

JOHN HENRY CARDINAL NEWMAN

# John Henry Newman John Henry Newman

**Robert C. Christie**

## **John Henry Newman John Henry Newman:**

**The Achievement of John Henry Newman** Ian Turnbull Ker, 1990 The centennial of John Henry Newman's death in 1890 marks an appropriate time for a critical reevaluation of his work Here Ian Ker noted Newman scholar and author of the definitive John Henry Newman A Biography considers Newman's achievement as a whole but in a focused and selective way Ker deliberately concentrates on five aspects of Newman's intellectual and literary achievement that constitute his essential genius Newman's role as an educator is examined first through an interpretation of his theory of a liberal education found in The Idea of a University which Ker claims has often been misunderstood in certain crucial respects Newman's philosophical writings including An Essay in Aid of a Grammar of Assent are looked at next while Ker argues that Newman is not simply an important apologist for Christianity but also a significant philosopher in his own right whose originality is only beginning to be appreciated Ker also presents Newman the preacher providing a critique of the Anglican sermons that have long been recognized for their spirituality but that have received surprisingly little attention with regard to their homiletic and literary art Newman's theological themes are explored as Ker offers a reassessment and overall view of the theological writings of both the Anglican and Catholic periods And lastly Ker considers Newman's literary achievement which has been generally underrated and to a considerable extent even unperceived Throughout this provocative book Ker mediates Newman's theological understanding to the believer of today to the inquiring general reader and to all scholars interested in embracing both post Vatican II thinking and traditional Catholic thought *John Henry Newman, Heart Speaks to Heart* John Henry Newman, 2004 Geared to the reflective devotional reader the short selections are derived from Newman the priest preacher and spiritual writer

**The Genius of John Henry Newman** John Henry Newman, 1989 This is the first major anthology of John Henry Newman's writings to appear in many years Unlike most Newman anthologies it covers the full range of Newman's achievement both as a major Victorian writer and as a Christian thinker of universal significance Divided into five sections the book focuses on Newman as educator philosopher preacher theologian and writer presenting some of Newman's finest writing much of which is virtually unknown or inaccessible Letters and Correspondence of John Henry Newman During His Life in the English Church Saint John Henry Newman, 1920

**Letters and Correspondence of John Henry Newman During His Life in the English Church** John Henry Newman, 1920 *Saint John Henry Newman* Robert C.

Christie, 2020-01-17 This volume of essays sponsored by the Newman Association of America serves to identify preserve and promote the legacy of John Henry Newman It argues that eleven major elements of Newman's life and work speak to us today and in fact are very important resources for believers in their confrontation with the challenges of an increasingly secular world They also resonate loudly to a church in crisis both internally and externally in its confrontation with that world Ten authors included among them some of the world's most noted Newman scholars as well as several emerging ones address various aspects of Newman's legacy on a host of subjects These include the nature and challenges of faith both for

believers and contemporary ones with no religious affiliations an analysis of what and how we know things particularly bearing on religious matters the experience of conversions the place and meaning of relationships in our search for God especially those of family home and friendships the indispensable role of the church in our drive for holiness the nature and importance of education and its personal dimension and the correct application of history in studying and learning from Newman's legacy Those who have questions and who think about these subjects academics and non academics alike will find much to ponder in these essays John Henry Newman Ryan J. Marr, 2019-10-01 This small volume introduces readers to John Henry Newman's wiring theology and thought Blessed Newman the 19th century's most important English speaking Catholic theologian spent the first half of his life as an Anglican and the second half as a Roman Catholic He was a priest popular preacher writer and eminent theologian in both Churches Before Newman Catholic theology tended to ignore history preferring instead to draw deductions from first principles After Newman the lived experience of believers was recognized as a key part of theological reflection Newman eventually wrote 40 books and 21 000 letters that survive He has been called the absent Father of Vatican II because he was a strong influence in the shaping of the Council's documents through his writings on conscience religious liberty Scripture the vocation of lay people the relation of Church and State and other topics Although he was not always completely understood or appreciated he steadfastly preached the Good News by word and example This small volume part of the Ex libris series offers an affordable and accessible introduction to Newman's theology While other publications focus on Newman's biography or present high level scholarly discussions of his thought this book hones in on some of the most important quotations from Newman's writings and organizes them to facilitate regular devotional reflection A set of discussion questions in the back of the book also makes it a handy title for use in small faith formation groups Sections include faith holiness the Incarnate Word Our Lady a good death trust in divine providence continuing in the school of John Henry Newman and a helpful bibliography Compiled by Ryan Marr director of the National Institute for Newman Studies and associate editor of the Newman Studies Journal this book will awaken an interest in this influential thinker and possible future saint

**Letters and Correspondence of John Henry Newman During His Life in the English Church** John Henry Newman, 1897 **Blessed John Henry Newman Collection [26 Books]** Blessed John Henry Newman, Aeterna Press, BLESSED JOHN HENRY NEWMAN COLLECTION 26 BOOKS Quality Formatting and Value Active Index Multiple Table of Contents for all Books Multiple Illustrations John Henry Newman C O also referred to as Cardinal Newman John Henry Cardinal Newman and Blessed John Henry Newman was a Catholic cardinal and theologian who was a very important figure in the religious history of England in the 19th century He was known nationally by the mid 1830s Originally an evangelical Oxford University academic and priest in the Church of England Newman then became drawn to the high church tradition of Anglicanism He became known as a leader of and an able polemicist for the Oxford Movement an influential and controversial grouping of Anglicans who wished to return to the Church of England many
