## **John Adams And The Spirit Of Liberty:**

*John Adams and the Spirit of Liberty* C. Bradley Thompson, 1998 In reexamining John Adams's political thought Thompson reconstructs the contours and influences of Adams's mental universe the ideas he challenged the problems he considered central to constitution making and methods of his reasoning *The Revolutionary Writings of John Adams* John Adams, 2000 The Revolutionary Writings of John Adams presents the principal shorter writings in which Adams addresses the prospect of revolution and the form of government proper to the new United States Though one of the principal framers of the American republic and the successor to Washington as president John Adams receives remarkably little attention among many students of the early national period This is especially true in the case of the periods before and after the Revolution in which the intellectual rationale for independence and republican government was given the fullest expression The Revolutionary Writings of John Adams illustrates that it was Adams for example who before the Revolution wrote some of the most important documents on the nature of the British Constitution and the meaning of rights sovereignty representation and obligation And it was Adams who once the colonies had declared independence wrote equally important works on possible forms of government in a quest to develop a science of politics for the construction of a constitution for the proposed republic

**John Adams's Republic** Richard Alan Ryerson, 2016-09-15 VIII Redefining the Republican Tradition 1784 1787 IX John Adams's Republic in Republican America 1787 1800 X A Retrospective Retirement 1801 1826 Conclusion Memory and Desire in America's Republican Revolution Notes An Essay on Sources A Chronology of John Adams's Political Study and Writings Index A B C D E F G H I J K L M N O P Q R S T U V W X Z **The Assault on American Excellence** Anthony T.

Kronman, 2020-08-11 I want to call it a cry of the heart but it's more like a cry of the brain a calm and erudite one Peggy Noonan The Wall Street Journal The former dean of Yale Law School argues that the feverish egalitarianism gripping college campuses today is a threat to our democracy College education is under attack from all sides these days Most of the handwringing over free speech safe zones trigger warnings and the babying of students has focused on the excesses of political correctness That may be true but as Anthony Kronman shows it's not the real problem Necessary humane and brave Bret Stephens The New York Times The Assault on American Excellence makes the case that the boundless impulse for democratic equality gripping college campuses today is a threat to institutions whose job is to prepare citizens to live in a vibrant democracy Three centuries ago the founders of our nation saw that for this country to have a robust government it must have citizens trained to have tough skins to make up their own minds and to win arguments not on the basis of emotion but because their side is closer to the truth Without that Americans would risk electing demagogues Kronman is the first to tie today's campus clashes to the history of American values drawing on luminaries like Alexis de Tocqueville and John Adams to argue that our modern controversies threaten the best of our intellectual traditions His tone is warm and wise that of an educator who has devoted his life to helping students be capable of living up to the demands of a free society and to do

so they must first be tested in a system that isn't focused on sympathy at the expense of rigor and that values excellence above all

**Political Thought and the Origins of the American Presidency** Ben Lowe, 2024-09-17 How the American executive office was constructed in the Constitution and implemented by the first presidents This volume examines the political ideas behind the construction of the presidency in the U S Constitution as well as how these ideas were implemented by the nation's early presidents The framers of the Constitution disagreed about the scope of the new executive role they were creating and this volume reveals the ways the duties and power of the office developed contrary to many expectations Here leading scholars of the early republic examine principles from European thought and culture that were key to establishing the conceptual language and institutional parameters for the American executive office Unpacking the debates at the 1787 Constitutional Convention these essays describe how the Constitution left room for the first presidents to set patterns of behavior and establish a range of duties to make the office functional within a governmental system of checks and balances Contributors explore how these presidents understood their positions and fleshed out their full responsibilities according to the everyday operations required to succeed As disputes continue to surround the limits of executive power today this volume helps identify and explain the circumstances in which limits can be imposed on presidents who seem to dangerously exceed the constitutional parameters of their office

**Political Thought and the Origins of the American Presidency** demonstrates that this distinctive time-tested role developed from a fraught historically contingent and contested process Contributors Claire Rydell Arcenas Lindsay M Chervinsky Fran ois Furstenberg Jonathan Gienapp Daniel J Hulsebosch Ben Lowe Max Skj nsberg Eric Slauter Caroline Winterer Blair Worden Rosemarie Zagarri A volume in the Alan B and Charna Larkin Series on the American Presidency

