The Gospel of John R. Jackson Painter, 2010-12-03 Part of the genius of the Gospel of John comes from how the author infuses the gospel message into every part of the Gospel In The Gospel of John A Thematic Approach Jackson Painter investigates John s literary theological strategy by identifying seven key themes and showing the reader how to detect them in any portion of the Gospel as well as how to see the themes interacting with one another to create John s distinct theological message about Jesus Christ the Son of God The author gives numerous examples of the elements and motifs that comprise the themes and presents three studies that illustrate how the themes interact Students of the Gospel of John will come away with a newfound ability to understand and interpret the Gospel of John **The Letters of John** Colin G.

S. Idestrom, 2023-02-10 What does Scripture mean when it speaks of the glory of God The answer to this question is not as straightforward as we might think In Show Me Your Glory Rebecca

Idestrom invites the reader on a journey to discover what the Old Testament teaches us about God s glory While exploring

this biblical theme she examines various scriptural passages about the glory of the LORD within their larger narrative context in each biblical book She also considers the different key words used for glory as well as the many diverse images and themes connected to God's glory This thematic investigation demonstrates that the Old Testament Scriptures present a deeply profound and multifaceted portrait of the glory of God Although it is impossible to fully capture what the Bible says about God's majestic glory Show Me Your Glory yields many wonderful insights into its depiction meaning and significance resulting in a deep and rich biblical theology of divine glory

#### **Prayer in John's Farewell Discourse**

Scott Adams,2020-03-12 It was reported that a doctoral student at Princeton once asked Albert Einstein What is there left in the world for original dissertation research He replied by saying Find out about prayer Somebody must find out about prayer Since Einstein's day a great deal has been written on the topic of prayer in general However relatively little has been written about prayer in John's Farewell Discourse in particular Therefore this analysis not only seeks to understand the relationship between Johannine and Jewish Greco Roman and Christian prayer traditions but also seeks to discern the unique function and application of prayer as it is prescribed in the Farewell Discourse

#### **Genesis**

R. Kent Hughes,2004-10-26 The book of Genesis contains some of the most beautiful and well known stories in the Bible the garden the flood the tower of Babel and the lives of the patriarchs But these are more than just good stories They lay the groundwork for God's relationship with humanity and for his plan for our salvation making Genesis foundational to understanding everything else that happens in the Bible Genesis reveals much about human nature and the nature of God From the actions of the first man and woman we see where our rebellious sinful nature originates And through the whole book we see the hand of a sovereign God who is loving and merciful but also just and holy Time and again in Genesis God showers his grace upon undeserving humanity giving us our first tastes of God's enduring faithfulness that shines throughout the entire Bible R Kent Hughes respected pastor and author of many other commentaries in the Preaching the Word series takes readers back to the beginning of the Bible and moves through Genesis with careful exegesis He explores the superbly crafted structure of the book as well as the weighty themes it contains For those who preach teach and study God's Word this exceptionally detailed work will reveal much about the beginnings of God's great story Part of the Preaching the Word series

#### **The Son-Father Relationship and Christological Symbolism in the Gospel of John**

Adesola Joan Akala,2014-07-31 This volume examines Johannine symbolism within the lens of Jesus' relationship with the Father After demonstrating that the Gospel narrative symbolically portrays Jesus as the Son of God who is relationally inseparable from his Father the study shows how the Son-Father Relationship SFR is at the center of the network of Christological symbols in the Gospel of John Using an innovative narrative framework this book unveils the creative and symbolic introduction of the SFR in the Prologue Jn 1:1-18 its development through the words and actions of Jesus' teaching ministry within the Johannine narrative and its culmination in the Prayer Jn 17 the SFR motif then concludes in the remainder of the Gospel This narrative framework reveals how the SFR shapes the

literary style and theological strategy of the Gospel and acts as an integrative force by giving structure and cohesion to the Gospel's symbolic system. Two key features presented in this book are a theory of symbolism and a network of symbols. The specially formulated Theory of Johannine Symbolism explains the theoretical and theological underpinnings of the Gospel's symbolic network called John's Christological Symbology. Through the symbolic network, the author of the Gospel fulfills the theological purpose stated in Jn 20:31 that hearer/readers believe in Jesus the Christ as the Son of God and thereby experience eternal life. **Zondervan Illustrated Bible Backgrounds Commentary: John, Acts** Clinton E.
