

Johannes Brahms A Biography

Jan Swafford

Johannes Brahms A Biography:

Johannes Brahms Jan Swafford, 1997 An illuminating new biography of one of the most beloved of all composers published on the hundredth anniversary of his death brilliantly written by a finalist for the 1996 National Book Critics Circle Award Johannes Brahms has consistently eluded his biographers Throughout his life he attempted to erase traces of himself wanting his music to be his sole legacy Now in this masterful book Jan Swafford critically acclaimed as both biographer and composer takes a fresh look at Brahms giving us for the first time a fully realized portrait of the man who created the magnificent music Brahms was a man with many friends and no intimates who experienced triumphs few artists achieve in their lifetime Yet he lived with a relentless loneliness and a growing fatalism about the future of music and the world The Brahms that emerges from these pages is not the bearded eminence of previous biographies but rather a fascinating assemblage of contradictions Brought up in poverty he was forced to play the piano in the brothels of Hamburg where he met with both mental and physical abuse At the same time he was the golden boy of his teachers who found themselves in awe of a stupendous talent a miraculous young composer and pianist poised between the emotionalism of the Romantics and the rigors of the composers he worshipped Bach Mozart Beethoven In 1853 Robert Schumann proclaimed the twenty year old Brahms the savior of German music Brahms spent the rest of his days trying to live up to that prophecy ever fearful of proving unworthy of his musical inheritance We find here more of Brahms's words his daily life and joys and sorrows than in any other biography With novelistic grace Swafford shows us a warm blooded but guarded genius who hid behind jokes and prickliness rudeness and intractability with his friends as well as his enemies but who was also a witty drinking companion and a consummate careerist skillfully courting the powerful This is a book rich in secondary characters as well including Robert Schumann declining into madness as he hailed the advent of a new genius Clara Schumann the towering pianist tormented personality and great love of Brahms's life Josef Joachim the brilliant self lacerating violinist the extraordinary musical amateur Elisabet von Herzogenberg on whose exacting criticism Brahms relied Brahms's rival and shadow the malevolent genius Richard Wagner and Eduard Hanslick enemy of Wagner and apostle of Brahms at once the most powerful and most wrongheaded music critic of his time Among the characters in the book are two great cities the stolid North German harbor town of Hamburg where Johannes grew up which later spurned him and glittering fickle music mad Vienna where Brahms the self proclaimed vagabond finally settled to find his sweetest triumphs and his most bitter failures Unique to this book is the way in which musical scholarship and biography are combined in a style refreshingly free of pretentiousness Jan Swafford takes us deep into the music from the grandeur of the First Symphony and the intricacies of the chamber work to the sorrow of the German Requiem allowing us to hear these familiar works in new and often surprising ways This is a clear eyed study of a remarkable man and a vivid portrait of an era in transition Ultimately Johannes Brahms is the story of a great backward looking artist who inspired musical revolutionaries of the following generations yet who was no

less a prophet of the darkness and violence of our century A biographical masterpiece at once wholly original and definitive

Johannes Brahms Jan Swafford,1999-12-07 A New York Times Notable Book This brilliant and magisterial book is a very good bet to become the definitive study of Johannes Brahms The Plain Dealer Judicious compassionate and full of insight into Brahms s human complexity as well as his music Johannes Brahms is an indispensable biography Proclaimed the new messiah of Romanticism by Robert Schumann when he was only twenty Johannes Brahms dedicated himself to a long and extraordinarily productive career In this book Jan Swafford sets out to reveal the little known Brahms the boy who grew up in mercantile Hamburg and played piano in beer halls among prostitutes and drunken sailors the fiercely self protective man who thwarted future biographers by burning papers scores and notebooks late in his life Making unprecedented use of the remaining archival material Swafford offers richly expanded perspectives on Brahms s youth on his difficult romantic life particularly his longstanding relationship with Clara Schumann and on his professional rivalry with Liszt and Wagner Johannes Brahms will no doubt stand as the definitive work on Brahms one of the monumental biographies in the entire musical library London Weekly Standard It is a measure of the accomplishment of Jan Swafford s biography that Brahms s sadness becomes palpable Swafford manages to construct a full bodied human being The New York Times Book Review