**David Hume** Mark G. Spencer, 2013-11-15 This volume provides a new and nuanced appreciation of David Hume as a historian Gone for good are the days when one can offhandedly assert as R G Collingwood once did that Hume deserted philosophical studies in favour of historical ones History and philosophy are commensurate in Hume's thought and works from the beginning to the end Only by recognizing this can we begin to make sense of Hume's canon as a whole and see clearly his many contributions to fields we now recognize as the distinct disciplines of history philosophy political science economics literature religious studies and much else besides Casting their individual beams of light on various nooks and crannies of Hume's historical thought and writing the book's contributors illuminate the whole in a way that would not be possible from the perspective of a single authored study Aside from the editor the contributors are David Allan M A Box Timothy M Costelloe Roger L Emerson Jennifer Herdt Philip Hicks Douglas Long Claudia M Schmidt Michael Silverthorne Jeffrey M Suderman Mark R M Towsey and F L van Holthoon

**James Madison and the Spirit of Republican Self-Government** Colleen A. Sheehan, 2009-01-12 In a study that combines an in-depth examination of Madison's National Gazette essays of 1791-2 with a study of The Federalist Colleen Sheehan traces the evolution of Madison's conception of the politics of communication and public opinion throughout the Founding period

demonstrating how the sovereign public would form and rule in America Contrary to those scholars who claim that Madison dispensed with the need to form an active and virtuous citizenry Sheehan argues that Madison s vision for the new nation was informed by the idea of republican self government whose manifestation he sought to bring about in the spirit and way of life of the American people Madison s story is the story of an idea the idea of America *History of American Political Thought* Bryan-Paul Frost,Jeffrey Sikkenga,2003-07-14 Revised and updated this long awaited second edition provides a comprehensive introduction to what the most thoughtful Americans have said about the American experience from the colonial period to the present The book examines the political thought of the most important American statesmen activists and writers across era and ideologies helping another generation of students scholars and citizens to understand more fully the meaning of America This new second edition of the book includes new essays on Walt Whitman Lyndon Baines Johnson Ronald Reagan and Barack Obama Significant revisions and additions have also been made to many of the original essays increasing the breadth and depth of the collection *The Founders on God and Government* Daniel L. Dreisbach,Mark D. Hall,Jeffry H. Morrison,2004-10-08 In God We Trust The separation of church and state is a widely contested topic in the American political arena Whether for or against debaters frequently base their arguments in the Constitution and the principles of the American founding However Americans perception of the founding has narrowed greatly over the years focusing on a handful of eminent statesmen By exploring the work of nine founding fathers including often overlooked figures like John Carroll and George Mason *The Founders on God and Government* provides a more complete picture of America s origins The contributors all noted scholars examine the lives of individual founders and investigate the relationship between their religious beliefs and political thought Bringing together original documents and analytical essays this book is an excellent addition to the library of literature on the founding and sheds new light on religion s contributions to American civic culture **America's Revolutionary Mind** C. Bradley Thompson,2019-11-05 America s Revolutionary Mind is the first major reinterpretation of the American Revolution since the publication of Bernard Bailyn s *The Ideological Origins of the American Revolution* and Gordon S Wood s *The Creation of the American Republic* The purpose of this book is twofold first to elucidate the logic principles and significance of the Declaration of Independence as the embodiment of the American mind and second to shed light on what John Adams once called the real American Revolution that is the moral revolution that occurred in the minds of the people in the fifteen years before 1776 The Declaration is used here as an ideological road map by which to chart the intellectual and moral terrain traveled by American Revolutionaries as they searched for new moral principles to deal with the changed political circumstances of the 1760s and early 1770s This volume identifies and analyzes the modes of reasoning the patterns of thought and the new moral and political principles that served American Revolutionaries first in their intellectual battle with Great Britain before 1776 and then in their attempt to create new Revolutionary societies after 1776 The book reconstructs what amounts to a near unified system of thought what Thomas

Jefferson called an American mind or what I call America's Revolutionary mind. This American mind was, I argue, united in its fealty to a common philosophy that was expressed in the Declaration and launched with the words "We hold these truths to be self-evident."

