonment of time honored creeds Redfern describes his own story in which he came into the faith at the movement's height in the 1970s then views evangelicalism's decay across its spectrum He doesn't spare conflict adverse moderates in the process But he also discovers hope A winsome remnant survives and its wooing the back to the Bible people back to the Bible bearing the fruits of the Holy Spirit as they do so

The Journey into the Miraculous Todd Bentley, 2011-07-28 Do you want to believe in miracles There will be no doubt in your mind after reading the testimonies of people worldwide who have experienced healing and revival through the grace and mercy of God YOU can too Author Todd Bentley was dramatically delivered as a teenager from a life of alcohol drugs prison and the occult launching him by the Holy

Spirit into a worldwide ministry He is a prophetic signpost of what God wants to do with millions of others As an evangelist and revivalist operating in a fresh prophetic and miracle healing anointing the author has witnessed God heal hundreds of people who were Diseased with cancer blind addicted to drugs addicted to alcohol and tobacco and in bondage to satan s evil The Journey into the Miraculous will strengthen and encourage all who seek to believe in the God who performs miracles every day for every one *Ancient Passions* Raymond Creed,2020-03-25 ANCIENT PASSIONS is a work that boldly assumes humanity is facing an immense global spiritual crisis It addresses this crisis by offering a well organised collection of lively exhortations meditations poems prayers and other creative pieces These are designed to appeal to Christians of all traditions who are interested in spirituality bible prophecy or are concerned about the direction that both the church and society is taking Written over the course of forty four years they attempt to probe the overarching psychological and spiritual passions governing human behaviour in its relationship with God PART A explores grim themes like sin judgement and the rise of anti Christ Emphasis is given to God s holiness and His wrath against sin PART B explores more joyful themes including redemption forgiveness revival and the second coming of Christ Emphasis is given to God s love and His mercy to sinners ANCIENT PASSIONS challenges confronts and comforts people in these perilous times Toronto Blessing Charismatic Deception Volume 1 K B Napier,2019-07-14 The Toronto Blessing TB was planned by charismatic leaders who saw their movement dwindling in numbers Though planned it became obvious that Satan took it over and the effects hit the churches worldwide like a runaway truck It only lasted about two years but its destructive force is still with us in the now mainstream charismatic movement Many churches that allowed the TB through its doors thought it would save their existence and save souls but it did not Churches hit in the face by the vile movement were ruined deceived and far from God Thousands of individual Christians were shattered The various manifestations were accepted and called as from God though they were so blatantly satanic and wicked When the storm passed many churches were shamed into pretending it never happened but they did not repent or publicly disown the movement This book and others in the series MUST warn churches of a similar movement if it arises which it will Its history MUST be told **Omega Generation** David K. Vaka,2009-08 The apostolic generation of the 21st century is an omega generation They live at the end of God s purpose and work their way back to their current earthly position They live at the omega dimension before and during the execution of God s purpose in the natural realm The omega dimension is their dwelling place and they call it home They live in the heavens while functioning in the earth Their sight has been elevated and their spirit catapulted and established in eternity They have nailed their spirit and mind to the omega of the purposes of God while physically performing and outworking them in the natural As far as they are concerned what they are doing for God in the earth is a done deal and they draw their strength from this mentality truth and understanding They are not running towards an uncertain future but from the future they move swiftly to the present From the omega they alpha the purpose of the Father powerfully on earth bringing them to an ultimate finish within divinely

prescribed time While many start and are unsure about finishing this generation finish before they start They are a generation that lives at the end

The New Breed Kate Darling,2021-04-20 For readers of The Second Machine Age or The Soul of an Octopus a bold exciting exploration of how building diverse kinds of relationships with robots inspired by how we interact with animals could be the key to making our future with robot technology work There has been a lot of ink devoted to discussions of how robots will replace us and take our jobs But MIT Media Lab researcher and technology policy expert Kate Darling argues just the opposite suggesting that treating robots with a bit of humanity more like the way we treat animals will actually serve us better From a social legal and ethical perspective she shows that our current ways of thinking don t leave room for the robot technology that is soon to become part of our everyday routines Robots are likely to supplement rather than replace our own skills and relationships So if we consider our history of incorporating animals into our work transportation military and even families we actually have a solid basis for how to contend with this future A deeply original analysis of our technological future and the ethical dilemmas that await us The New Breed explains how the treatment of machines can reveal a new understanding of our own history our own systems and how we relate not just to nonhumans but also to one another

“Not Afraid to Tell the Truth” Ken M. Schmidt,2011-07-22 This book was originally intended to be a 3 Volume set or Trilogy but has been shortened to a single volume and edited for publication as a single title Not afraid To Tell The Truth which could be subtitled Exposing the conspiracy of silence in the Last Days it is not a book about discipleship necessarily nor is it a book you could use as a guideline for counseling rather it is a book written with the intention of shedding light upon 13 contrasting themes running through the whole of Gods Word which the author believes have become confused by Western Christian wrong thinking preaching and practice in the last days of the Church age False teachers and heretical teachings have crept into the Church unawares bringing with it a form of captivity similar to the captivity of the nation Israel but with far graver consequences
