Graphic Design And Religion A Call For Renewal:

Graphic Design and Religion Daniel Kantor, 2008-09 Graphic Design and Religion by Daniel Kantor challenges the way we look at the role of graphic design within a religious context The beautiful and abundant illustrations coupled with the passionately written text transcend the mere visual aspect of symbols and graphic design elevating them to a spiritual way of seeing It is an ideal resource for design students teachers photographers illustrators copywriters clergy worship and environment planners and sacred art enthusiasts This vital work can help designers discover their role in the creation of sacred art One way in which Kantor accomplishes this is to draw a comparison between the illuminators of the Middle Ages with modern day graphic designers who serve religion today Kantor stresses the need for a heightened awareness of graphic design within religion and demonstrates how good design must be seen as an essential component of authentic religious hospitality

Corporate Designing Religion Graham Wiseman, 2023-10-18 Design professionalism interwoven with strategic marketing skills and advances in the technologies of digital communication are changing the interface and conceivably the future image of religious institutions How and to what extent does corporate design influence the identity of religious institutions in the digital era Six denominational case studies including multifaith in Europe were investigated The concluding hypotheses outline principal response indicators supplemented by a Religious Branding Compass to assist in identifying the religious institutions visual identity projections

Drawn to the Word Amanda Dillon, 2021-11-05 A unique study of lectionaries and graphic design as a site of biblical reception How artists portrayed the Bible in large canvas paintings is frequently the subject of scholarly exploration yet the presentation of biblical texts in contemporary graphic designs has been largely ignored In this book Amanda Dillon engages multimodal analysis a method of semiotic discourse to explore how visual composition texture color directionality framing angle representations and interactions produce potential meanings for biblical graphic designs Dillon focuses on the artworks of two American graphic designers the woodcuts designed by Meinrad Craighead for the Roman Catholic Sunday Missal and Nicholas Markell's illustrations for the worship books of the Evangelical Lutheran Church in America to present the merits of multimodal analysis for biblical reception history

Religion and Language in Post-Soviet Russia Brian P. Bennett, 2011-04-29 Church Slavonic one of the world's historic sacred languages has experienced a revival in post Soviet Russia Blending religious studies and sociolinguistics this book looks at Church Slavonic in the contemporary period It uses Slavonic in order to analyse a number of wider topics including the renewal and factionalism of the Orthodox Church the transformation of the Russian language and the debates about protecting the nation from Western cults and culture