Johannes Brahms: a Biography ,1998 K Gregor presents information about the life and works of German composer and pianist Johannes Brahms 1833 1897 as part of the Heart s Ease resource Gregor offers access to a biographical sketch a list of Brahms key works and links to additional resources Johannes Brahms Johannes Brahms,1997 This book is the first comprehensive collection of the letters of Johannes Brahms ever to appear in English Over 550 are included virtually all uncut and there are over a dozen published here for the first time in any language Although he corresponded throughout his life with some of the great performers composers musicologists writers scientists and artists of the day and although thousands of his letters have survived English readers have until now had scant opportunity to meet Brahms in person through his words and in his own voice The letters in this volume range from 1848 to just before his death They include most of Brahm s letters to Robert Schumann over a hundred letters to Clara Schumann and the complete Brahms Wagner correspondence They are joined by a running commentary to form an absorbing narrative documented with scholarly care provided with comprehensive notes but written for the general music lover the result is a lively biography The work is generously illustrated and contains several detailed appendices and an index **The Life of Johannes Brahms (Vol. 1&2)**

Florence May,2020-07-01 The Life of Johannes Brahms in two volumes is a well researched biography of famous composer written by his student Florence May The biographical materials have been gathered chiefly in the course of several Continental journeys the author undertook with Brahms The goal of the work was to present the biographical account of composer s life and to help the regular music lover to get acquainted with Brahms life not getting into technical analysis of his compositions **The Life and Times of Johannes Brahms** Jim Whiting,2019-12-05 Johannes Brahms was born in

Hamburg Germany to a family that lived in extreme poverty Yet by the time of his death he had become one of the most financially successful classical music composers who ever lived It wasn't easy His family had to move several times while Hannes as he was nicknamed was still a boy He had to go to work when he was just 13 playing the piano in rough waterfront taverns in Hamburg Often he wouldn't come home until dawn Brahms received his first big break when he was 20 The composer Robert Schumann called him a genius and a young eagle Even then it still took him many years to become famous While he is most noted for his symphonies and concertos it is likely that more people know him for his Cradle Song better known as Brahms's Lullaby which millions of mothers have sung to their young children to lull them to sleep *The Life of Johannes Brahms* Florence May, 1905 **The Life of Johannes Brahms** Florence May, 2023-07-18 Originally published in 1905 this biography of Johannes Brahms was written by Florence May a close friend of the composer This book offers an intimate and in depth look into Brahms life from his early years as a struggling young artist through his rise to prominence as one of the greatest composers of his generation It is an essential resource for lovers of classical music and anyone interested in the fascinating lives of the great composers This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant Brahms Kathleen Dale, 1970

Brahms John Lawrence Erb, 1913 **Brahms, His Life and Work** Karl Geiringer, 1936 **Johannes Brahms** John Alexander Fuller-Maitland, Rosa Newmarch, Hermann Deiters, 2023-07-18 In this fascinating biography Deiters Fuller Maitland and Newmarch provide a comprehensive portrait of the legendary composer Johannes Brahms Drawing on extensive research and firsthand accounts the authors paint a vivid picture of Brahms's life musical genius and enduring legacy This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **Brahms** Karl Geiringer, Irene Geiringer, 1982-07-21 Karl Geiringer's biography of Brahms is generally regarded as the finest study of the composer ever published in any language It is based upon the great body of material in the archives of the Viennese Society of Friends for which Dr Geiringer was curator from 1930 1938 and which contains more than a thousand letters written by and to Brahms **The Life & Legacy of Johannes Brahms**

Florence May, 2020-12-17 *The Life Legacy of Johannes Brahms* in two volumes is a well researched biography of famous composer written by his student Florence May. The biographical materials have been gathered chiefly in the course of several Continental journeys the author undertook with Brahms. The goal of the work was to present the biographical account of composer's life and to help the regular music lover to get acquainted with Brahms' life not getting into technical analysis of his compositions.

The Life and Times of Johannes Brahms Jim Whiting, 2004-09 Johannes Brahms was born in Hamburg Germany to a family that lived in extreme poverty. Yet by the time of his death he had become one of the most financially successful classical music composers who ever lived. It wasn't easy. His family had to move several times while Hannes as he was nicknamed was still a boy. He had to go to work when he was just 13 playing the piano in rough waterfront taverns in Hamburg. Often he wouldn't come home until dawn. Brahms received his first big break when he was 20. The composer Robert Schumann called him a genius and a young eagle. Even then it still took him many years to become famous. While he is most noted for his symphonies and concertos it is likely that more people know him for his Cradle Song better known as Brahms' Lullaby which millions of mothers have sung to their young children to lull them to sleep.