### **The Founding Fathers and the Politics of Character**

Andrew S. Trees, 2021-07-13

The American Revolution swept away old certainties and forced revolutionaries to consider what it meant to be American. Andrew Trees examines four attempts to answer the question of national identity that Americans faced in the wake of the Revolution. Through the writings of Thomas Jefferson, John Adams, Alexander Hamilton, and James Madison, Trees explores a complicated political world in which boundaries between the personal and the political were fluid and ill-defined. Melding history and literary study, he shows how this unsettled landscape challenged and sometimes confounded the founders' attempts to forge their own and the nation's identity. Trees traces the intimately linked shaping of self and country by four men distrustful of politics and yet operating in an increasingly democratic world. Jefferson sought to recast the political along the lines of friendship, while Hamilton hoped that honor would provide a secure foundation for self and country. Adams struggled to create a nation virtuous enough to sustain a republican government, and Madison worked to establish a government based on justice. Giving a new context to the founders' mission, Trees studies their contributions not simply as policy prescriptions but in terms of a more elusive and symbolic level of action. His work illuminates the tangled relationship among rhetoric, politics, self, and nation, as well as the larger question of national identity that remains with us today.

### **Fears of a Setting Sun**

Dennis C. Rasmussen, 2022-09-27

The surprising story of how George Washington, Alexander Hamilton, John Adams, and Thomas Jefferson came to despair for the future of the nation they had created. Americans seldom deify their Founding Fathers any longer, but they do still tend to venerate the Constitution and the republican government that the founders created. Strikingly, the founders themselves were far less confident in what they had wrought, particularly by the end of their lives. In fact, most of them, including George Washington, Alexander Hamilton, John Adams, and Thomas Jefferson, came to deem America's constitutional experiment an utter failure that was unlikely to last beyond their own generation. *Fears of a Setting Sun* is the first book to tell the fascinating and too little known story of the founders' disillusionment. As Dennis Rasmussen shows, the founders' pessimism had a variety of sources: Washington lost his faith in America's political system, above all, because of the rise of partisanship; Hamilton because he felt that the federal government was too weak; Adams because he believed that the people lacked civic virtue; and Jefferson because of sectional divisions laid bare by the spread of slavery. The one major founder who retained his faith in America's constitutional order to the end was James Madison, and the book also explores why he remained relatively optimistic when so many of his compatriots did not. As much as Americans today may worry about their country's future, Rasmussen reveals the founders faced even graver problems and harbored even deeper misgivings. A vividly written account of a chapter of American history that has received too little attention, *Fears of a Setting Sun* will change the way that you look at the American founding, the Constitution, and indeed the United States itself.

**Revolutionary Prophecies** Robert M. S. McDonald, Peter S. Onuf, 2021-02-05 The America of the early republic was built on an experiment a hopeful prophecy that would only be fulfilled if an enlightened people could find its way through its past and into a future Americans recognized that its promises would only be fully redeemed at a future date In *Revolutionary Prophecies* renowned historians Robert M S McDonald and Peter S Onuf summon a diverse cast of characters from the founding generation all of whom in different ways reveal how their understanding of the past and present shaped hopes ambitions and anxieties for or about the future The essays in this wide ranging volume explore the historical consciousness of Americans caught up in the Revolution and its aftermath By focusing on how various individuals and groups envisioned their future the contributors show that revolutionary Americans knew they were making choices that would redirect the course of human events Looking at prominent leaders such as Washington Adams Franklin Hamilton Madison and Monroe as well as more common people from backcountry rebels and American Indians to printer Isaiah Thomas the authors illuminate the range and complexity of the ways in which men and women of the founding generation imagined their future and made our history

