Deere, This individual Shop Manual is one unit of a series on agricultural wheel type tractors Contained in it are the
necessary specifications and the brief but terse procedural data needed by a mechanic when repairing a tractor on which he
has had no previous actual experience The material is arranged in a systematic order beginning with an index which is
followed immediately by a Table of Condensed Service Specifications These specifications include dimensions fits clearances
and timing instructions Next in order of arrangement is the procedures section In the procedures section the order of
presentation starts with the front axle system and steering and proceeds toward the rear axle The last portion of the
procedures section is devoted to the power take off and power lift systems Interspersed where needed in this section are
additional tabular specifications pertaining to wear limits torquing etc John Deere Shop Manual 670 770 870 970&1070
