## **John That You May Believe Living Word Bible Studies:**

John Kathleen Buswell Nielson,2010-06 John may be the most artful and poetic of the gospels it demands and rewards study of its literary shape the power of its metaphors eg I am s Jesus deep discourses and the beauty of his unfolding passion throughout its chapters Jesus the Word made flesh emerges powerfully and personally so it is no surprise that John sums up his Gospel s message as so that you may believe that Jesus is the Christ the Son of God and that by believing you may have life in his name John 20 31 John offers a theologically deep answer and a compelling historical narrative as to the identity and purpose of God s anointed Son Publisher     **John** Kathleen Nielson,2018-09-28 This Bible Study has 20 Lessons Proven

resources for deeper exploration of Scripture Living Word Bible Studies provide effective guidance for groups and individuals alike Each lesson includes questions for five days plus helpful context and commentary to lead to ever increasing satisfaction discernment and delight in God s Word John guides you through what many consider to be the most artful and poetic of the gospels Its portrait of the Word made flesh rewards careful study so that you may believe     **Revelation of God's Word**

Paul D Rusnak,2019-03-19 This book is a collection of studies from over fifty years of studying It contains new revelation of scripture It addresses subjects like New Revelation about the Beast of Time Paul s thorn in the flesh the Tree of Life why Jesus doesn t know when the last day will be and much more     The Ride of Your Life Tina Elliott Boyd,2014-12-19 Each of

us at some point in our lives will have a knee bender a devastating event that has happened to you or someone you love that has caused you to fall to your knees to pray In The Ride of Your Life Faith Will Move You Forward Tina Boyd will take you through her personal knee bender and will show you how she turned a tragic experience into a meaningful life lesson Years of journaling and reflection have helped Tina to develop the front wheel model The front wheel model will encourage you to move forward and to embrace life regardless of the challenges you are facing She utilizes the mechanics of a wheel to guide you through the seven spokes of healing that will lead you down the road of faith towards God s love Tina shares her deepest thoughts pain and spiritual healing to guide you through the blowouts bumps and wrong turns along your ride The wheel concept is a practical guide to show you how to handle each step of your journey shame humility forgiveness and finally gratitude Tina s front wheel concept with God as the hub of the wheel will help you understand your life s lessons The rim will help you to understand God s everlasting love and promise of eternal life Even if you have yet to have a significant blowout or wrong turn along your personal path using this concept will guide you through the beautiful ride that God intends for you to have     *Preaching the Gospel of John* Lamar Williamson,2004-01-01 In this accessible treatment of the major

themes of the Gospel of John renowned New Testament scholar Lamar Williamson blends the best of biblical scholarship and a close reading of the Fourth Gospel to meet the practical needs of weekly preaching A more reflective Gospel in which the risen Jesus speaks in signs and discourses John does not simply tell stories but allows us to experience the Word and to see Jesus offering living water to the aridity of the institutional church and bread to the hungry hearts of individual disciples

More than mere exposition Preaching the Gospel of John includes at the end of each passage three to five possibilities for preaching the text creative and pertinent suggestions that can help preachers apply the words of the Fourth Gospel to the lives of today's churchgoers Proclaiming the living Word is a major theme of the Gospel of John and this clear and insightful commentary captures that message in the preaching moment

**Last Trump Gathering Bible Studies** Al M. Rogers, Al M. Rogers, Jr., 2004 Volume One is a series of Bible studies and one important message from my website that I commenced to build in 1997 It is full of well thought out observations Bible quotations paraphrases and Bible references dealing with prophecy Mainly with its information I am hoping God will put the Sword Word of God through the heart of another theory like the Gap and the Day Age theories which has crept into the Church's doctrine and has sought to defile the Word of God with its doctrinal germ and perhaps put to sleep the Pre Tribulation Rapture and Left Behind theology that's helped cause Saints including myself to go astray and backslide

**Living Water** Martyn Lloyd-Jones, 2009-01-14 This substantial volume includes more than fifty never before published expository sermons on John 4 from one of the twentieth century's greatest preachers It was just a conversation between two people by the side of a well in Samaria One a local woman came to perform her daily task of drawing water Another a Jewish man tired from traveling sat down for a drink But he wasn't just any Jewish man and this wasn't just any conversation The man Jesus revealed himself as the Messiah leading to the conversion of not only the Samaritan woman but many from her town Now for the first time fifty six sermons by Martyn Lloyd Jones on this passage of Scripture are available in Living Water Lloyd Jones known for his ability to clearly communicate profound theological concepts digs into this familiar passage from the fourth chapter of the Gospel of John exposing fresh layers of truth His perceptive analysis is helpful for all who thirst for the living water that only Jesus can provide