*In Liberty's Embrace: The Unwavering Spirit of John Jay* Pasquale De Marco, 2025-04-11 In the annals of American history John Jay stands as a towering figure a man whose unwavering commitment to liberty justice and the rule of law helped shape the very foundations of the United States This comprehensive biography delves into the life and legacy of this remarkable Founding Father exploring his pivotal role in the American Revolution his diplomatic achievements and his enduring impact on American jurisprudence From his early days as a brilliant young lawyer in New York City to his service in the Continental Congress and as the first Chief Justice of the United States Jay's life was marked by a steadfast devotion to the principles upon which this nation was founded As a member of the Continental Congress he played a key role in drafting the Declaration of Independence and negotiating the Treaty of Paris which formally ended the Revolutionary War As Secretary of Foreign Affairs under the Articles of Confederation Jay skillfully navigated the treacherous waters of international diplomacy securing treaties with European powers and laying the foundation for American commerce His appointment as the first Chief Justice of the Supreme Court marked a new era in American jurisprudence as he presided over landmark cases that established precedents that continue to shape the legal landscape of the United States Beyond his political and judicial contributions Jay was also a gifted writer and orator using his pen and his voice to advocate for the ideals he held dear His writings and speeches imbued with eloquence and erudition helped to shape public opinion and rally support for the cause of independence This biography offers a fresh perspective on Jay's life and legacy drawing on a wealth of primary sources to provide a nuanced and insightful portrait of this complex and fascinating figure It is a must read for anyone interested in American history law or the enduring legacy of the Founding Fathers In these pages readers will discover the story of a man who dedicated his life to the pursuit of justice who stood firm in his convictions even in the face of adversity and who left an indelible mark on the nation he helped to create If you like this book write a review on google

books     Criminal Dissent Wendell Bird, 2020-01-07 The prosecution of dissent under the Alien and Sedition Acts affected far more people than previously realized It also provoked the first battle over the Bill of Rights Wendell Bird provides the definitive account of a dark moment in U S history reminding us that expressive freedom and opposition politics are essential to a stable democracy     *Old World, New World* Leonard J. Sadosky, 2010-01-08 Introduction Peter S Onuf Environmental hazards eighteenth century style Gordon S Wood Decadents abroad reconstructing the typical colonial American in London in the late colonial period Julie Flavell Citizens of the world men women and country in the Age of Revolution Sarah M S Pearsall Reimagining the British empire and America in an Age of Revolution the case of William Eden Leonard J Sadosky John Adams Thomas Jefferson and the Dutch patriots Peter Nicolaisen John Adams in Europe a provincial cosmopolitan confronts the metropolitan world 1778 1788 Richard A Ryerson Behold me at length on the vaunted scene of Europe Jefferson and the creation of an American image abroad Gaye Wilson Negotiating gifts Jefferson s diplomatic presents Martha Elena Rojas Better tools for a new and better world Jefferson perfects the plow Lucia Stanton The end of a beautiful friendship Americans in Paris and public diplomacy during the war scare of 1798 1799 Philipp Ziesche Elizabeth Patterson Bonaparte a woman between two worlds Charlene Boyer Lewis     **Founding Faith** Steven Waldman, 2008-03-11 The culture wars have distorted the dramatic story of how Americans came to worship freely Many activists on the right maintain that the United States was founded as a Christian nation Many on the left contend that the Founders were secular or Deist and that the First Amendment was designed to boldly separate church and state throughout the land None of these claims are true argues Beliefnet com editor in chief Steven Waldman With refreshing objectivity Waldman narrates the real story of how our nation s Founders forged a new approach to religious liberty a revolutionary formula that promoted faith by leaving it alone This fast paced narrative begins with earlier settlers stunningly unsuccessful efforts to create a Christian paradise and concludes with the presidencies of Washington Adams Jefferson and Madison during which the men who had devised lofty principles regarding the proper relationship between church and state struggled to practice what they d preached We see how religion helped cause and fuel the Revolutionary War and how the surprising alliance between Enlightenment philosophers such as Jefferson and Madison and evangelical Christians resulted in separation of church and state As the drama unfolds *Founding Faith* vividly describes the religious development of five Founders Benjamin Franklin melded the morality focused Puritan theology of his youth and the reason based Enlightenment philosophy of his adulthood John Adams s pungent views on religion hatred of the Church of England and Roman Catholics stoked his revolutionary fervor and shaped his political strategy George Washington came to view religious tolerance as a military necessity Thomas Jefferson pursued a dramatic quest to rescue Jesus in part by editing the Bible Finally it was James Madison the tactical leader of the battle for religious freedom who crafted an integrated vision of how to prevent tyranny while encouraging religious vibrancy The spiritual custody battle over the Founding Fathers and the role of religion in America continues today Waldman provocatively

