The New Stations of the Cross
Megan McKenna,2007-12-18 One of today s most popular and respected Catholic writers presents the first guide to the new Stations of the Cross reflecting the revisions made by Pope John Paul II A traditional devotion for Catholics for more than four hundred years the Stations of the Cross commemorates the route Jesus traveled from being sentenced to death crucified and then buried in a borrowed tomb on the outskirts of Jerusalem In the past the devotion included a number of stations based on popular stories of piety and devotion but not mentioned in the Gospels Over the past eight years however Pope John Paul II has made substantial changes to the devotion in his Good Friday celebrations of the stations removing those not found in the Bible and replacing them with stations that more accurately follow scriptural accounts of Christ s passion The revised Stations of the Cross focuses on the condemned Jesus and on the community walking the way with him to the cross Unrelieved by stories like Veronica s wiping blood off the face of Jesus and his meeting with his mother this is a story of an execution The new stations deal directly with the pain suffering betrayal and injustice to which Jesus was subjected In explaining his reasons for revising the stations the Pope has said that the alterations are intended to serve as a model for other devotions and to encourage the return to the Scriptures as the source of and inspiration for contemporary worship In this helpful authoritative guide Megan McKenna presents the fourteen new stations with the scriptural passages that Pope John Paul II uses on Good Friday She also provides a basic introduction to the practices and reflections on the importance of the devotion for present day Catholics and Episcopalians

World Youth Day Jane Skjoldli,2021-10-11 Can digital games help us understand real life religion With World Youth Day Religious Interaction at a Catholic Festival Skjoldli suggests that they can The change is particularly visible from Skjoldli s new theoretical framework religious interaction which draws on digital game studies The framework centers on three key terms interaction interface and immersion Interaction constitutes the core of the stipulative definition of religion operative in this framework interaction with culturally postulated superhuman persons Interface represents the means by which interaction takes place When interaction becomes emotionally charged immersion takes place whether it happens in religious contexts gaming contexts or other human activities like watching sports reading books playing instruments listening and or dancing to music Religious immersion Skjoldli suggests is helpful for understanding and making intelligible the emotional charge of human superhuman relationships the power and vulnerability of the religious interfaces

that enable them the significance of emotionally charged experiences they afford and the vexation expressed when interactions are frustrated by distraction distortion or destruction In this book Skjoldli employs her religious interaction framework in an analysis of how the Catholic festival World Youth Day WYD changed the meaning of pilgrimage in Catholicism WYD emerged from a ritual historical and cultural context abundant associations to pilgrimage as the term is conventionally understood by scholars WYDs are also consistently called pilgrimages even when the host locations are not officially sanctioned as such A substantive investment for the Catholic Church centrally locally and for the local event organizers each WYD draws hundreds of thousands to millions of young Catholics from around the world The pope always participates by giving speeches and leading some of the ceremonies WYD is persistently referred to as a pilgrimage and Skjoldli analyzes what pilgrimage has meant what it means now and how it changed in the context of WYD The Teachings of Pope John Paul II John E. Fagan, 2005 **Christian Faith and the Problem of Evil** Peter Van Inwagen, 2004 Gathers some of the most meaningful recent reflections on the problem of evil **The Child in American Evangelicalism and the Problem of Affluence** David A. Sims, 2009-06-01 This work presents an evangelical theology of the child nurtured in the context of American evangelicalism and affluence It employs an eclectic theological critical method to produce a theological anthropology of the affluent American evangelical child AAEC through interdisciplinary evangelical engagement of American history sociology and economics Sims articulates how affluence constitutes a significant impediment to evangelical nurture of the AAEC in the discipline and instruction of the Lord Thus the problem he addresses is nurture in evangelical affluence conceived as a theological anthropological problem Nurture in the cultural matrices of the evangelical affluence generated by technological consumer capitalism in the U S impedes spiritual and moral formation of the AAEC for discipleship in the way of the cross This impediment risks disciplinary formation of the AAEC for capitalist culture cultivates delusional belief that life consists in an abundance of possessions and hinders the practice of evangelical liberation of the poor on humanity's underside The result is the AAEC's spiritual moral lack in late modernity Chapter 1 introduces the problem of the AAEC Chapters 2 and 3 provide a diachronic lens for the theological anthropology of the AAEC through critical assessment of the theological anthropologies of the child in Jonathan Edwards Horace Bushnell and Lawrence Richards Chapters 4 and 5 constitute the synchronic perspective of the AAEC Chapter 4 presents an evangelical sociology of the AAEC drawing upon William Corsaro's theory of interpretive reproductions and chapter 5 constructs an evangelical theology of the AAEC through critical interaction with John Schneider's moral theology of affluence Chapter 6 Whither the AAEC concludes with a recapitulation of the work and a forecast of possible futures for the AAEC in the twenty first century *Way of the Cross* John Paul II, 2004-01 Walking the Way of the Cross along with Pope John Paul II as he meditates on the great mystery of our redemption we experience the profound reality that beyond the darkness of every Calvary rises the radiant dawn of Easter hope and joy *A Book of Prayers Through the Intercession of St. John Paul II* Dom Wydawniczy RAFAEL, 2014-04-15 This