Brahms and His World Peter Clive, 2006-10-02 As an influential and well connected composer Johannes Brahms 1833-1897 had encountered, befriended and collaborated with hundreds of people over his significant career. In *Brahms and His World: A Biographical Dictionary* author Peter Clive provides extensive and up to date information on the composer's personal and professional association with some 430 persons. These persons include relatives, friends, acquaintances and physicians, fellow musicians and composers whom Brahms particularly admired and in the editions of whose works he was involved, conductors, instrumentalists and singers who took part in notable or first performances of his works, poets whose texts he set to music, publishers and artists and even the rulers of certain German states with whom he had significant contact. Offering information not usually available in Brahms' biographies, this volume combines findings from both primary and secondary sources giving insights into Brahms' character, his life and his career and shedding light on the educated middle and upper class culture of the nineteenth century. A comprehensive chronology of Brahms' life, a bibliography and two indexes round out this important reference guide.

Johannes Brahms, Free But Alone Constantin Floros, 2010 Johannes Brahms was until now widely regarded as the archetype of the absolute musician. Based on new research, the study shows how close autobiographic and poetic elements are in fact linked to his oeuvre. Like Robert Schumann, Brahms subscribed to an aesthetic of poetic music. In many of his compositions he got his inspiration from personal experiences, poems or images as is shown by hitherto unpublished documents, letters and diary entries as well as from close analyses of individual works. Brahms' personality too is seen in a new way. He adopted Joseph Joachim's motto *Frei aber einsam* (Free but Alone). The tonal code F A E, the musical symbol of this, recurs frequently in his works. Not least, the English version of the book, originally published in German in 1997, includes four additional chapters that investigate novel aspects by dealing in detail with the First Symphony, the German Requiem, N. 1.

and the Four Serious Songs The American Brahms Society stressed the importance of the study for all those who want to come to know the unknown Brahms Getting To Know The World's Greatest Composers Mike Venezia,1999 Presents a biography of Johannes Brahms *The Biography Book* Daniel S. Burt,2001-02-28 From Marilyn to Mussolini people captivate people A E s Biography best selling autobiographies and biographical novels testify to the popularity of the genre But where does one begin Collected here are descriptions and evaluations of over 10 000 biographical works including books of fact and fiction biographies for young readers and documentaries and movies all based on the lives of over 500 historical figures from scientists and writers to political and military leaders to artists and musicians Each entry includes a brief profile autobiographical and primary sources and recommended works Short reviews describe the pertinent biographical works and offer insight into the qualities and special features of each title helping readers to find the best biographical material available on hundreds of fascinating individuals **Life of Johannes Brahms** Florence May,1981-06-01 Spine title The life of Brahms A biography of the German composer in two volumes examining his personal life and career achievements

Whispering the Secrets of Language: An Psychological Quest through **Johannes Brahms A Biography**

In a digitally-driven world wherever displays reign great and quick communication drowns out the subtleties of language, the profound techniques and psychological subtleties concealed within words frequently move unheard. Yet, located within the pages of **Johannes Brahms A Biography** a charming literary prize blinking with raw thoughts, lies an extraordinary quest waiting to be undertaken. Published by a talented wordsmith, that charming opus attracts visitors on an introspective journey, delicately unraveling the veiled truths and profound impact resonating within the material of each word. Within the psychological depths of the poignant review, we can embark upon a sincere exploration of the book's core themes, dissect its charming writing type, and fail to the powerful resonance it evokes heavy within the recesses of readers' hearts.

Johannes Brahms A Biography Introduction

In today's digital age, the availability of Johannes Brahms A Biography books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Johannes Brahms A Biography books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Johannes Brahms A Biography books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Johannes Brahms A Biography versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Johannes Brahms A Biography books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Johannes Brahms A Biography books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Johannes Brahms A Biography books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public.

Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Johannes Brahms A Biography books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Johannes Brahms A Biography books and manuals for download and embark on your journey of knowledge?

FAQs About Johannes Brahms A Biography Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Johannes Brahms A Biography is one of the best book in our library for free trial. We provide copy of Johannes Brahms A Biography in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Johannes Brahms A Biography. Where to download Johannes Brahms A Biography online for free? Are you looking for Johannes Brahms A Biography PDF? This is definitely going to save you time and cash in something you should think about.