argues that neither side in the culture war has accurately depicted the true origins of the First Amendment He sets the record straight revealing the real history of religious freedom to be dramatic unexpected paradoxical and inspiring An interactive library of the key writings by the Founding Father on separation of church and state personal faith and religious liberty can be found at [www.beliefnet.com/foundingfaith](http://www.beliefnet.com/foundingfaith) *The Religion of Democracy* Amy Kittelstrom, 2016-04-05 A history of religion's role in the American liberal tradition through the eyes of seven transformative thinkers Today we associate liberal thought and politics with secularism When we argue over whether the nation's founders meant to keep religion out of politics the godless side is said to be liberal But the role of religion in American politics has always been far less simplistic than today's debates would suggest In *The Religion of Democracy* historian Amy Kittelstrom shows how religion and democracy have worked together as universal ideals in American culture and as guides to moral action and to the social practice of treating one another as equals who deserve to be free The first people in the world to call themselves liberals were New England Christians in the early republic Inspired by their religious belief in a God given freedom of conscience these Americans enthusiastically embraced the democratic values of equality and liberty giving shape to the liberal tradition that would remain central to our politics and our way of life *The Religion of Democracy* re-creates the liberal conversation from the eighteenth century to the twentieth by tracing the lived connections among seven transformative thinkers through what they read and wrote where they went whom they knew and how they expressed their opinions from John Adams to William James to Jane Addams from Boston to Chicago to Berkeley Sweeping and ambitious *The Religion of Democracy* is a lively narrative of quintessentially American ideas as they were forged debated and remade across our history *Rival Visions* Dustin Gish, Andrew Bibby, 2021-02-05 The emergence of the early American republic as a new nation on the world stage conjured rival visions in the eyes of leading statesmen at home and attentive observers abroad Thomas Jefferson envisioned the newly independent states as a federation of republics united by common experience mutual interest and an adherence to principles of natural rights His views on popular government and the American experiment in republicanism and later the expansion of its empire of liberty offered an influential account of the new nation While persuasive in crucial respects his vision of early America did not stand alone as an unrivaled model The contributors to *Rival Visions* examine how Jefferson's contemporaries including Washington Adams Hamilton Madison and Marshall articulated their visions for the early American republic Even beyond America in this age of successive revolutions and crises foreign statesmen began to formulate their own accounts of the new nation its character and its future prospects This volume reveals how these vigorous debates and competing rival visions defined the early American republic in the formative epoch after the revolution **Nineteenth-century Literature Criticism** Laurie Lanzen Harris, 1981 Excerpts from criticism of the works of novelists poets playwrights short story writers and other creative writers who lived between 1800 and 1900 from the first published critical appraisals to current evaluations

The Top Books of the Year John Adams And The Spirit Of Liberty The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the captivating narratives that have enthralled audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This touching tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. John Adams And The Spirit Of Liberty : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. John Adams And The Spirit Of Liberty : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and gripping novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.

### John Adams And The Spirit Of Liberty Introduction

In the digital age, access to information has become easier than ever before. The ability to download John Adams And The Spirit Of Liberty has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download John Adams And The Spirit Of Liberty has opened up a world of possibilities. Downloading John Adams And The Spirit Of Liberty provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a

button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading John Adams And The Spirit Of Liberty has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download John Adams And The Spirit Of Liberty. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading John Adams And The Spirit Of Liberty. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading John Adams And The Spirit Of Liberty, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download John Adams And The Spirit Of Liberty has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

### **FAQs About John Adams And The Spirit Of Liberty Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read

eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. John Adams And The Spirit Of Liberty is one of the best book in our library for free trial. We provide copy of John Adams And The Spirit Of Liberty in digital format, so the resources that you find are reliable. There are also many Ebooks of related with John Adams And The Spirit Of Liberty. Where to download John Adams And The Spirit Of Liberty online for free? Are you looking for John Adams And The Spirit Of Liberty PDF? This is definitely going to save you time and cash in something you should think about.