**Drinking from the Living Well** Doris W. Greig, 1989

*Studies in the Deeper Life* E. W. Kenyon, 2025-07-15 This outstanding Bible study course by legendary teacher E W Kenyon was written to lead Christians into a deeper walk with the Master Profound scriptural truths are presented in a simple and easy to understand manner As it takes you through the pages of the Bible you will begin to see who you are in Christ what He has done for you and your standing before God the Father An ideal study for both groups or individuals

**Does It Matter Who Wrote the Bible?** David B. Capes, 2025-05-20 Students in seminary or graduate theology programs learn that some books in the Bible are anonymous Their professors will make the point that many Pauline letters have disputed authorship and may in fact not be written by Paul Students will also learn about the practice of pseudonymity in the world of the Bible and how some Gospels or letters are written under a false name Now for those who become pastors or church leaders what are they to do with what they learn Do they teach their congregants about these authorship questions Do they ignore that part of their training as irrelevant to the task Do they avoid teaching or reading publicly from disputed books Do these questions not matter in the end because the church settled on the canon This book aims to address these pastoral challenges An international group of scholars from universities seminaries and graduate

theology programs convened to discuss these matters at the Lanier Theological Library in May 2022 These essays represent how many faculty are wrestling with the pastoral implications of anonymity and pseudonymity in the New Testament

Living and Loving Melvin Banks,1997-05 Features studies based on the Bible books of 1 and 2 Peter and 1 2 and 3 John This book explores the topics of love false doctrines conquering fear increasing your faith overcoming hopelessness spiritual development coping with suffering and saying no to temptation It includes 12 lessons **A History of Christian**

**Conversion** David W. Kling,2020-05-05 Conversion has played a central role in the history of Christianity In this first in depth and wide ranging narrative history David Kling examines the dynamic of turning to the Christian faith by individuals families and people groups Global in reach the narrative progresses from early Christian beginnings in the Roman world to Christianity s expansion into Europe the Americas China India and Africa Conversion is often associated with a particular strand of modern Christianity evangelical and a particular type of experience sudden overwhelming However when examined over two millennia it emerges as a phenomenon far more complex than any one dimensional profile would suggest No single unitary paradigm defines conversion and no easily explicable process accounts for why people convert to Christianity Rather a multiplicity of factors historical personal social geographical theological psychological and cultural shape the converting process A History of Christian Conversion not only narrates the conversions of select individuals and peoples it also engages current theories and models to explain conversion and examines recurring themes in the conversion process divine presence gender and the body agency and motivation testimony and memory group and self identity authentic and nominal conversion and modes of communication Accessible to scholars students and those with a general interest in conversion Kling s book is the most satisfying and comprehensive account of conversion in Christian history to date this major work will become a standard must read in conversion studies *Adult Bible Studies Winter 2025-2026 Student* Betsy Haas,2025-10-14

Dodds, OP,2020-08-21 This book provides a fundamental introduction to Aquinas s theology of the One Creator God Aimed at making that thought accessible to contemporary audiences it gives a basic explanation of his theology while showing its compatibility with contemporary science and its relevance to current theological issues Opening with a brief account of Aquinas s life it then describes the purpose and nature of the Summa Theologica and gives a short review of current varieties of Thomism Without neglecting other works it then focuses primarily on the discussion of the One God in the first part of the Summa Theologica God s transcendence and immanence is a recurrent theme in that discussion Evidence of God s immanent causality in the natural world grounds Aquinas s five arguments for the existence of God the Five Ways which then open onto God s transcendence The subsequent discussion of the divine attributes builds on the modes of God s causality established in the Five Ways It also shows the need for a language of analogy to preserve God s transcendence and prevent us from reducing God to the level of creatures even as qualities such as goodness and love which we first know from creatures are applied to God The discussion of God s providence and governance establishes that the transcendent Creator God is most intimately present in creation God acts in all creatures in a way that does not diminish their proper causality but is rather its source As there is no contradiction between God s transcendence and immanence so there is no competition between the primary causality of God and the secondary causality of creatures Empirical science which is limited by its method to the secondary causality of creatures is shown to be compatible with the broader discipline of theology which also embraces the primary causality of the Creator
