**The Life and Times of George Washington Patterson** Terrence Grant,2015-10-20 This is the story of New York Lt Governor George W Patterson Raised in Londonderry New Hampshire he came to the Genesee Valley in New York in 1818 and rose to assembly speaker before moving to Westfield in Chautauqua County as a Land Agent He was a friend of William Seward and Thurlow Weed and in 1848 was elected Lt Governor with Hamilton Fish as governor In 1876 he was elected to the House of Representatives

**Presidents and Presidencies in American History** Jolyon P. Girard,2019-10-07 This innovative encyclopedia explores the life and times of America s forty five presidents from the first administration to that of Donald Trump Forty five men have served as President of the United States since George Washington swore the oath of office in 1789 in New York City Some have proved exceptional leaders and others have not Some have faced serious crises both foreign and domestic Franklin Roosevelt was elected to four terms leading the country through a major economic depression and a world war while one held the office for only a single month Each however played a key role in the evolution of United States history Each of their histories therefore remains a critical civics lesson to consider This four volume encyclopedia provides an expansive analysis of the life and times of each United States president in chronological order from George Washington to Donald Trump Each chapter includes a timeline a biographical sketch a historical overview and an analytical essay concerning the president and his presidency Each also includes a substantial selection of related primary documents presenting important presidential speeches and correspondence A suggested reading list for further study of each president rounds out each entry

**The American Presidents, Washington to Tyler** Robert A. Nowlan,2014-01-10 As of 2012 only 43 men have held the office of the President of the United States Some have been sanctified and some reviled This historical work addresses the careers of the first ten presidents men who made vital contributions not only to the office of the presidency but to the course of the fledgling nation From Washington through Tyler every term is recounted in detail and each presidential profile provides as many as a hundred quotations with full source notes by the president his friends family historians and others Each profile ends with an extensive bibliography of books about the president his principles and policies and also provides suggestion for further reading Rigorously nonpartisan in approach this detail rich text describes the early years of what may well be one of the most demanding jobs in the world

**President without a Party** Christopher J. Leahy,2020-05-06 Historians have long viewed President John Tyler as one of the nation s least effective heads of state In President without a Party the first full scale biography of Tyler in more than fifty years and the first new academic study of him in eight decades Christopher J Leahy explores the life of the tenth chief executive of the United States Born in the Virginia Tidewater into an elite family sympathetic to the ideals of the American Revolution Tyler like his father worked as an attorney before entering politics Leahy uses a wealth of primary source materials to chart Tyler s early political path from his

election to the Virginia legislature in 1811 through his stints as a congressman and senator to his vice presidential nomination on the Whig ticket for the campaign of 1840 When William Henry Harrison died unexpectedly a mere month after assuming the presidency Tyler became the first vice president to become president because of the death of the incumbent Leahy traces Tyler's ascent to the highest office in the land and unpacks the fraught dynamics between Tyler and his fellow Whigs who ultimately banished the beleaguered president from their ranks and stymied his election bid three years later Leahy also examines the president's personal life especially his relationships with his wives and children In the end Leahy suggests politics fulfilled Tyler the most often to the detriment of his family Such was true even after his presidency when Virginians elected him to the Confederate Congress in 1861 and northerners and Unionists branded him a traitor president The most complete accounting of Tyler's life and career Leahy's biography makes an original contribution to the fields of politics family life and slavery in the antebellum South Moving beyond the standard often shortsighted studies that describe Tyler as simply a defender of the Old South's dominant ideology of states rights and strict construction of the Constitution Leahy offers a nuanced portrayal of a president who favored a middle of the road bipartisan approach to the nation's problems This strategy did not make Tyler popular with either the Whigs or the opposition Democrats while he was in office or with historians and biographers ever since Moreover his most significant achievement as president the annexation of Texas exacerbated sectional tensions and put the United States on the road to civil war

**Our Country's Presidents** Ann Bausum, 2021-01-12 Features comprehensive profiles of the 44 former presidents along with timelines and descriptions of crucial events during their terms Information about the 2020 president elect is also included
